A 6x5 grid of 30 empty squares for drawing.

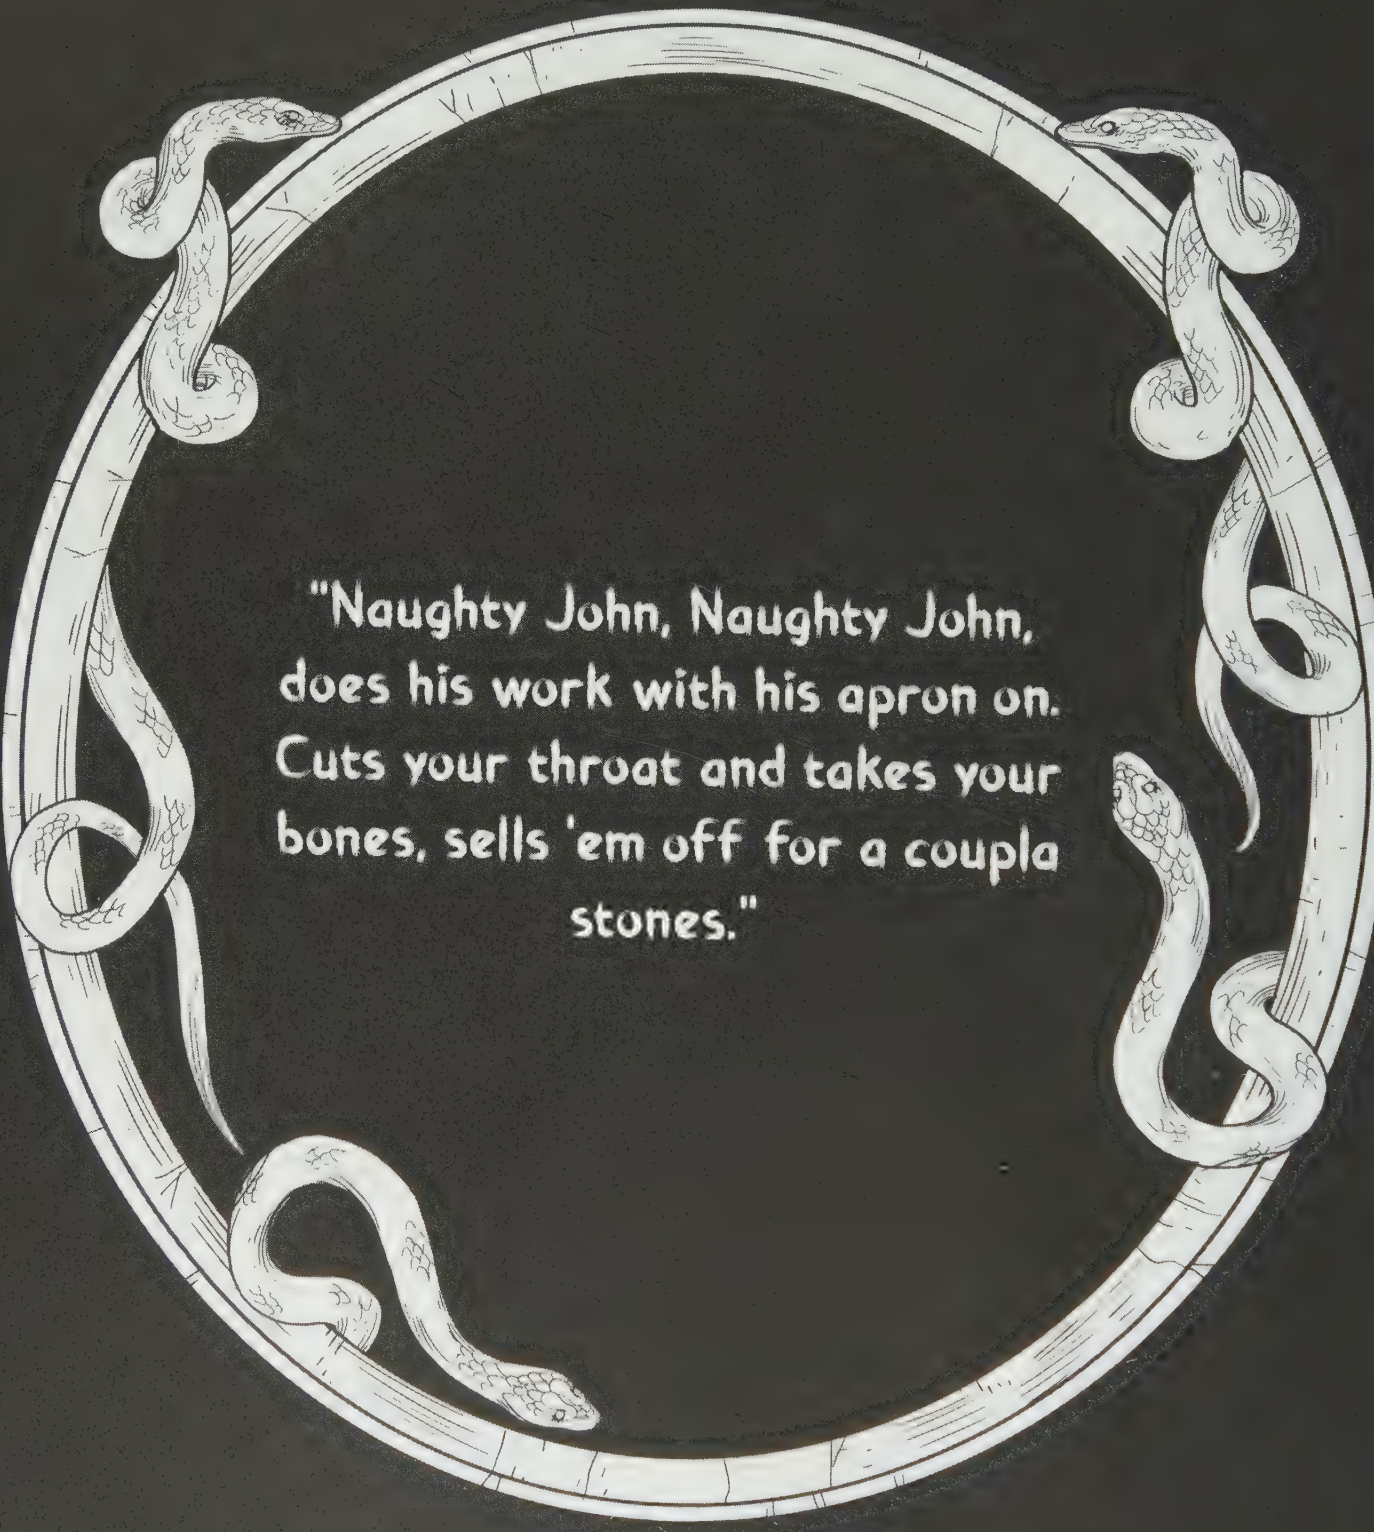

"It is a mistake to fancy that
horror is associated inextricably
with darkness, silence, and
solitude."

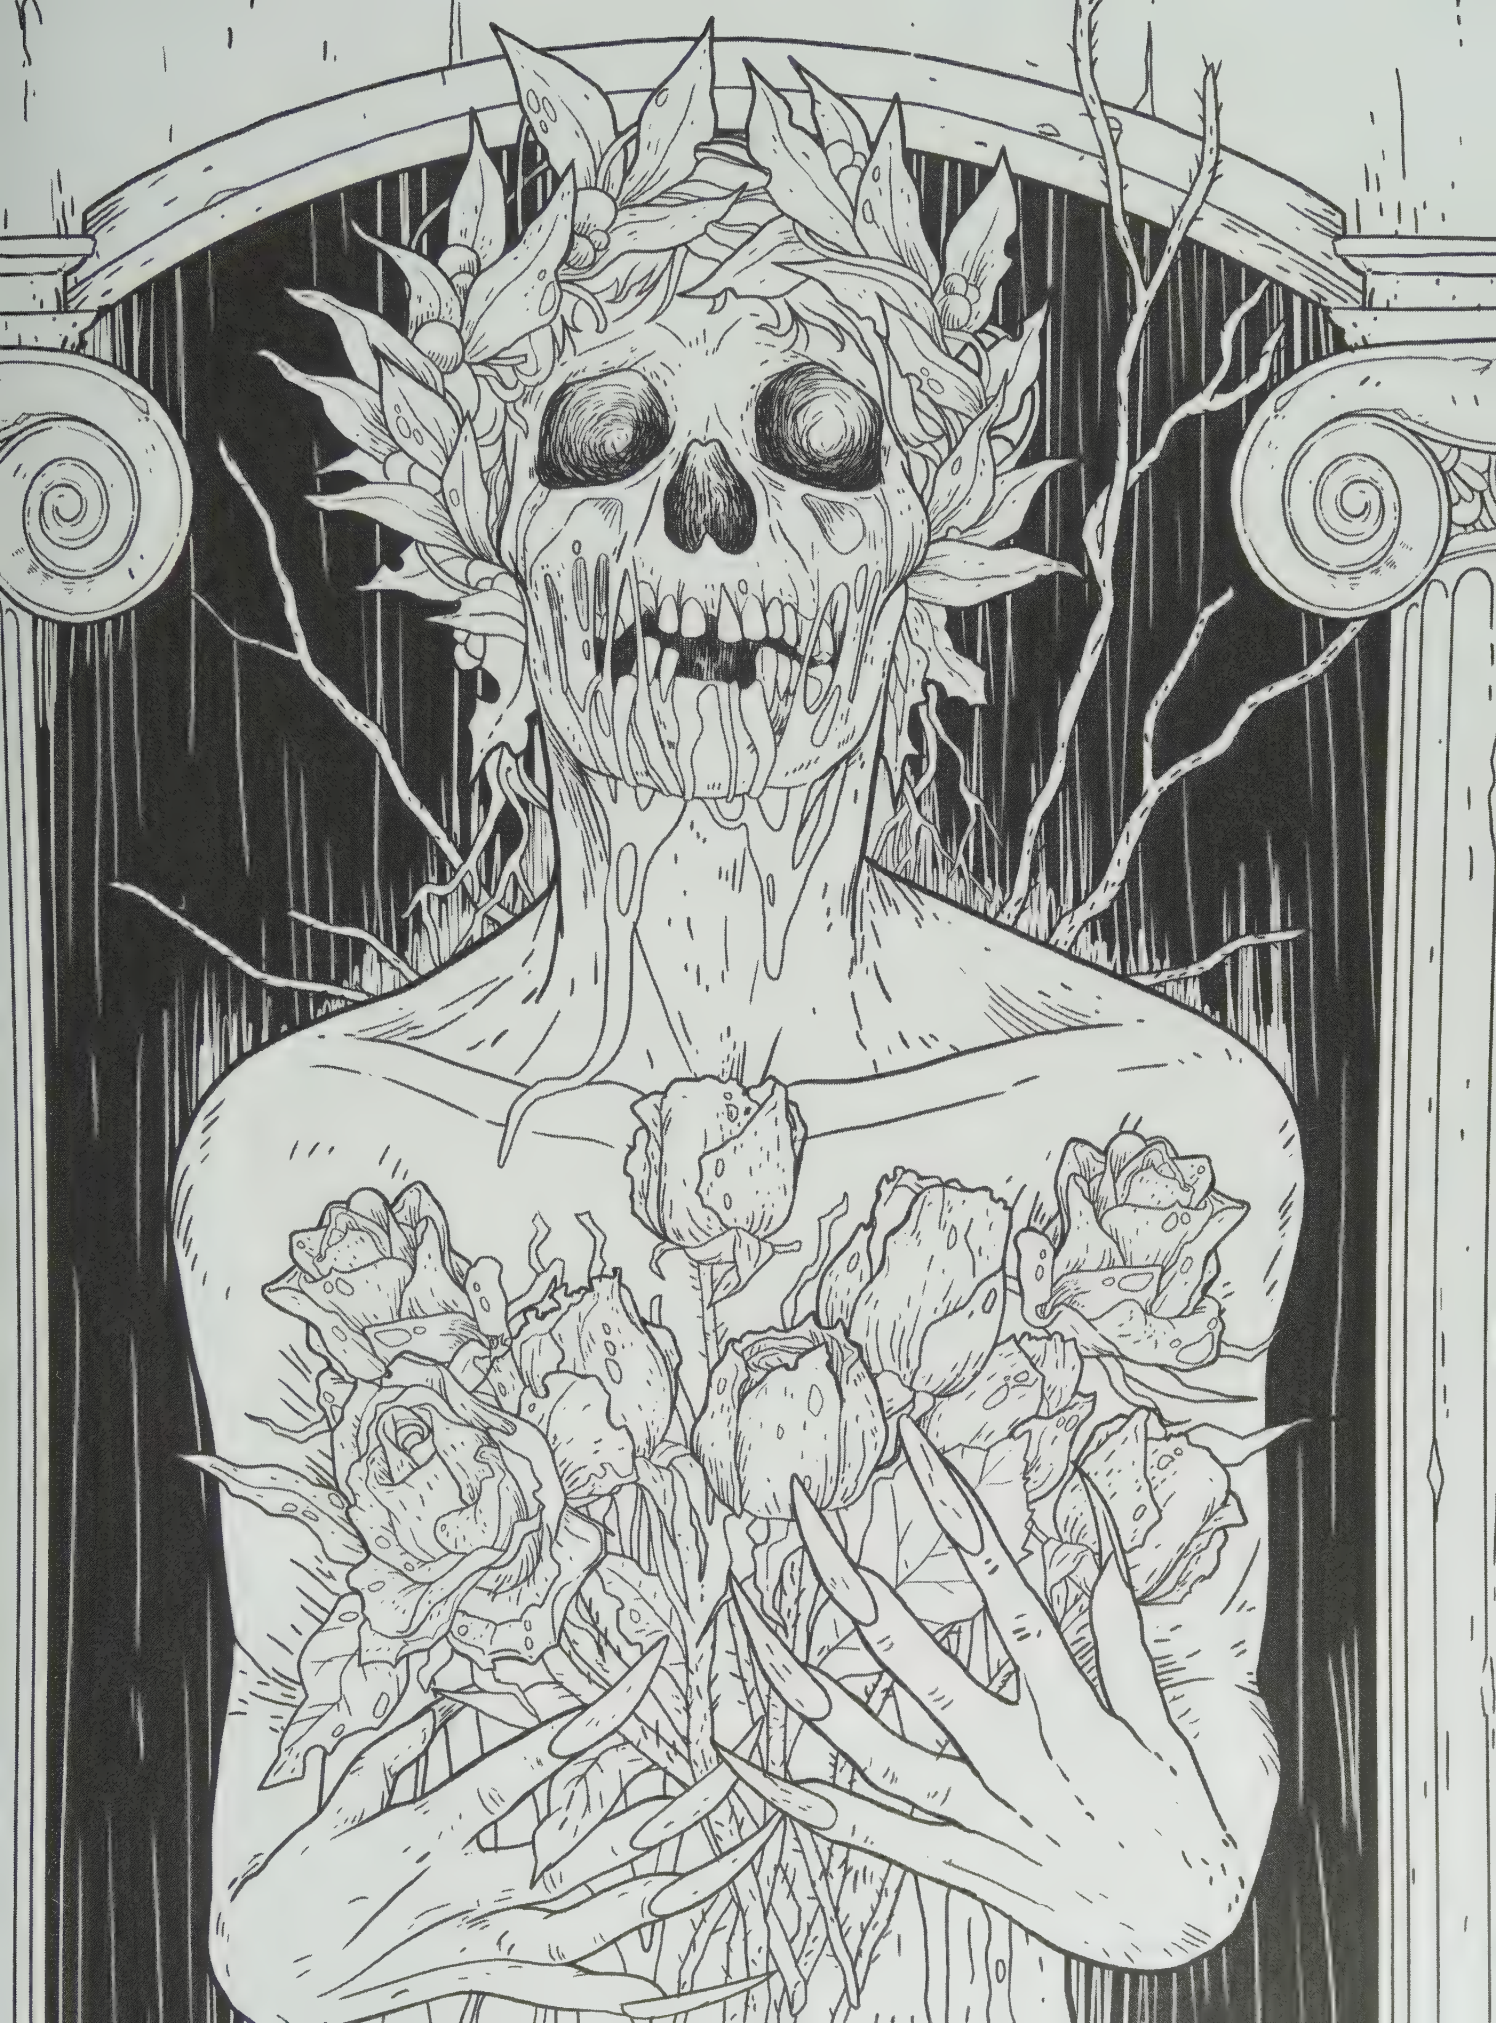

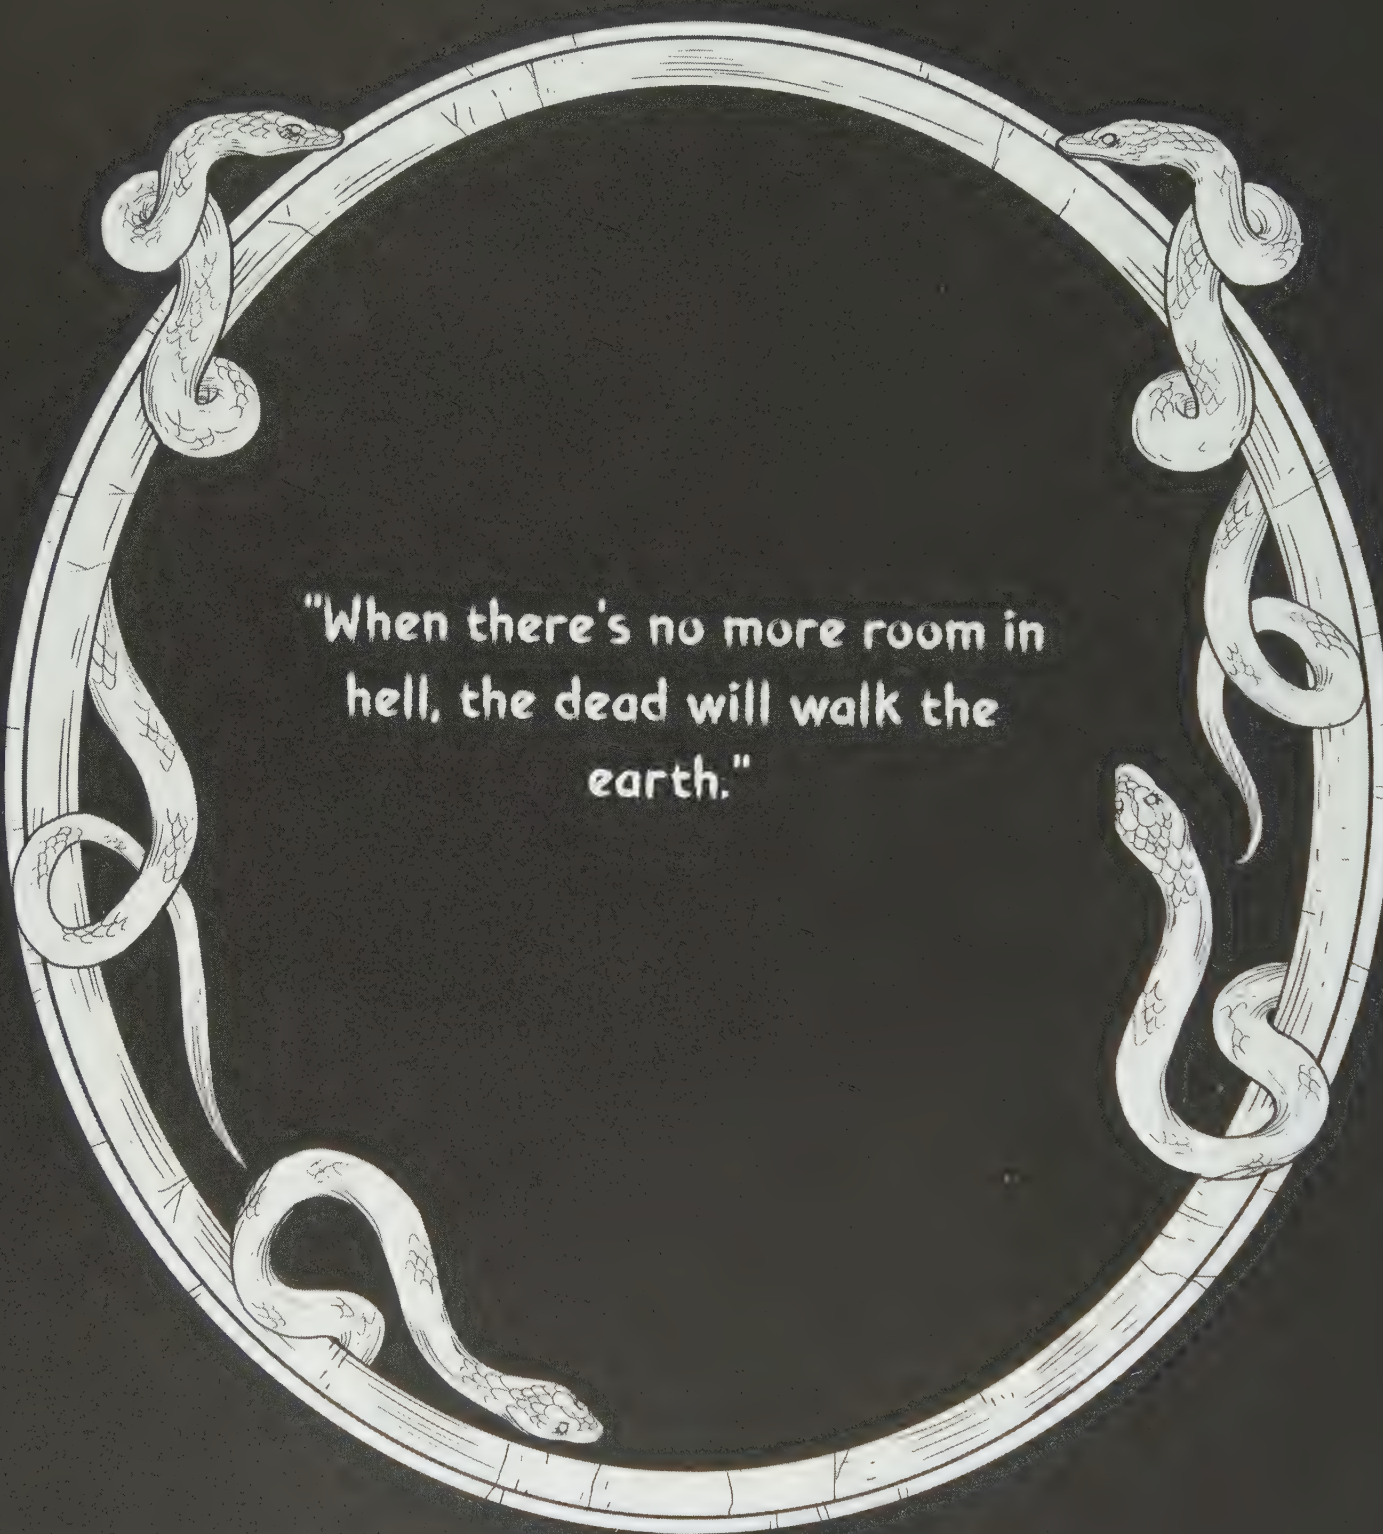

"The last man on Earth sat alone in
a room. There was a knock on the
door..."

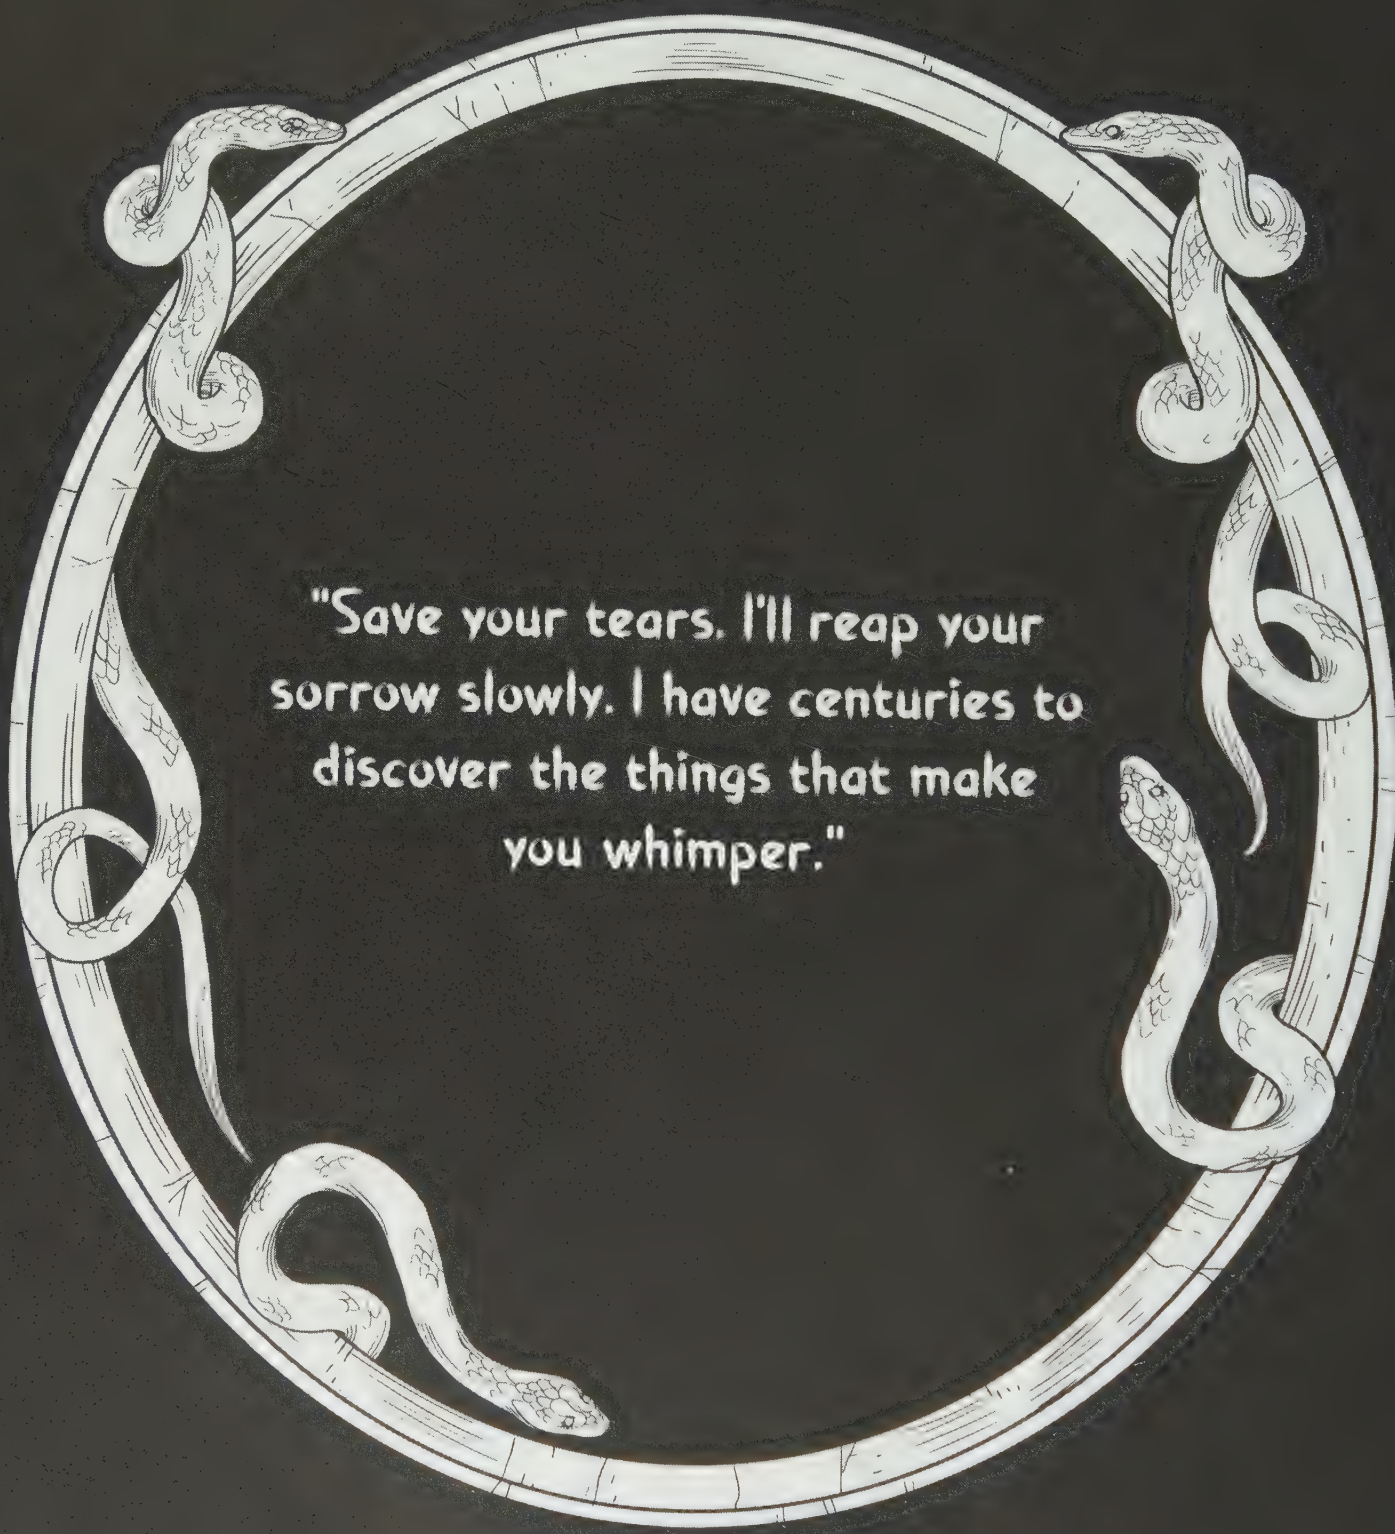

"Naughty John, Naughty John,
does his work with his apron on.
Cuts your throat and takes your
bones, sells 'em off for a coupla
stones."

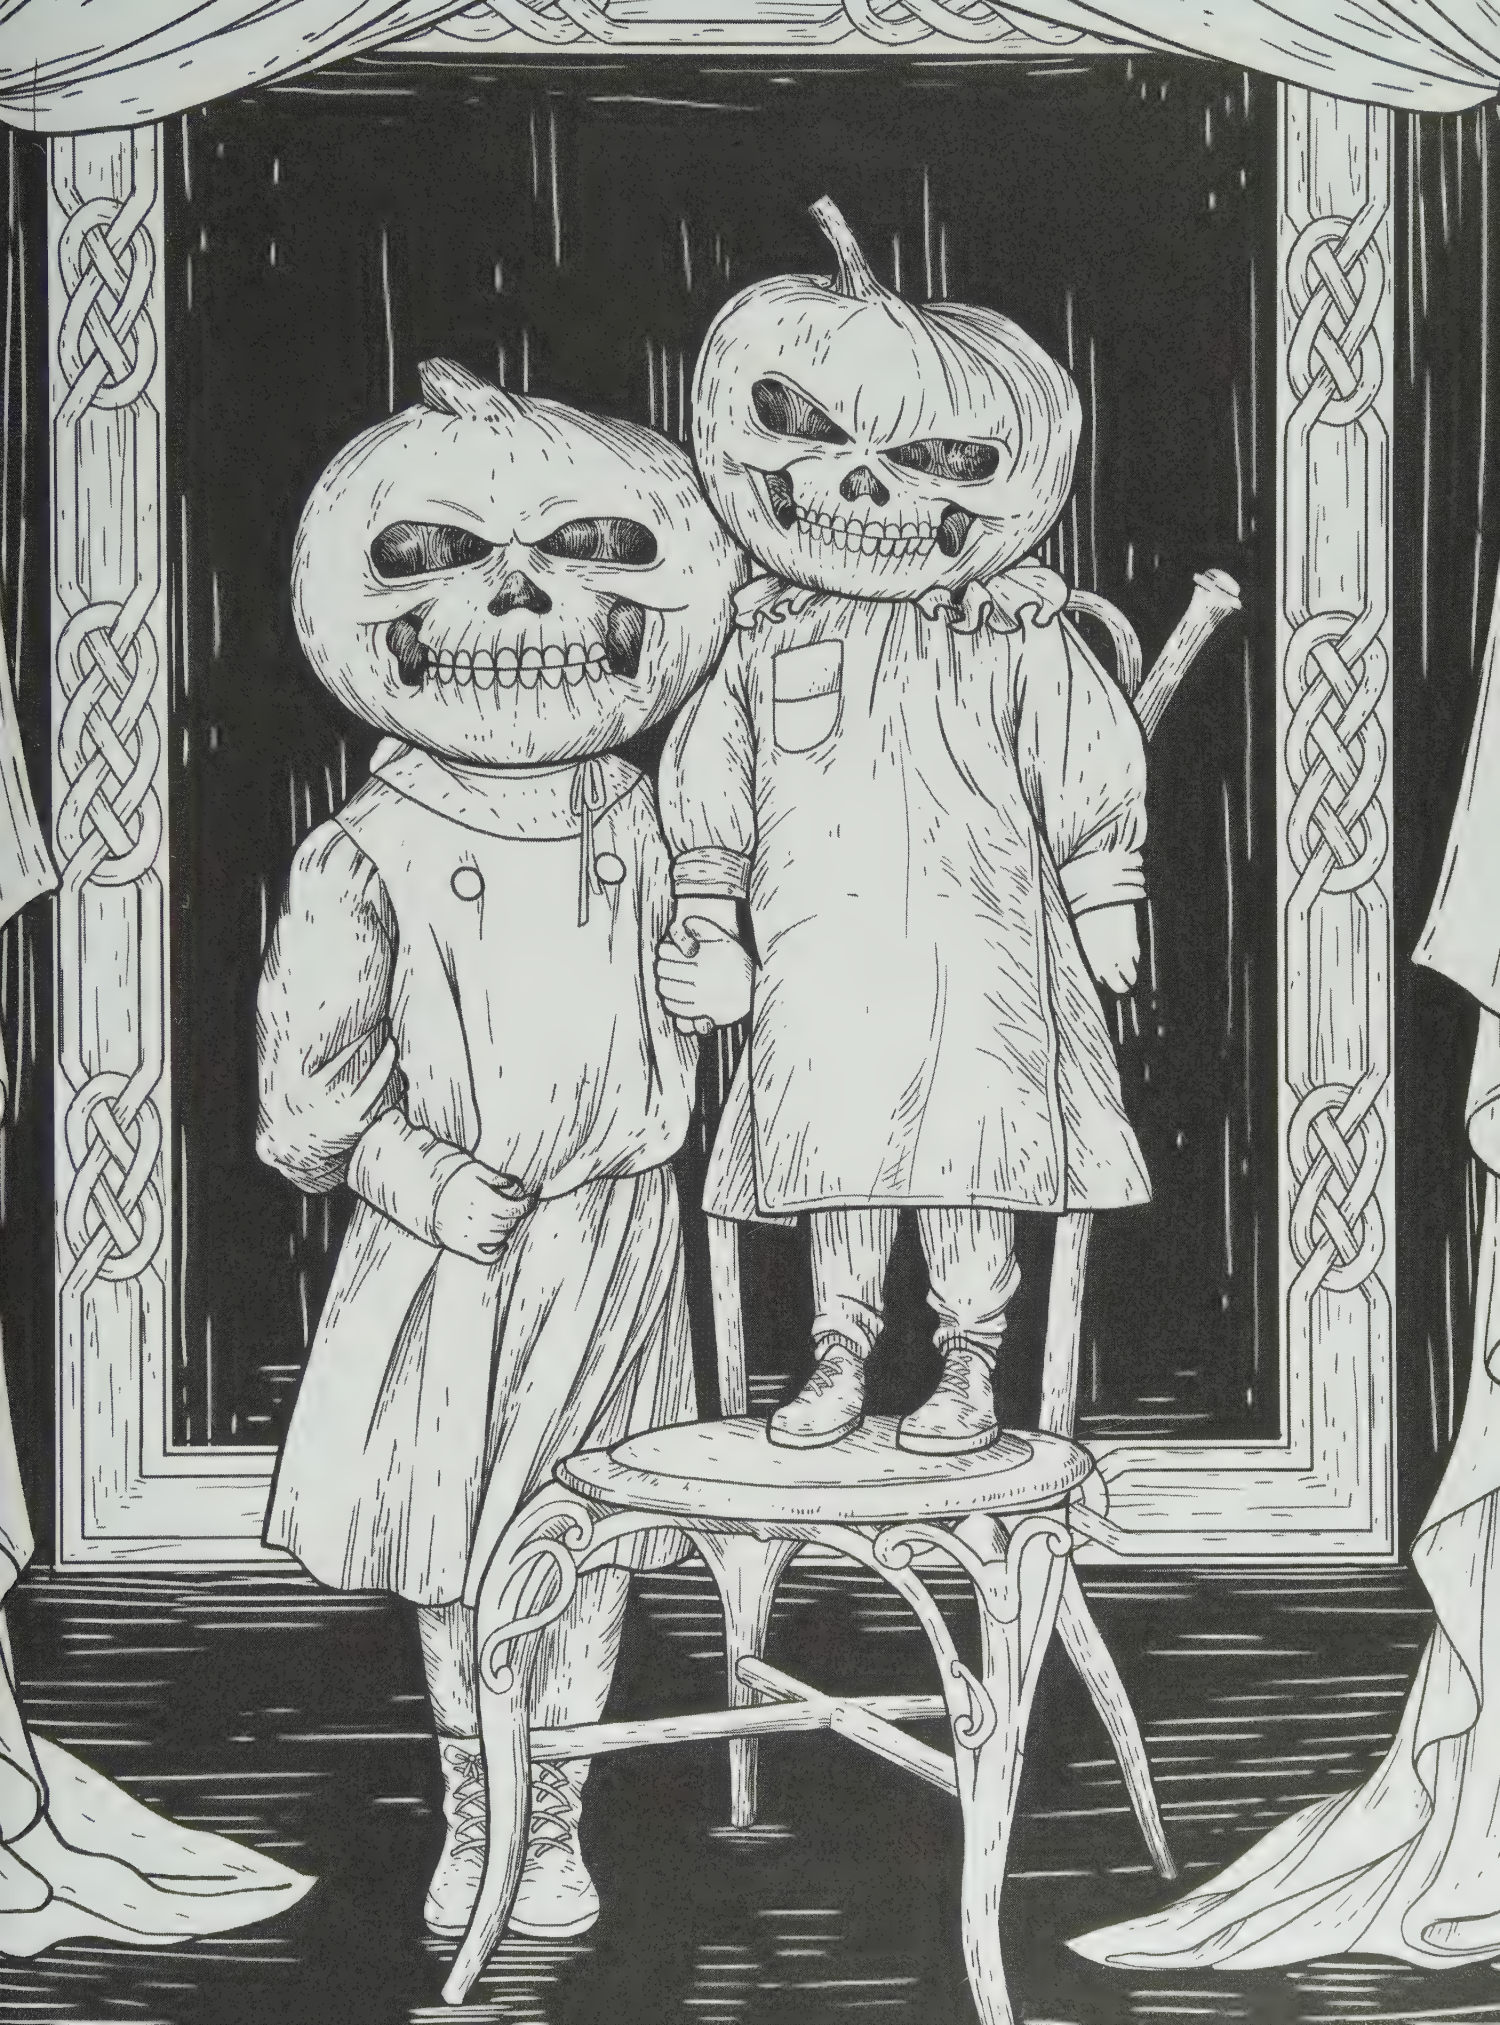

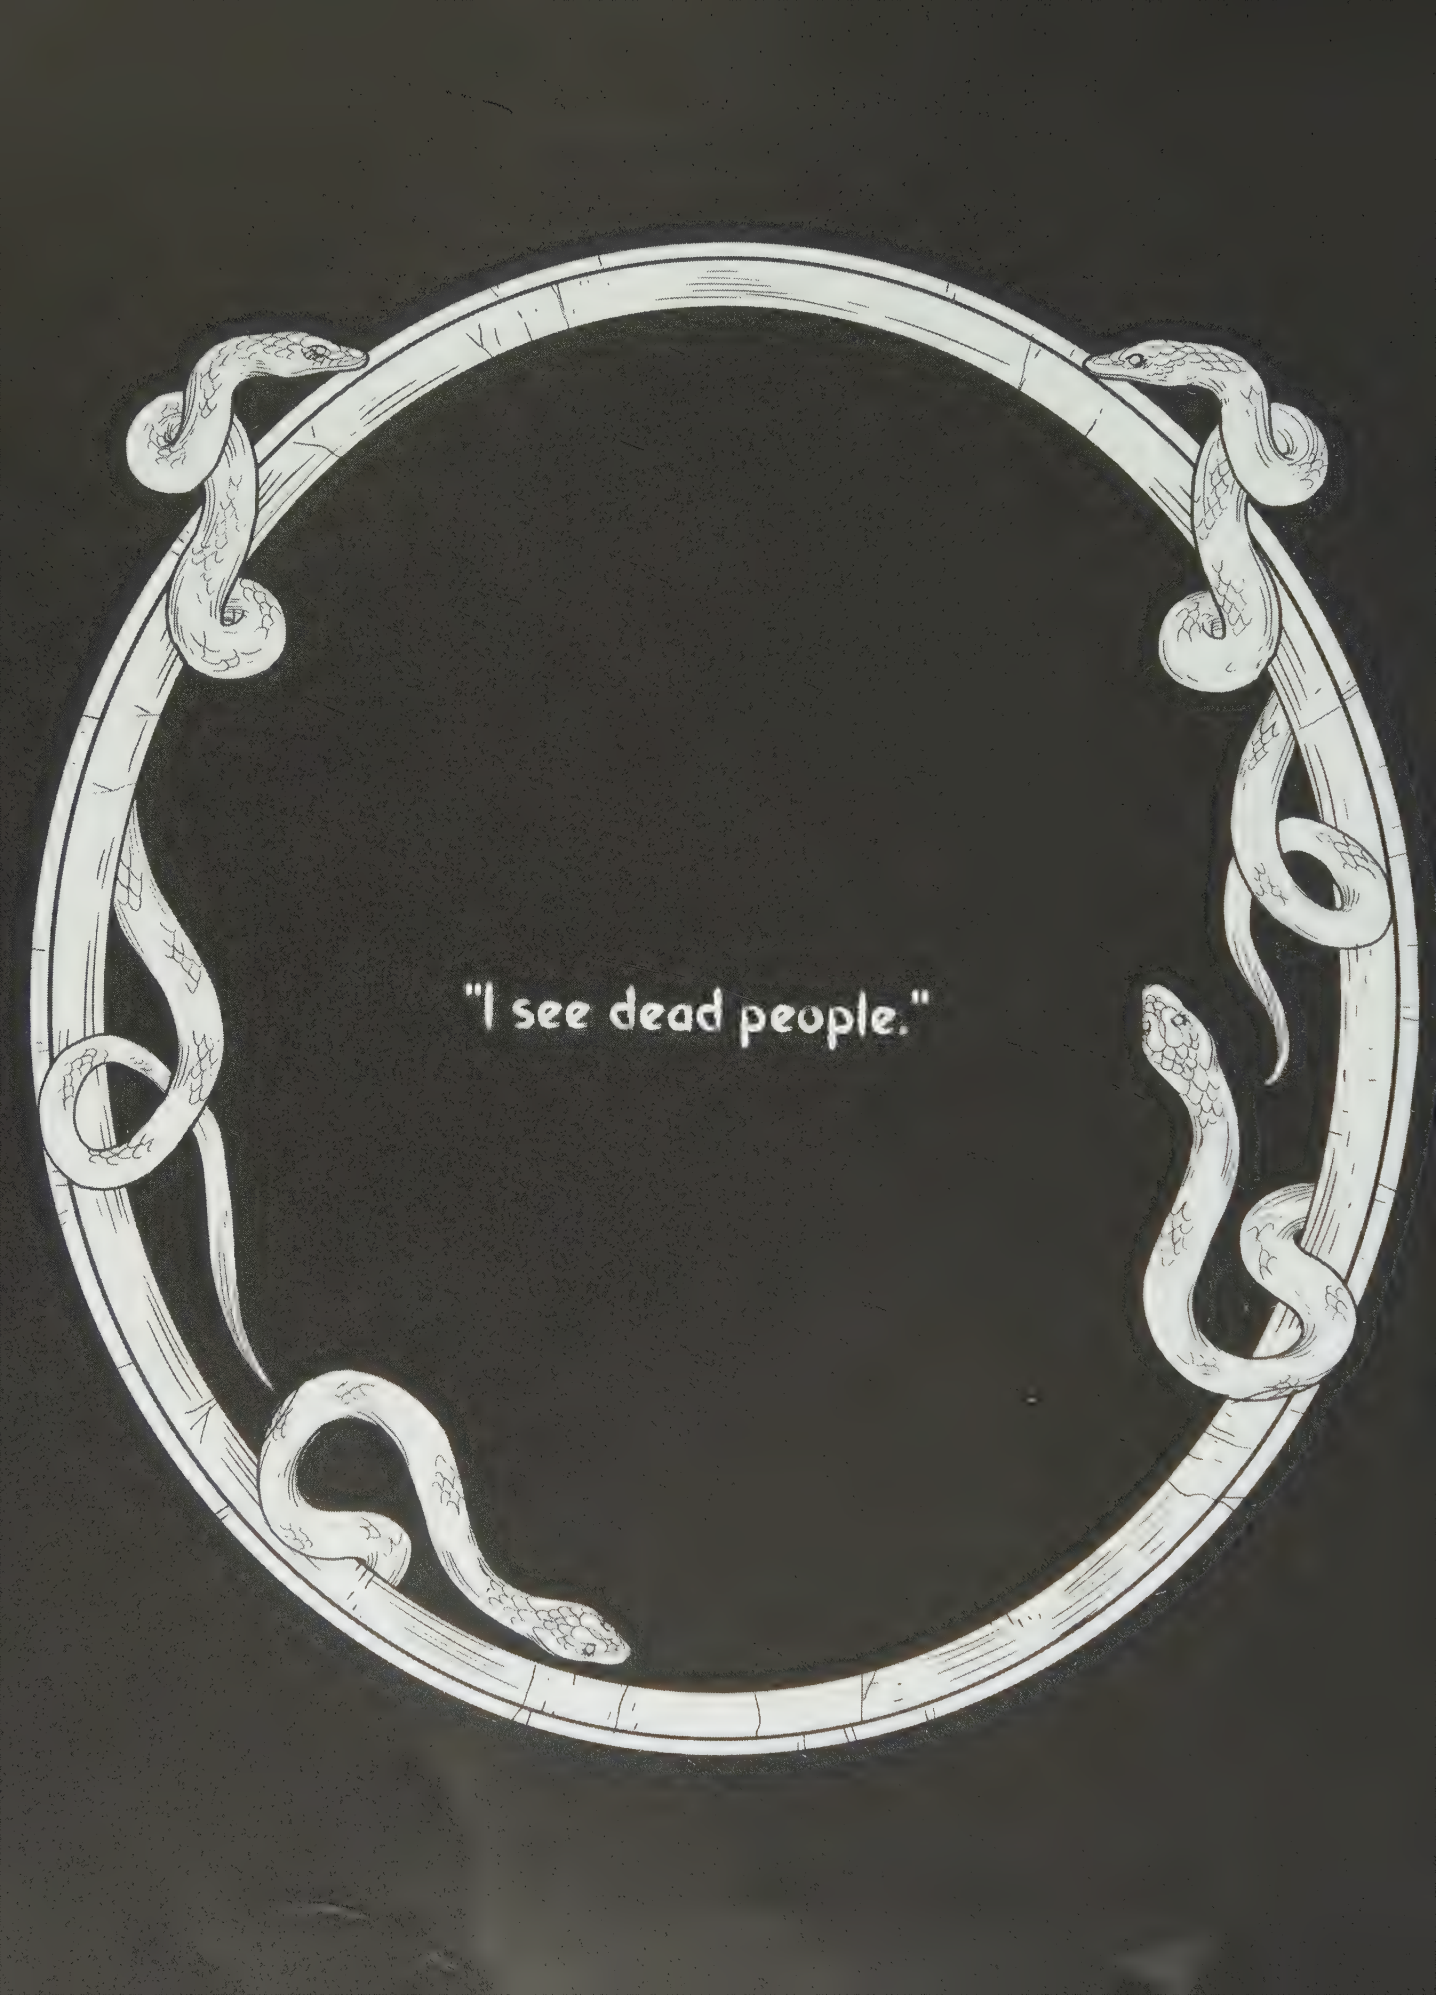

"When there's no more room in
hell, the dead will walk the
earth."

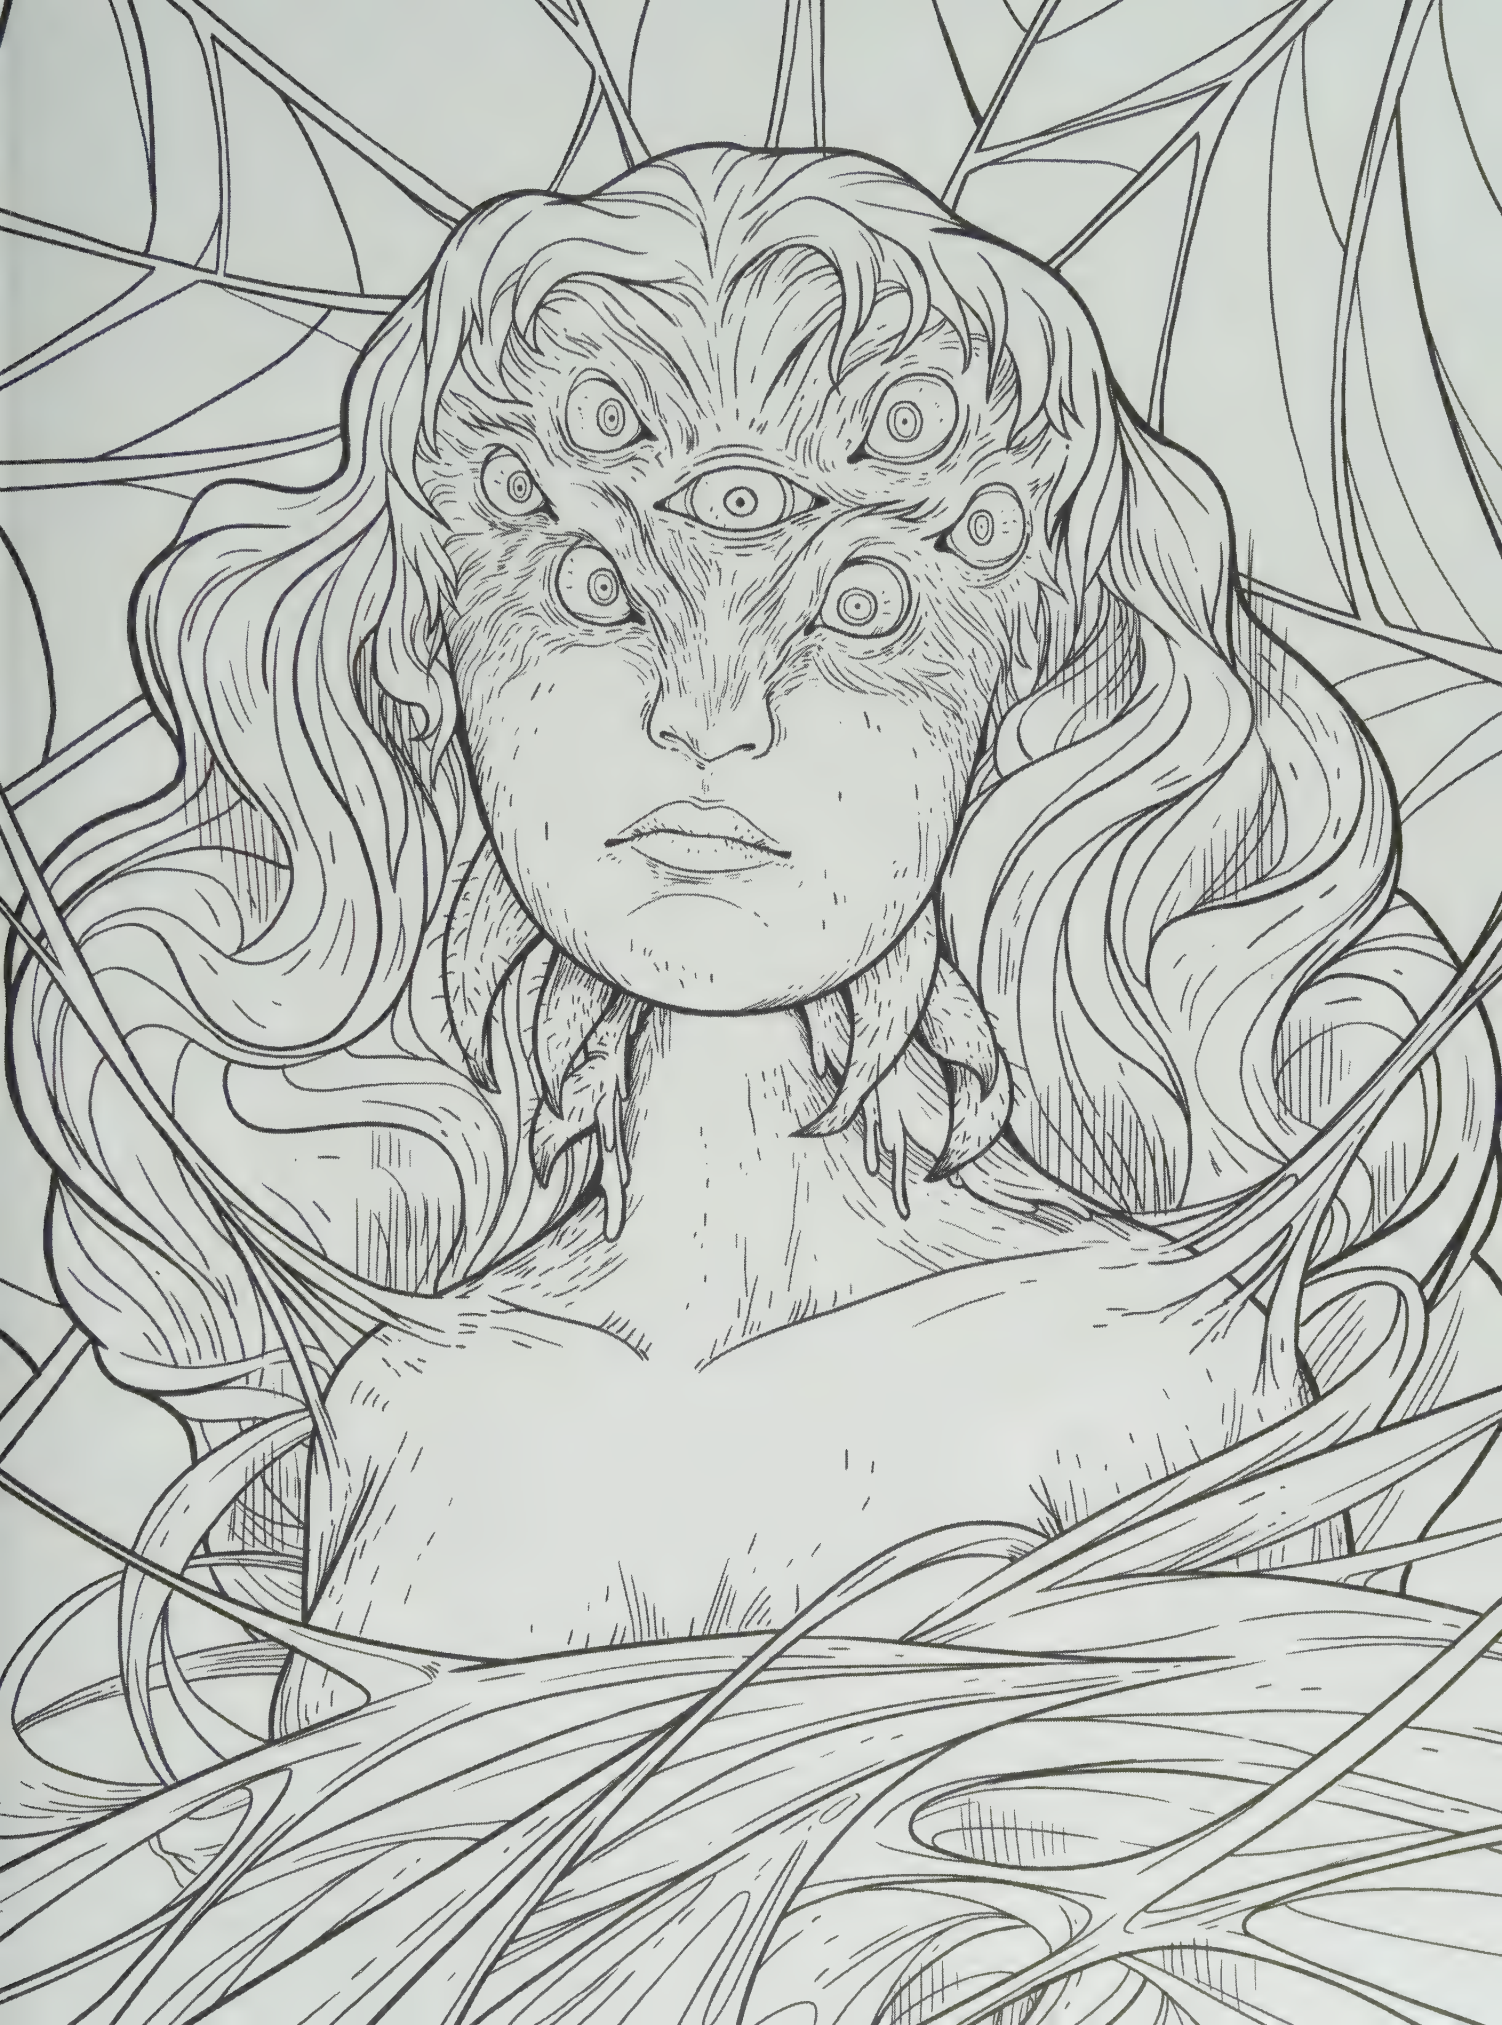

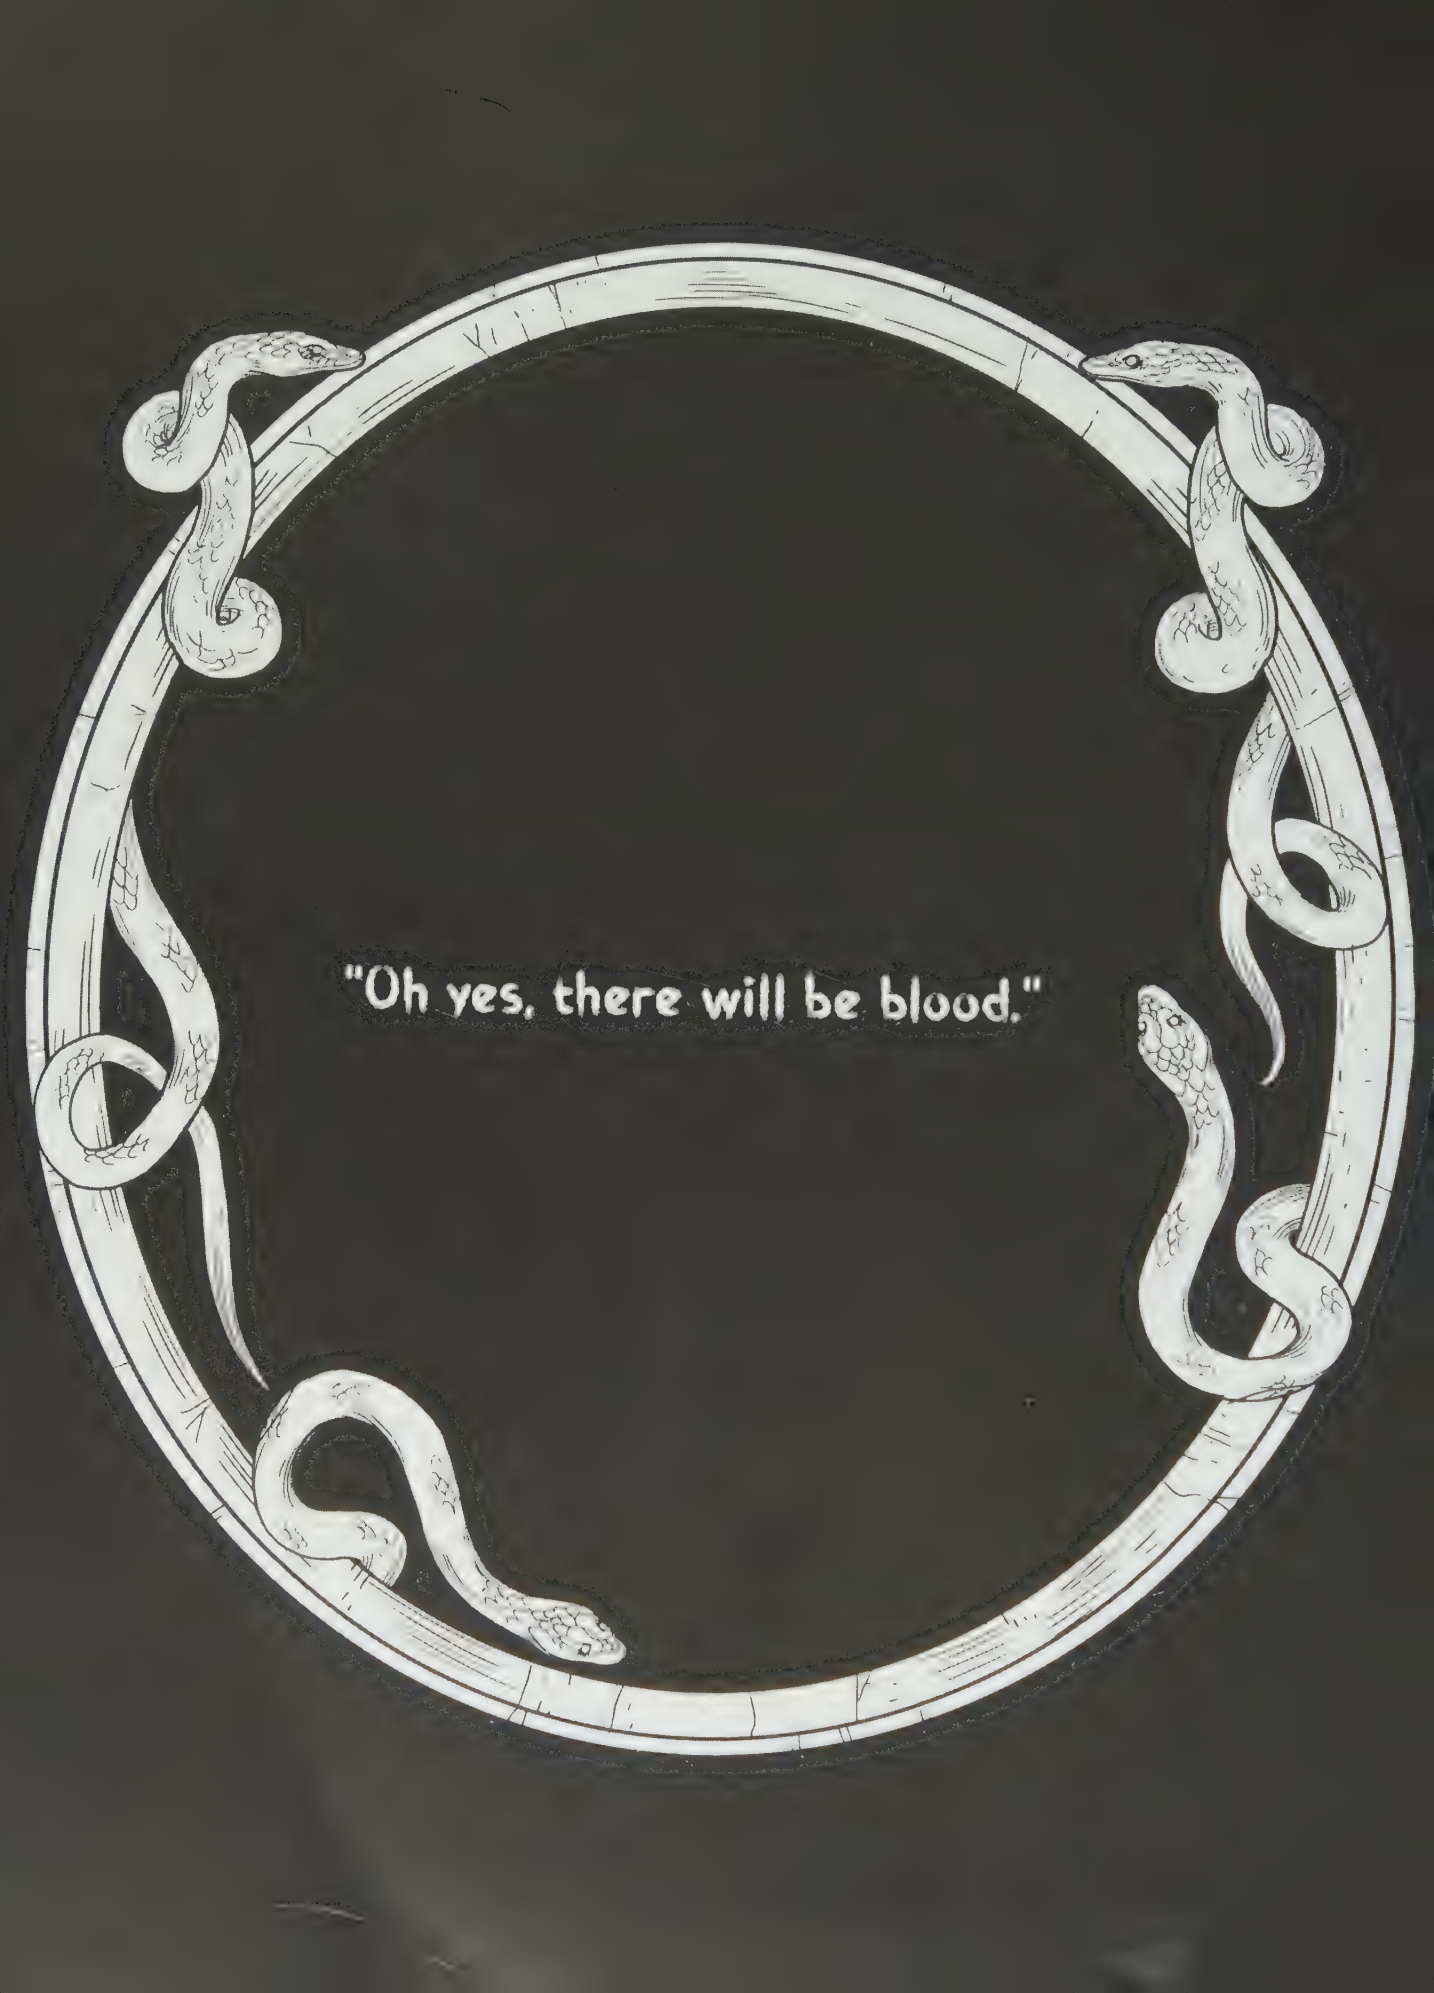

"Save your tears. I'll reap your
sorrow slowly. I have centuries to
discover the things that make
you whimper."

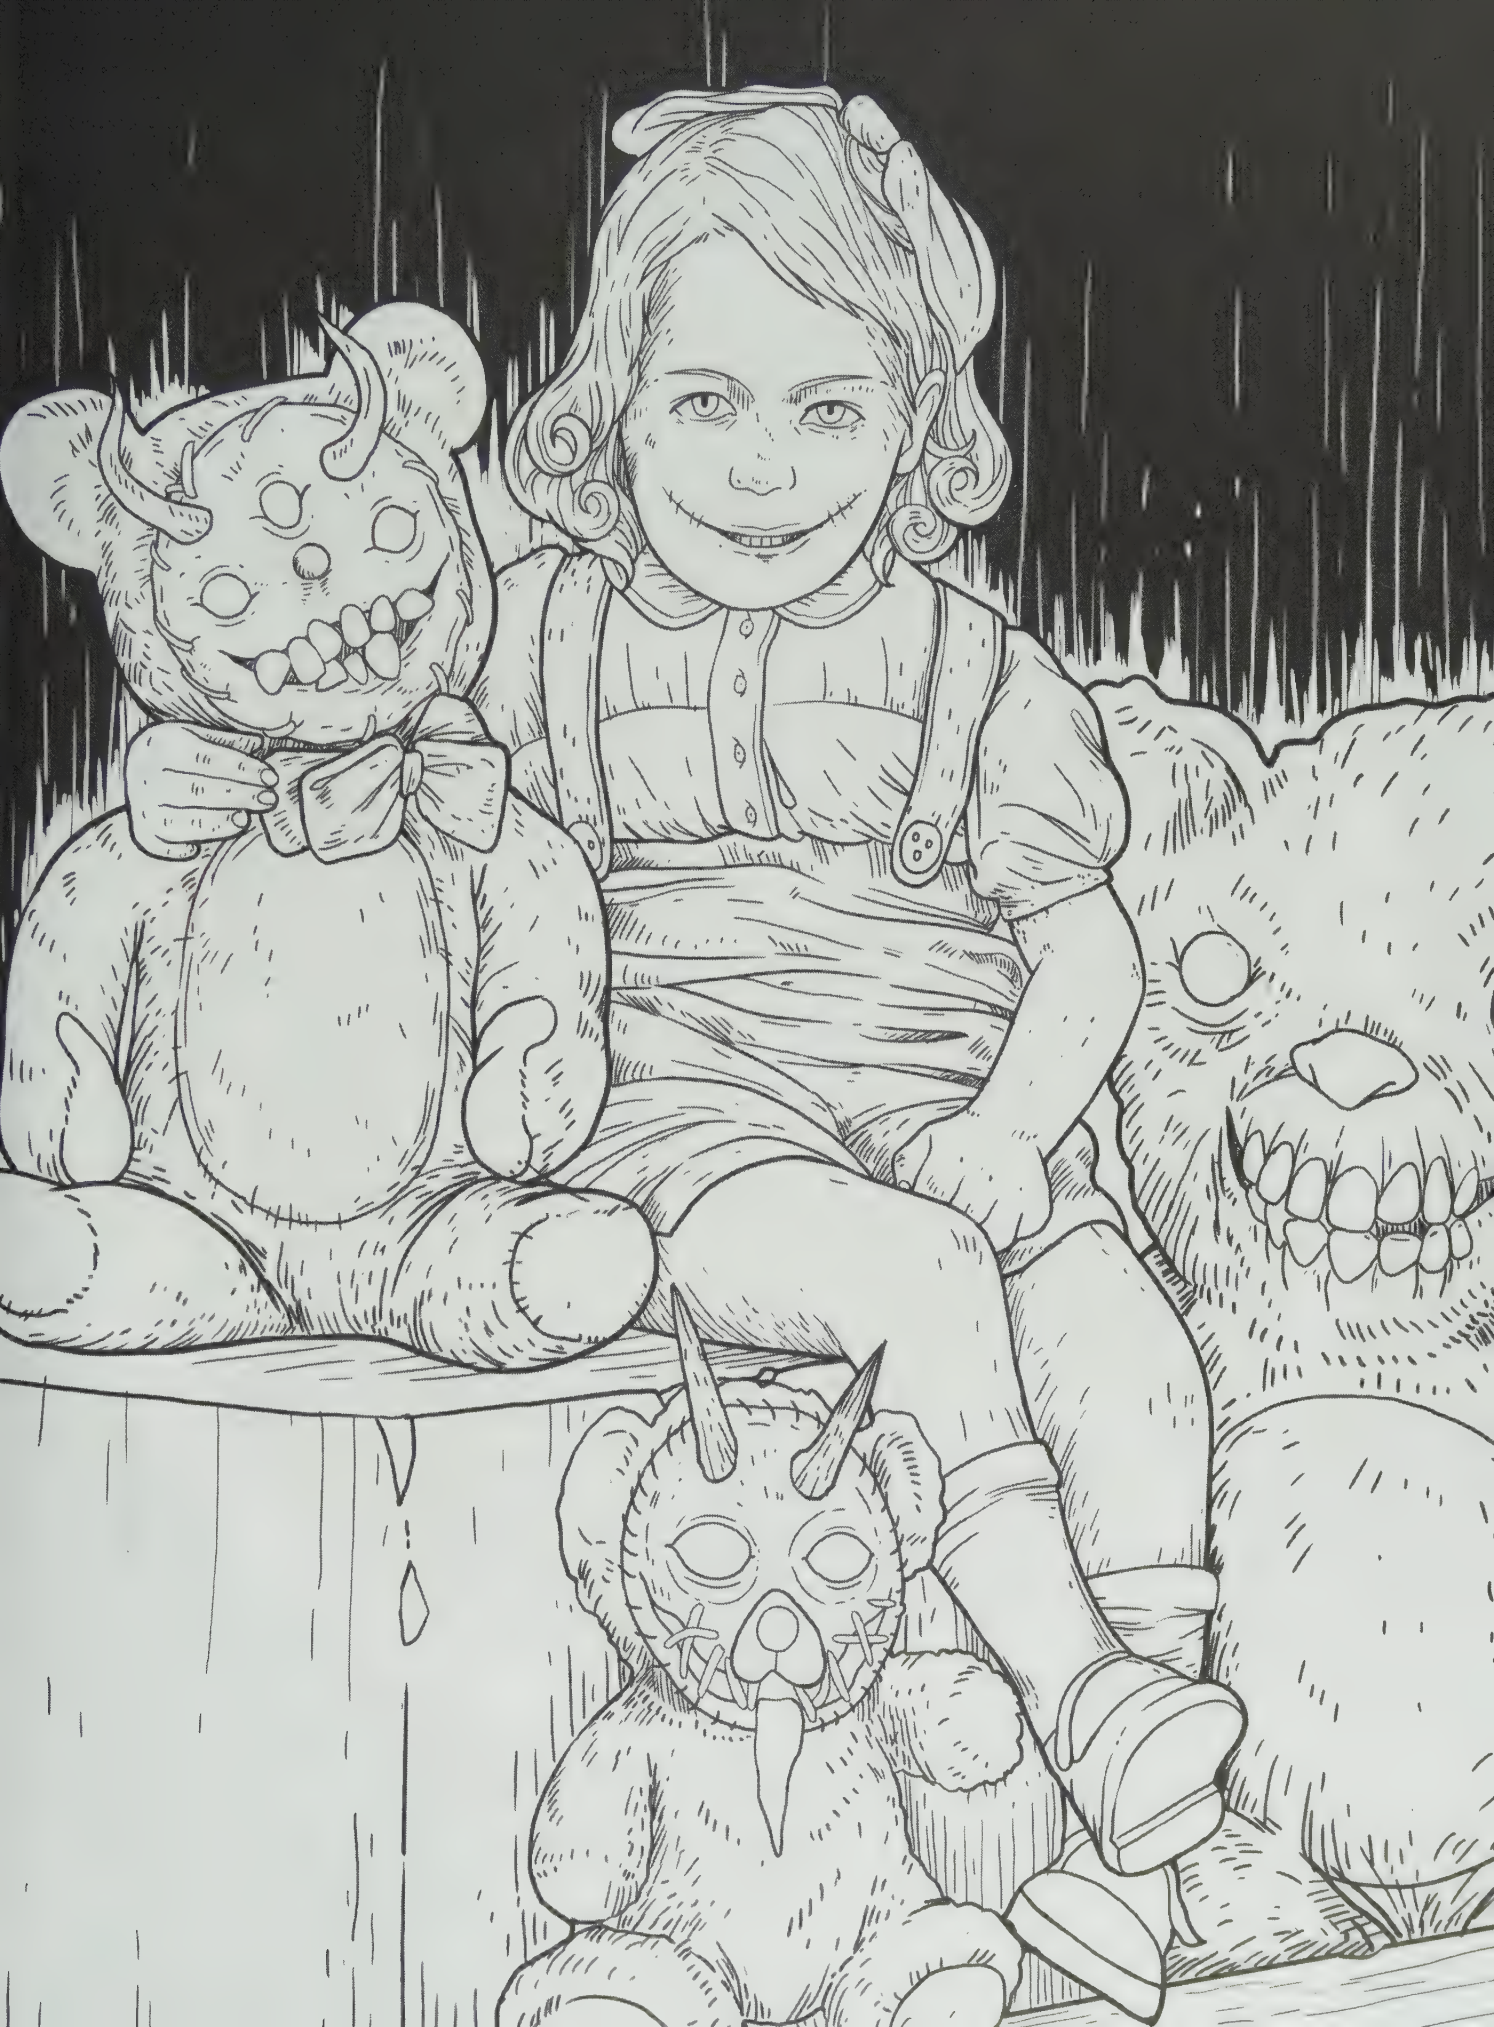

"I see dead people."

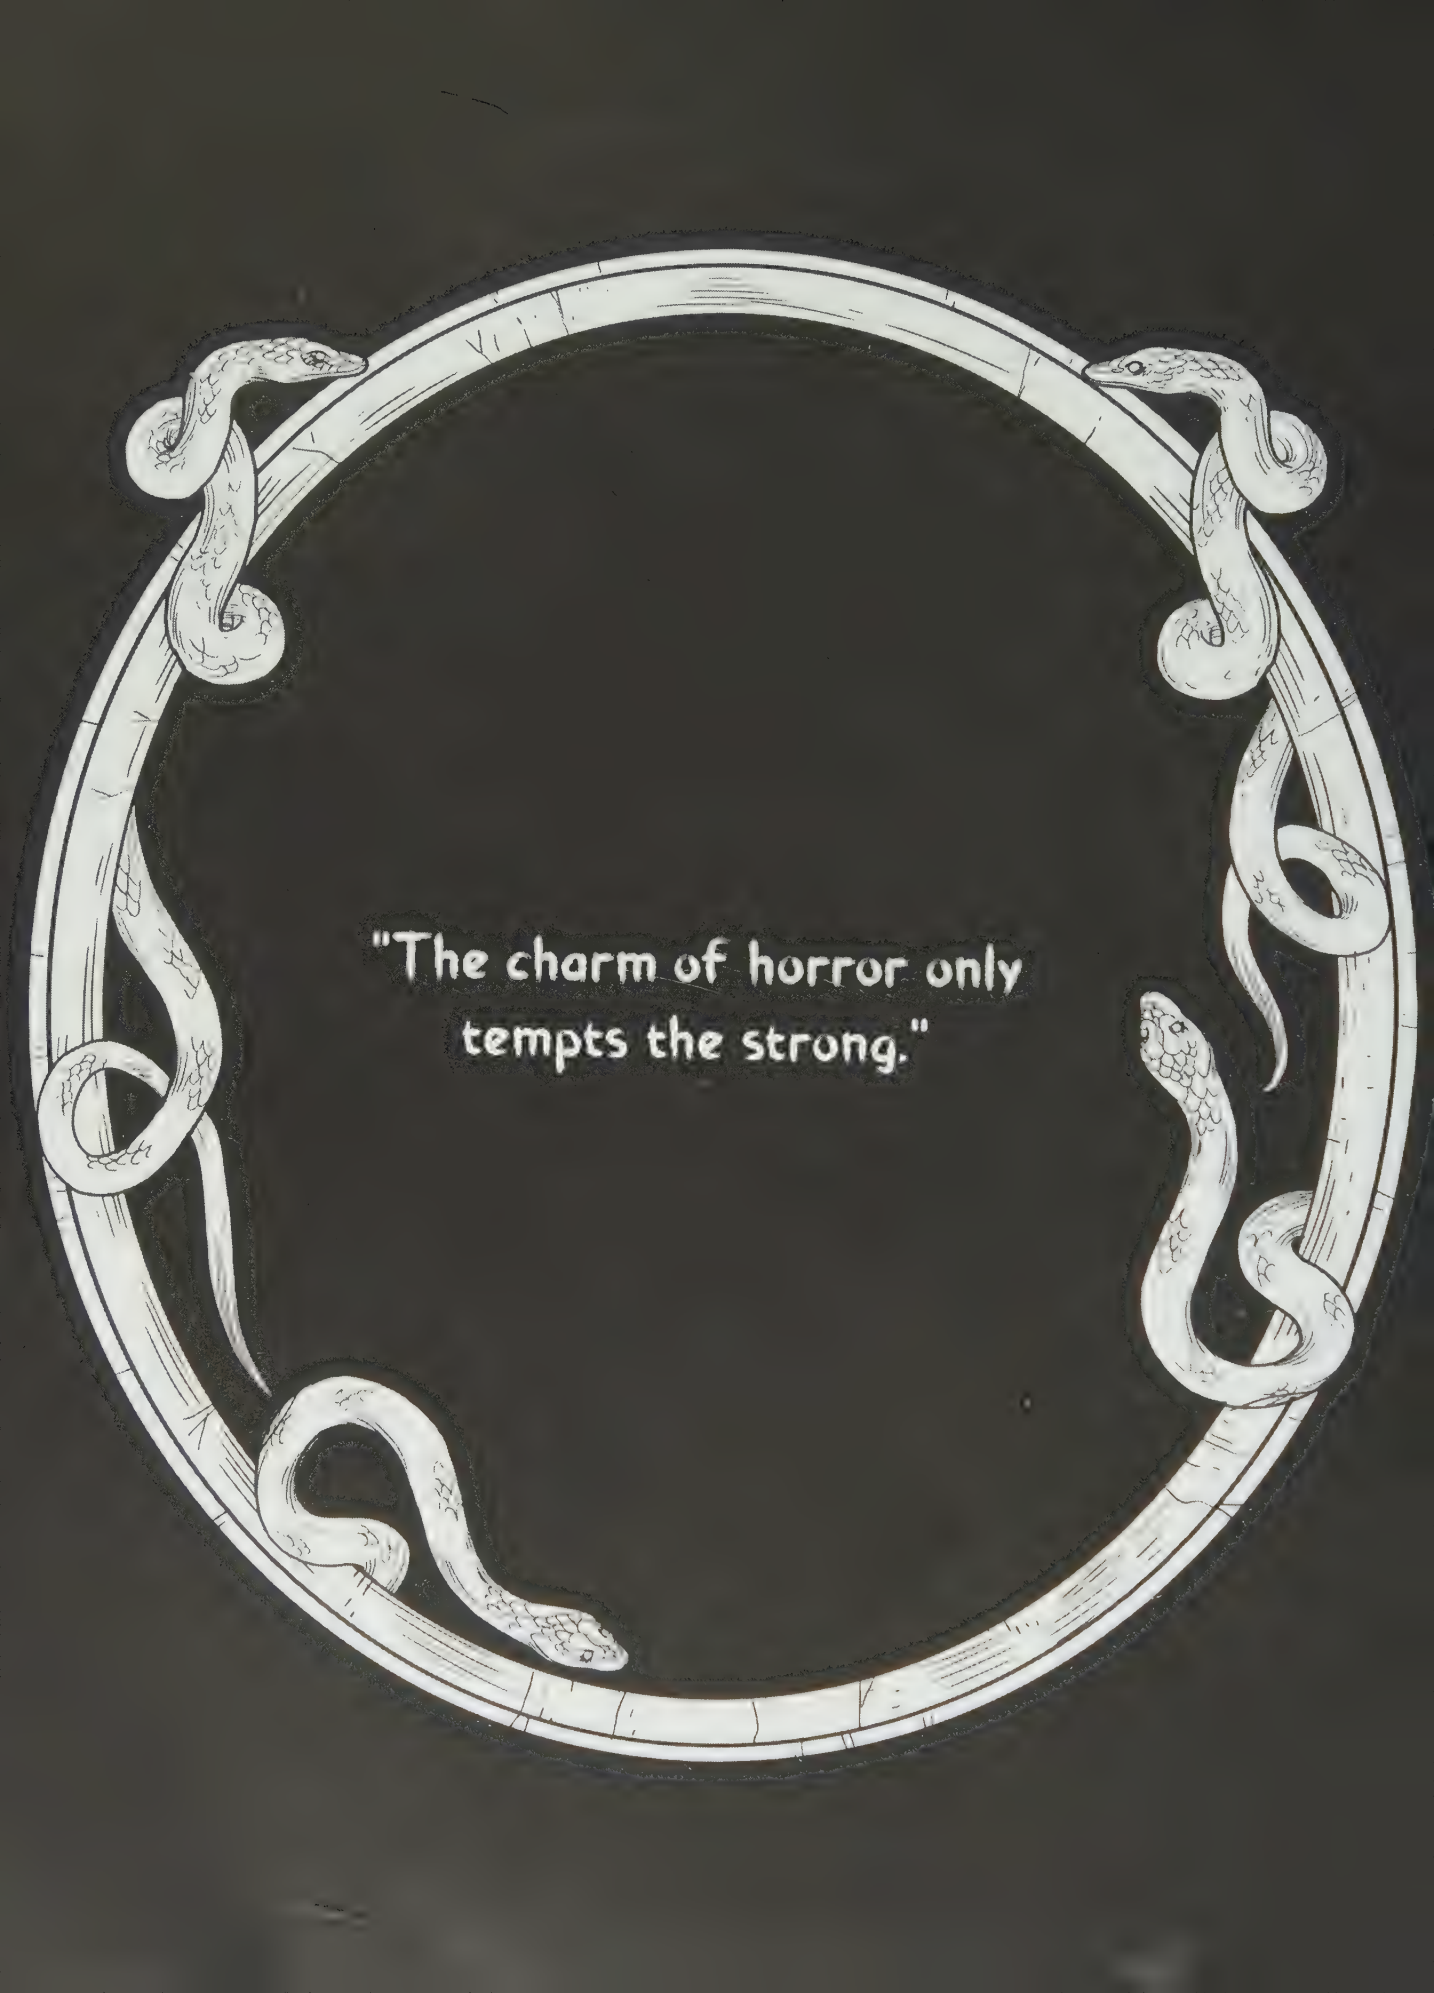

"Oh yes, there will be blood."

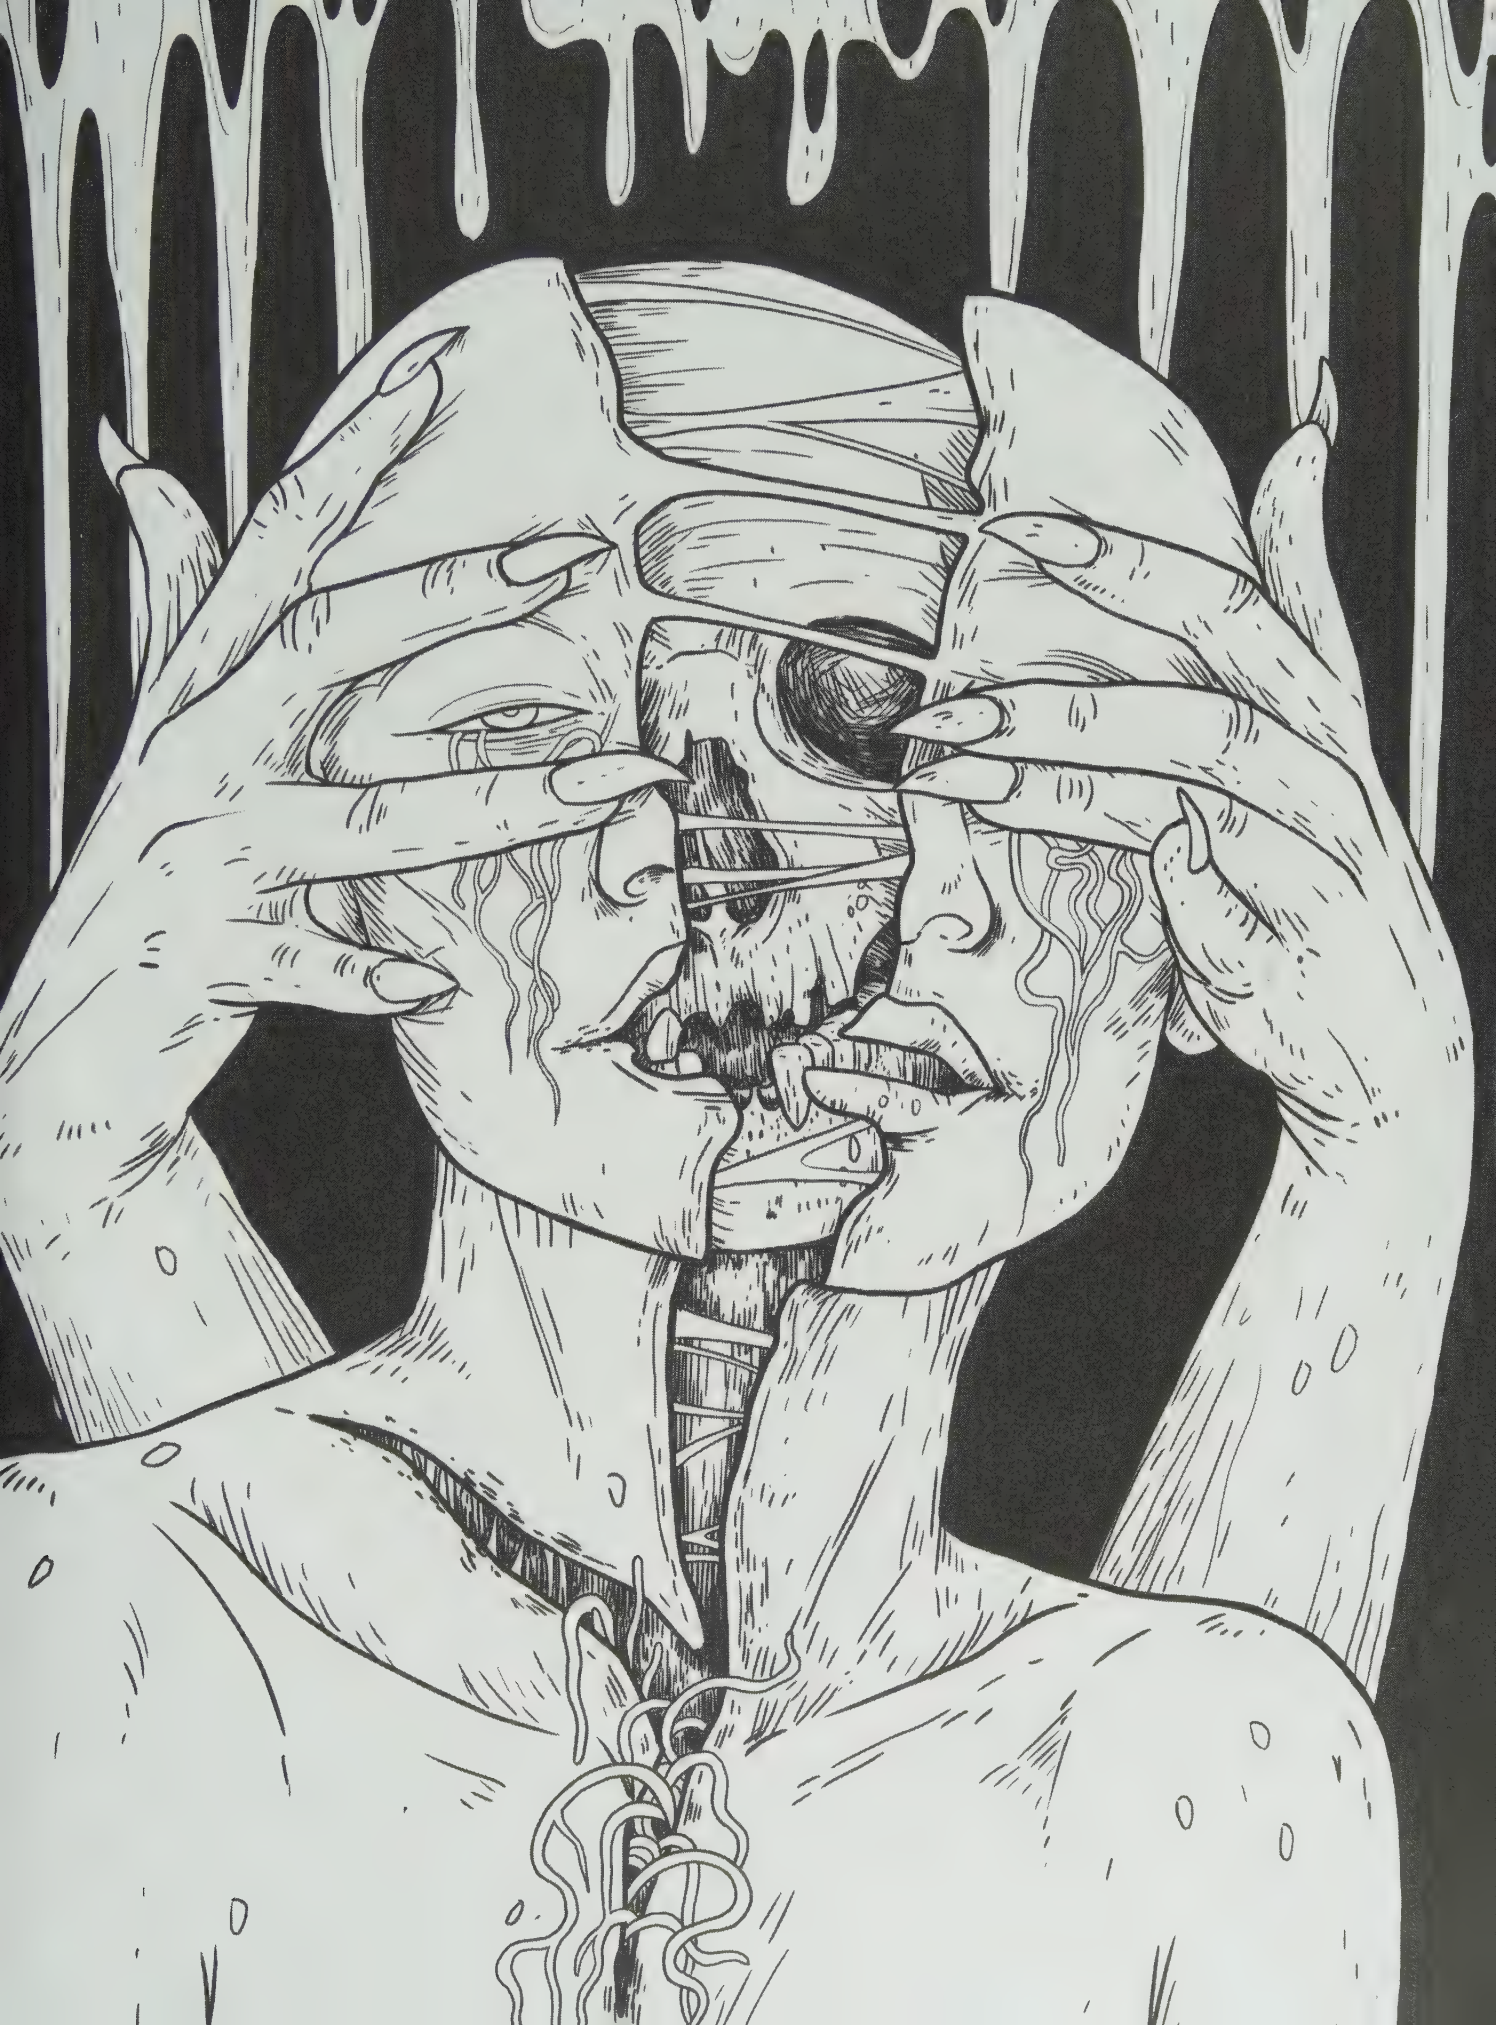

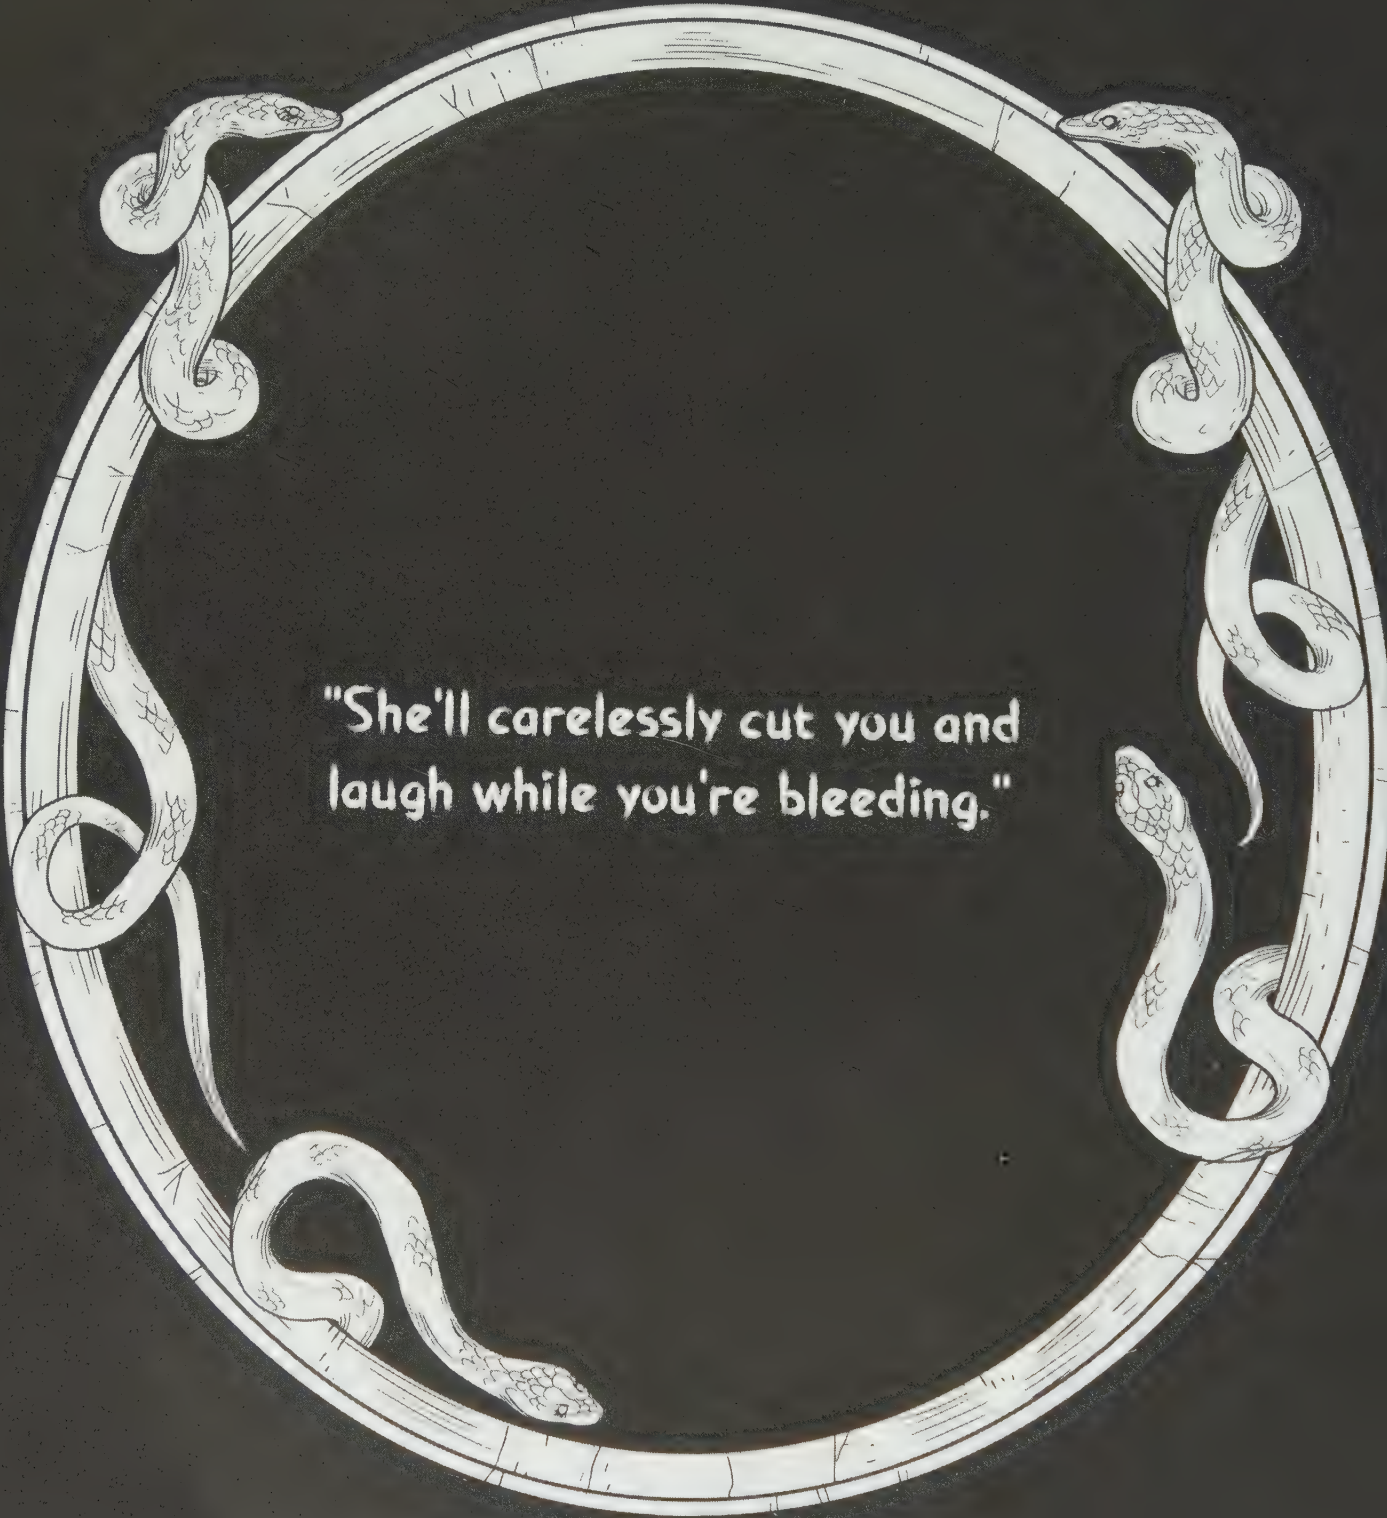

"Sometimes dead is better."

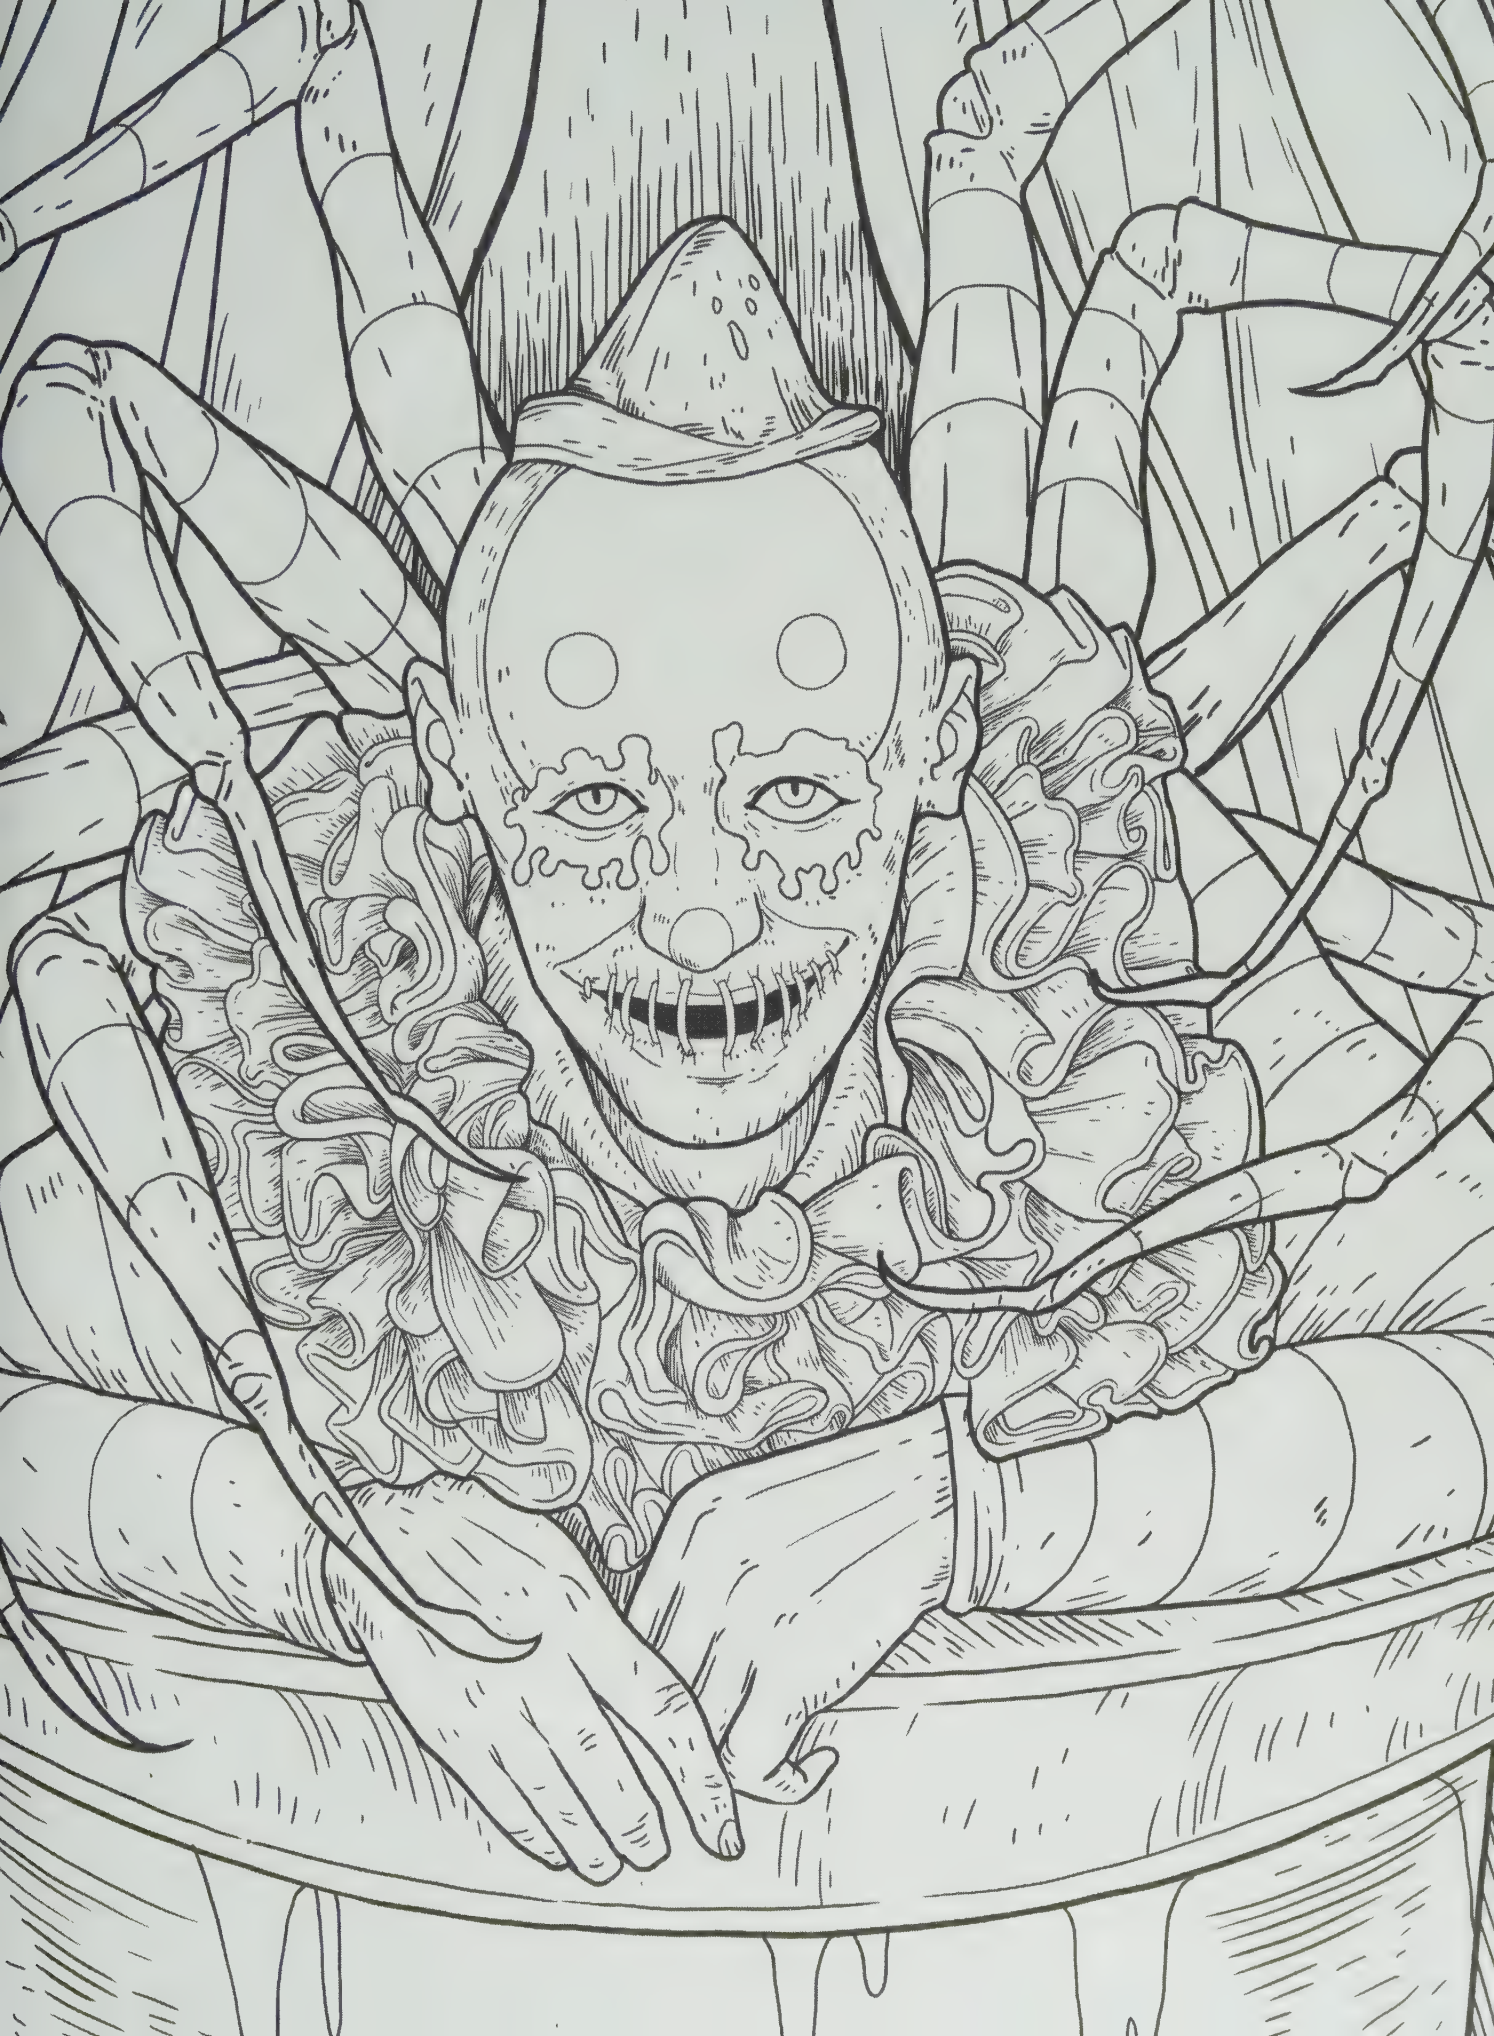

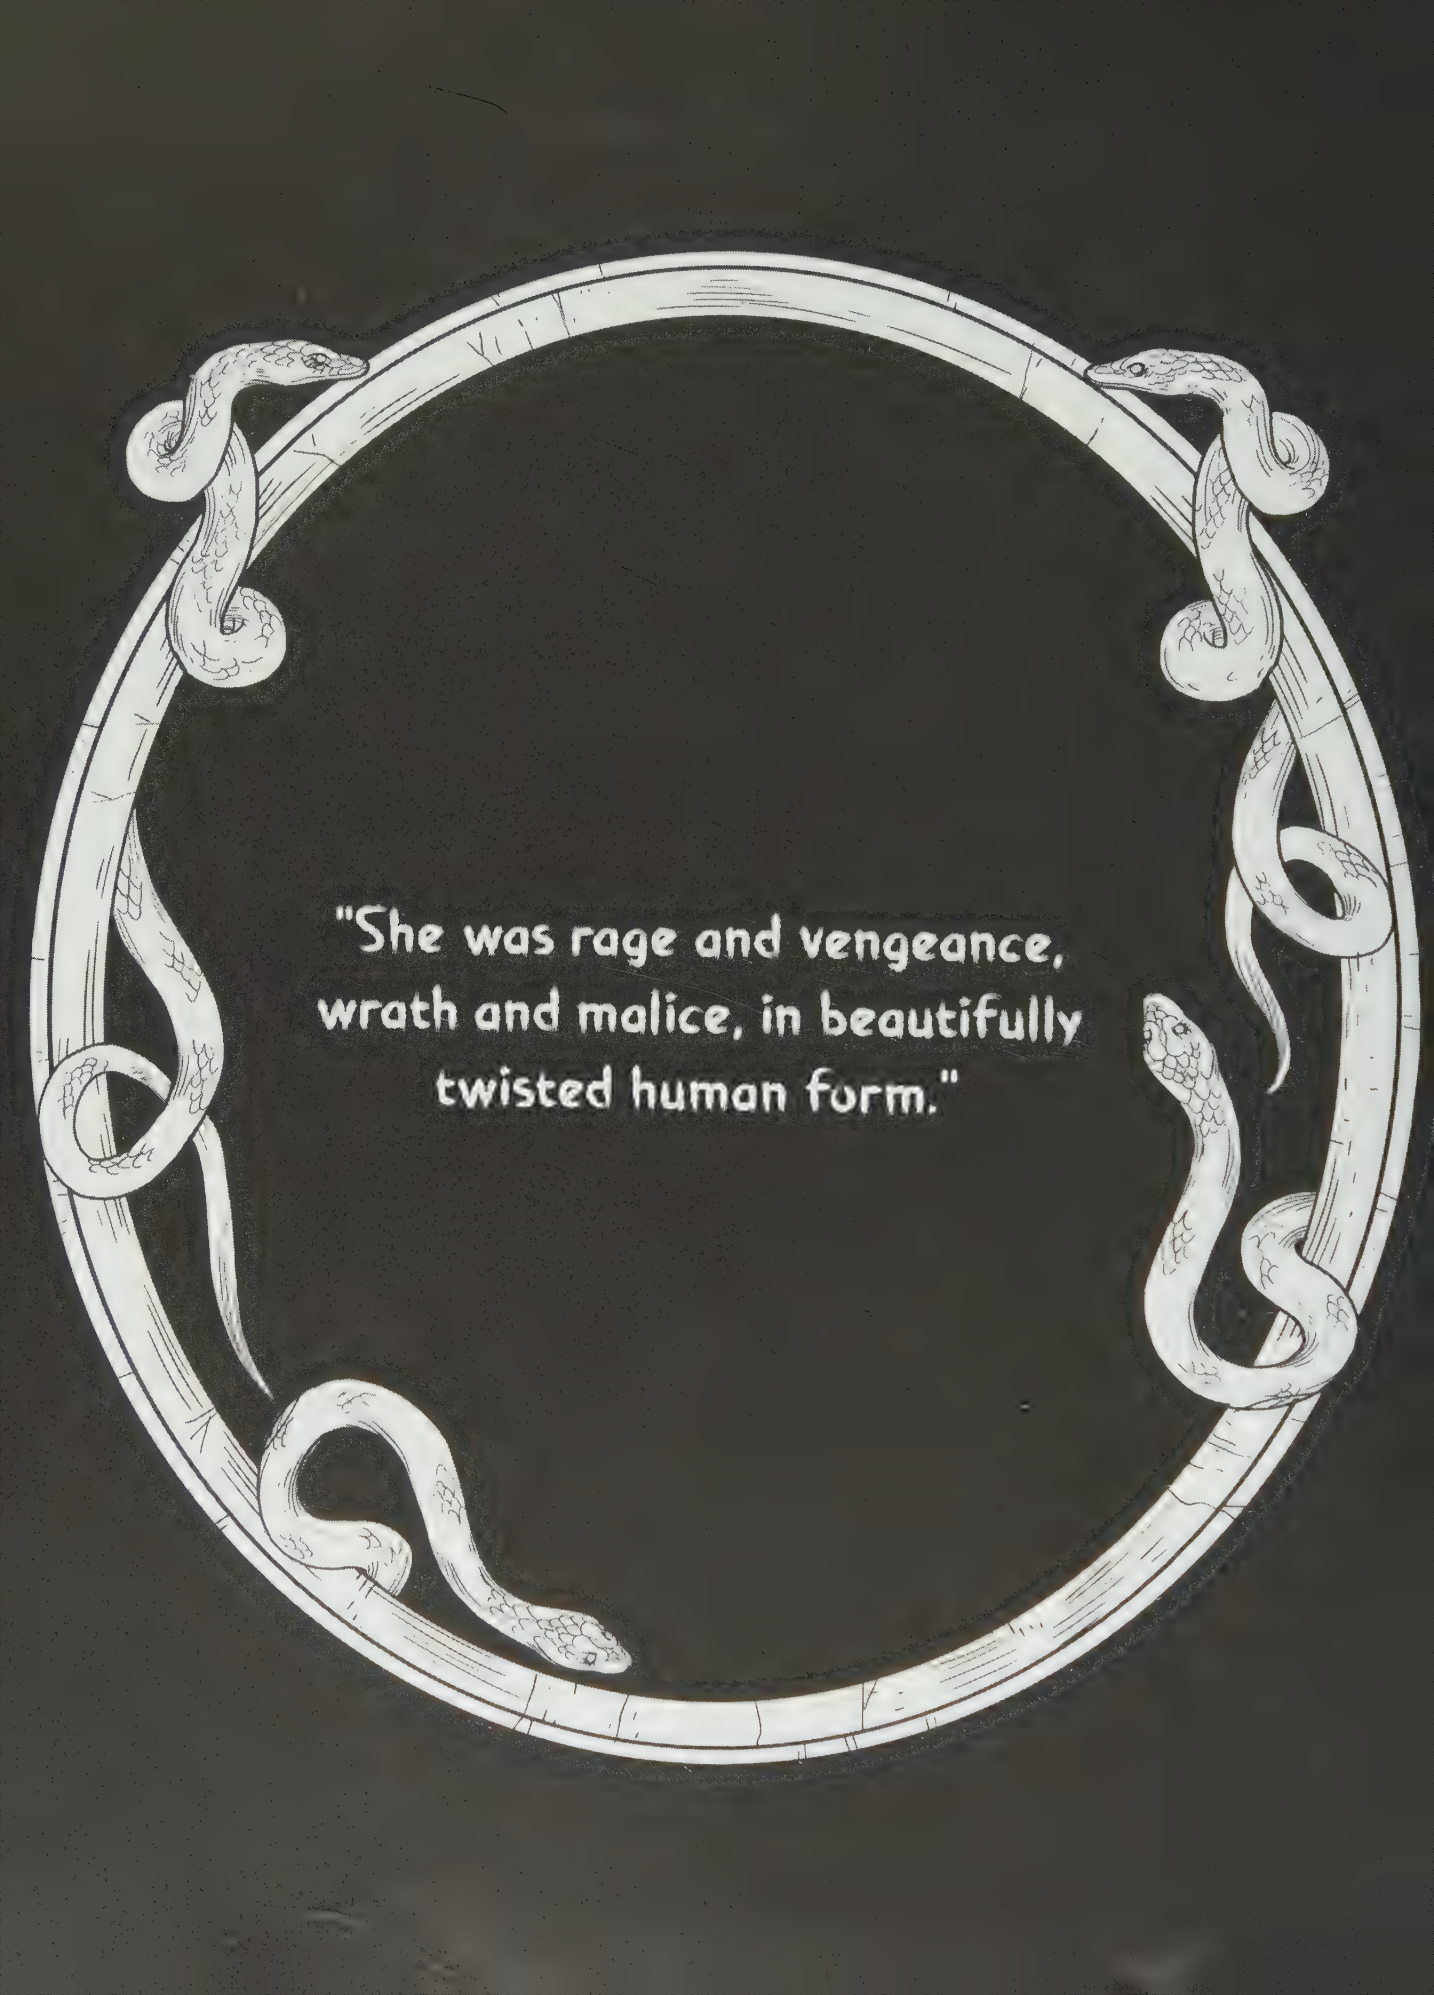

"The charm of horror only
tempts the strong."

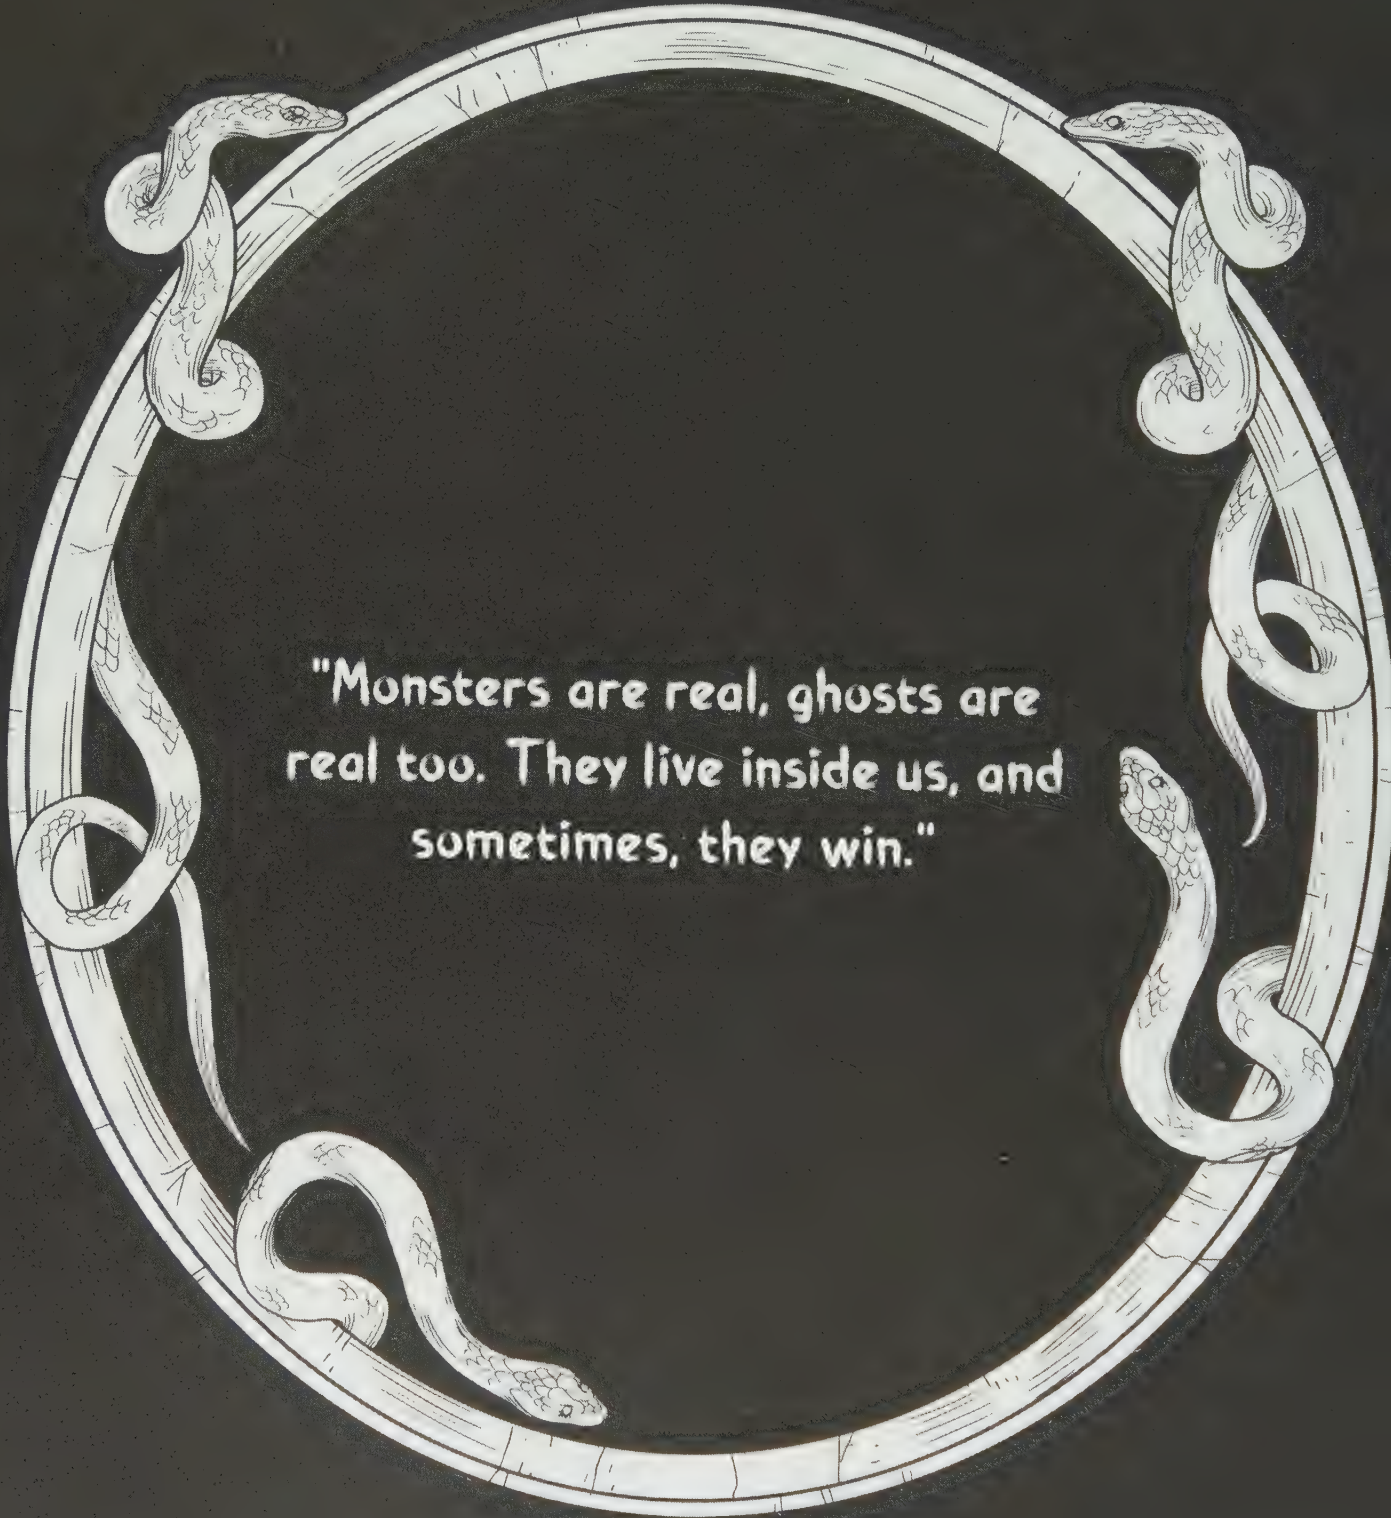

"She'll carelessly cut you and
laugh while you're bleeding."

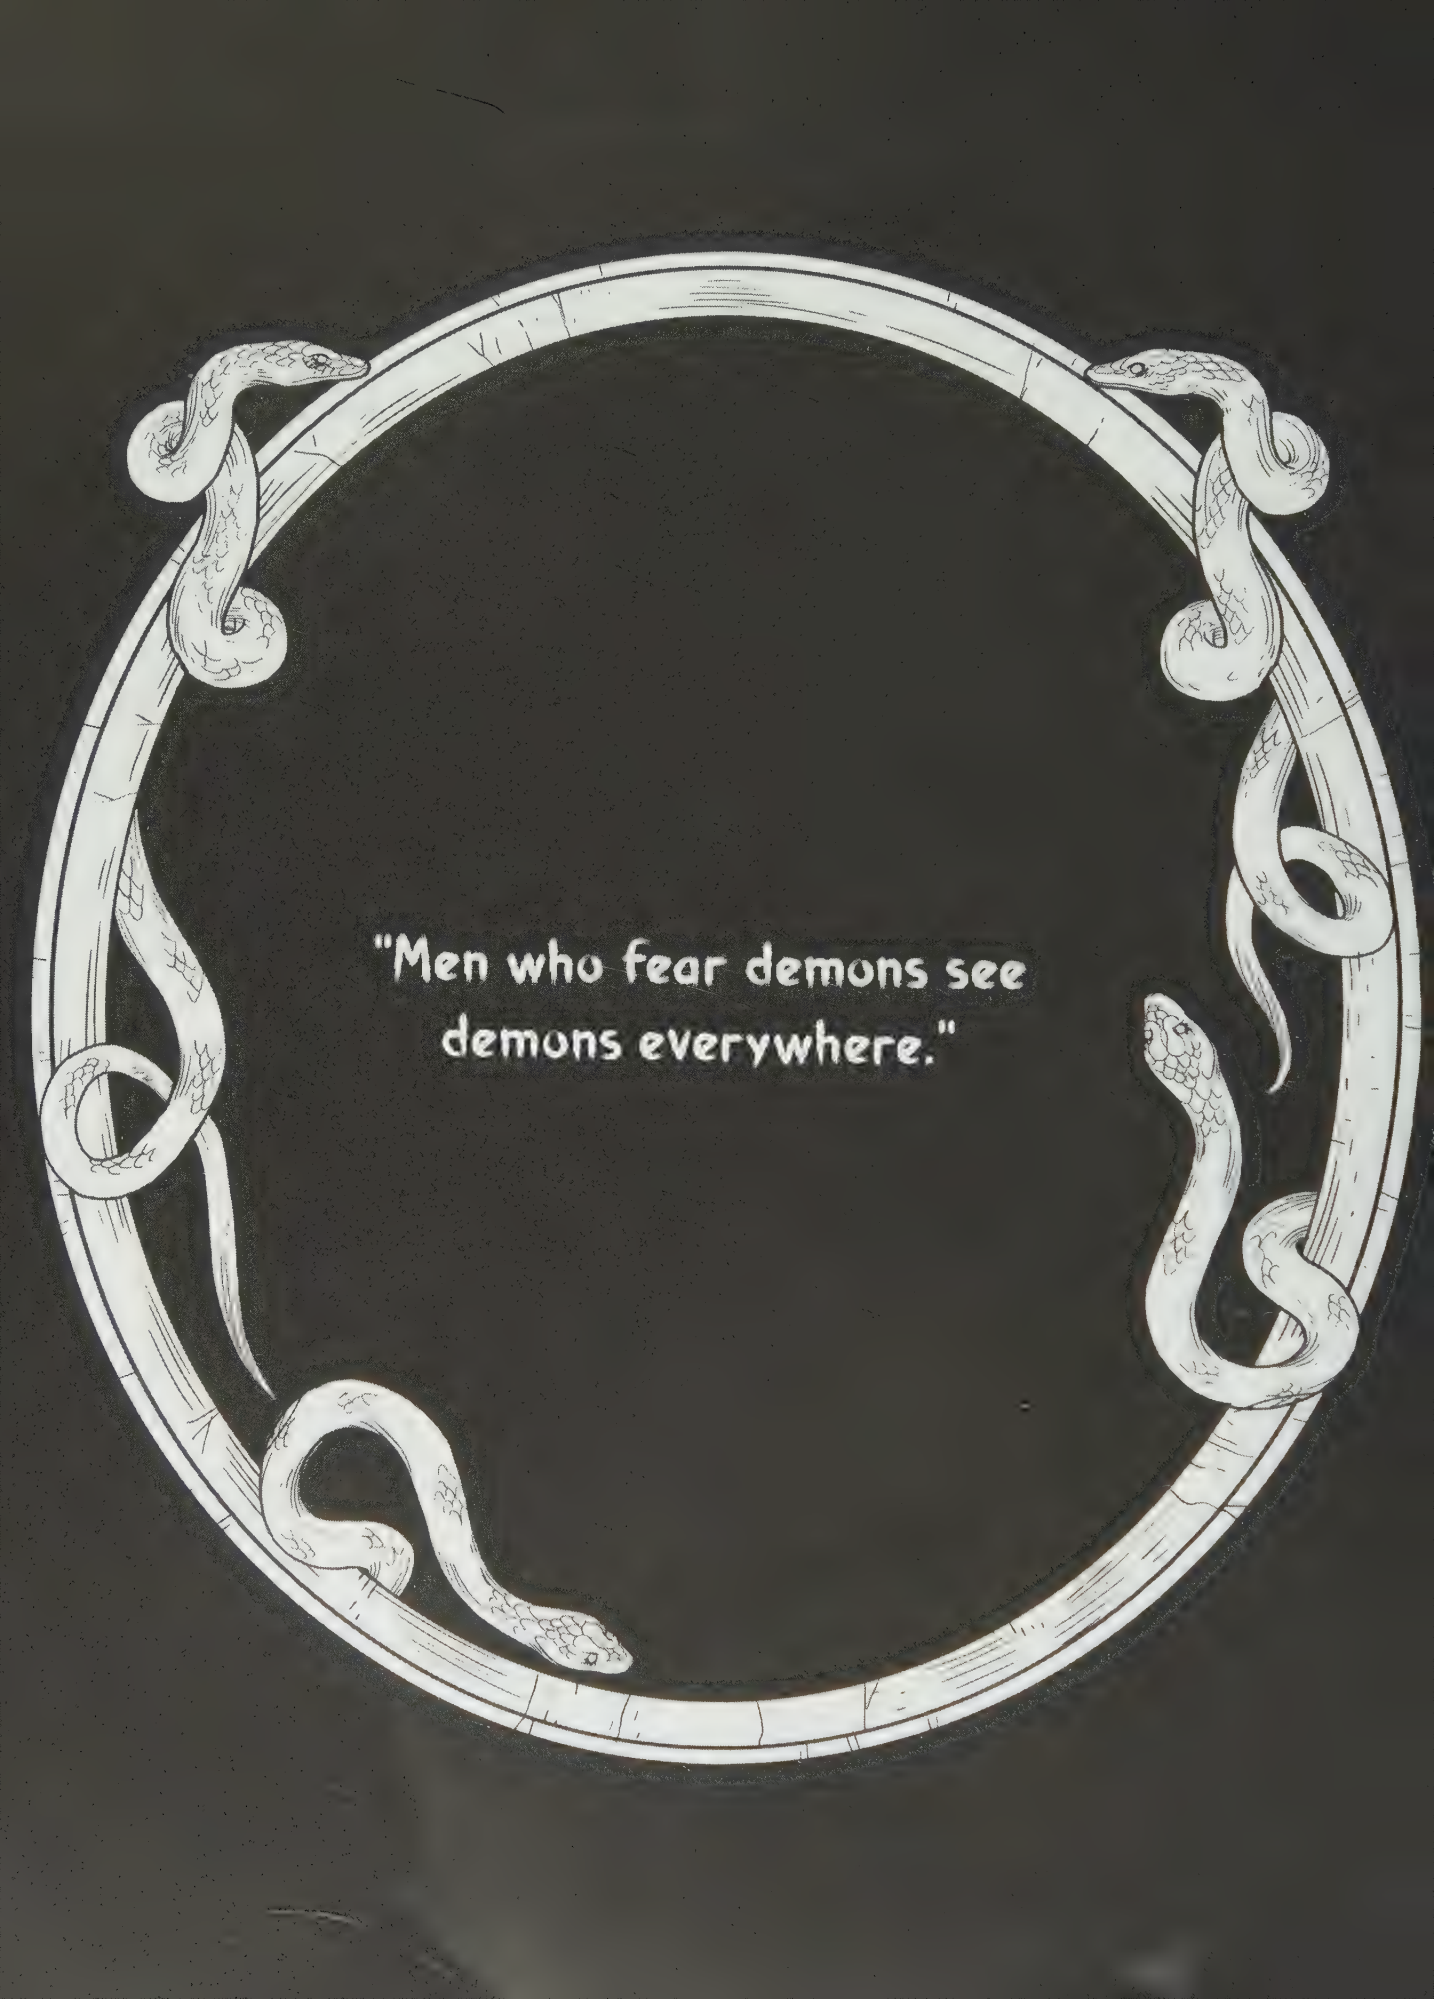

"She was rage and vengeance,
wrath and malice, in beautifully
twisted human form."

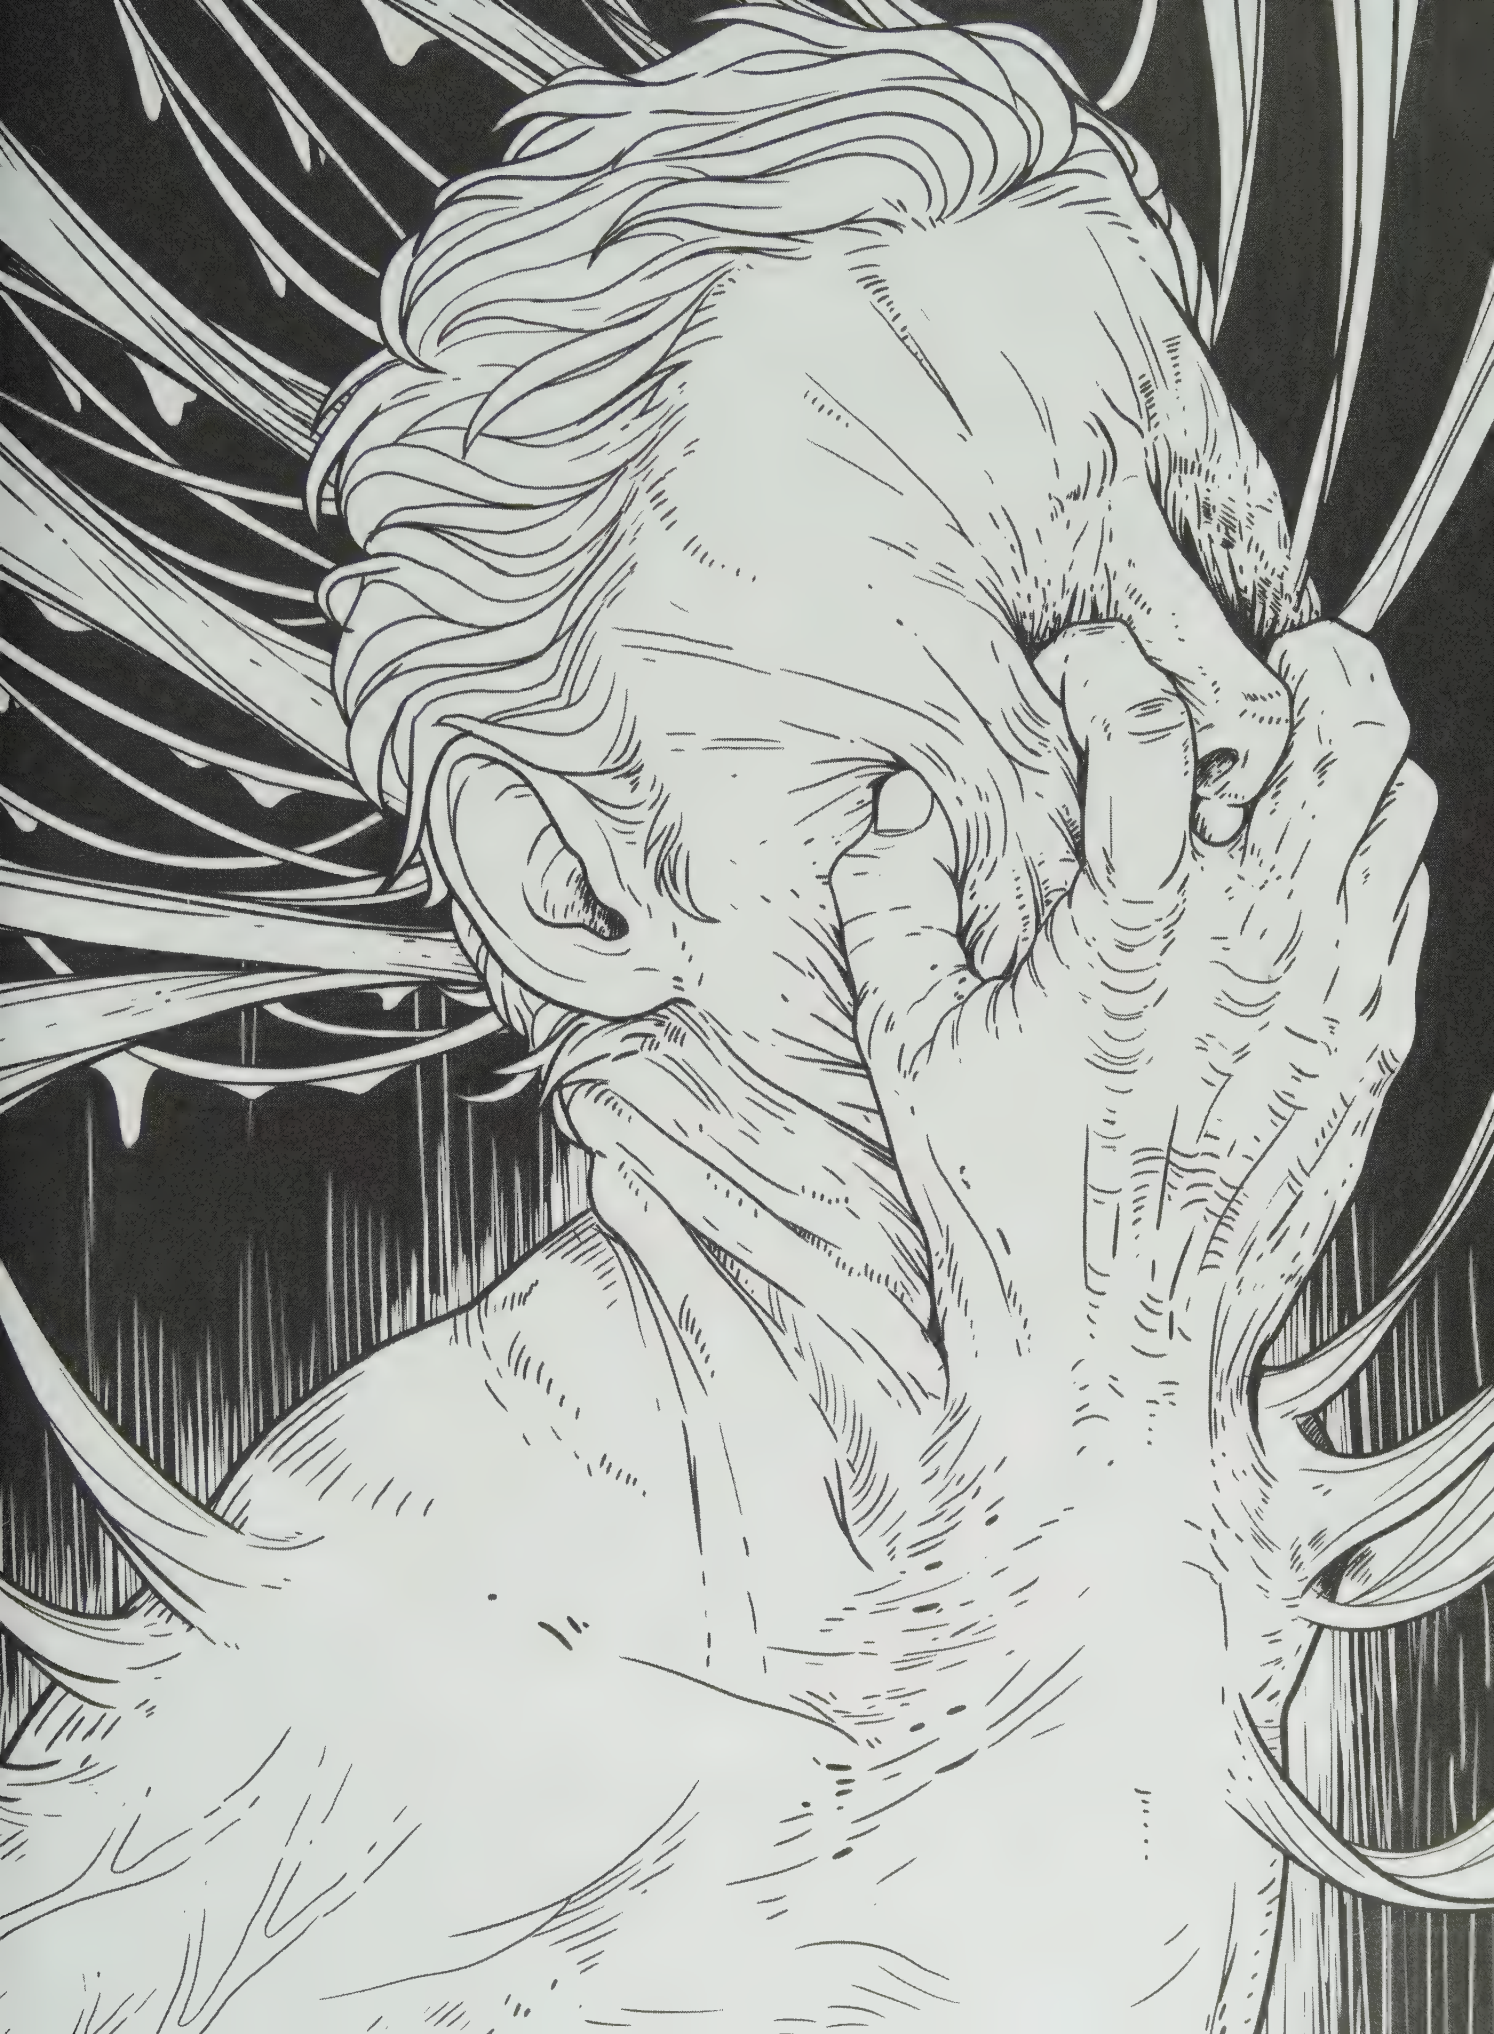

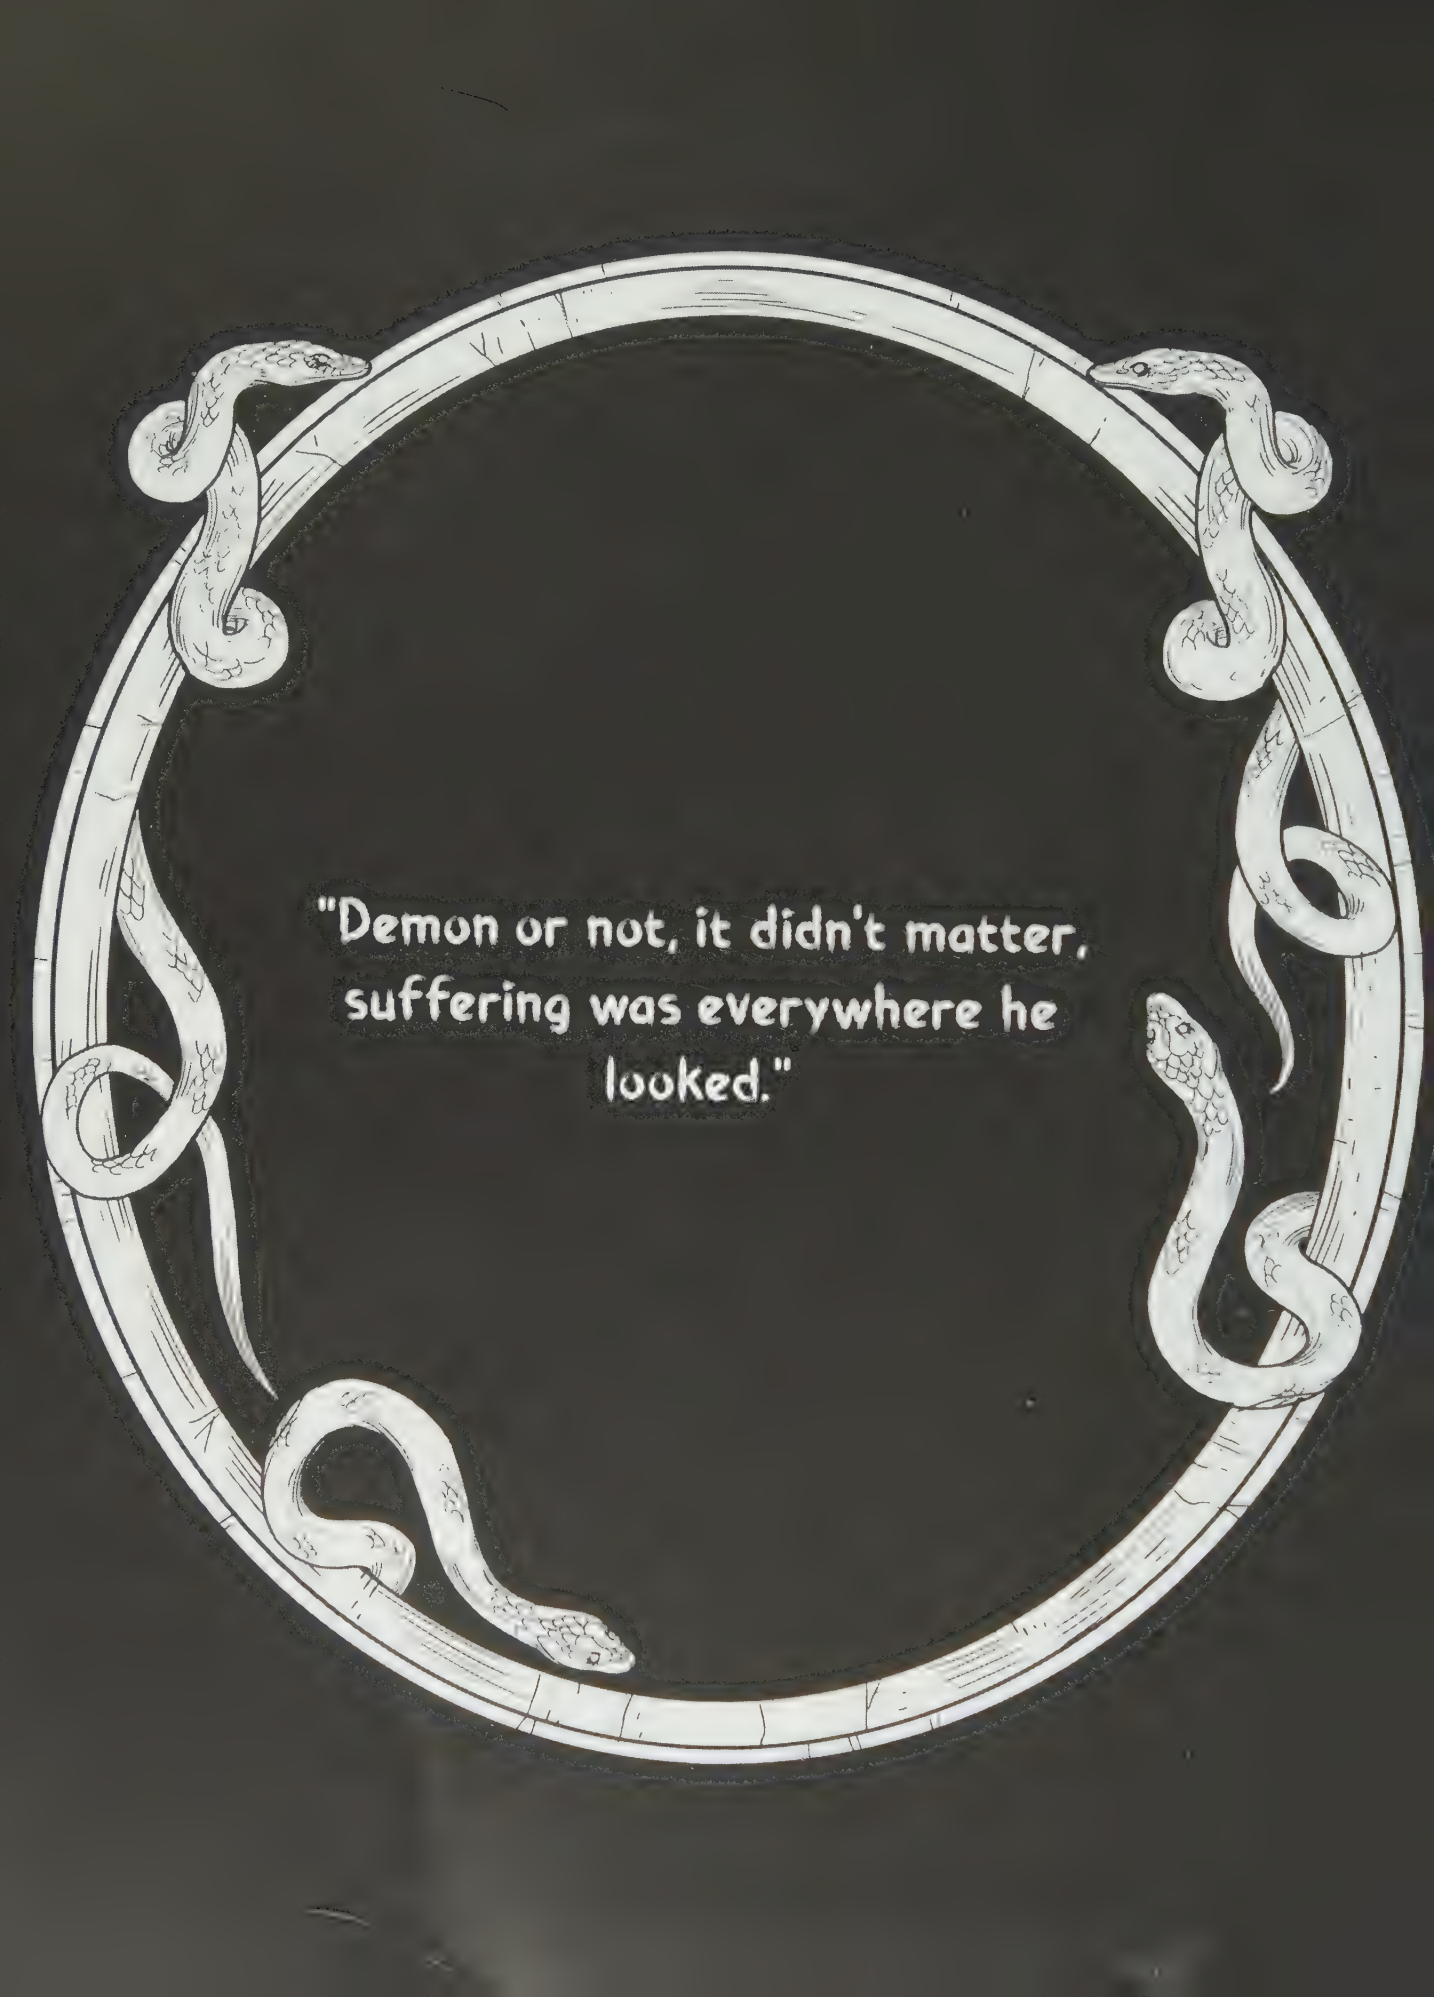

"Monsters are real, ghosts are
real too. They live inside us, and
sometimes, they win."

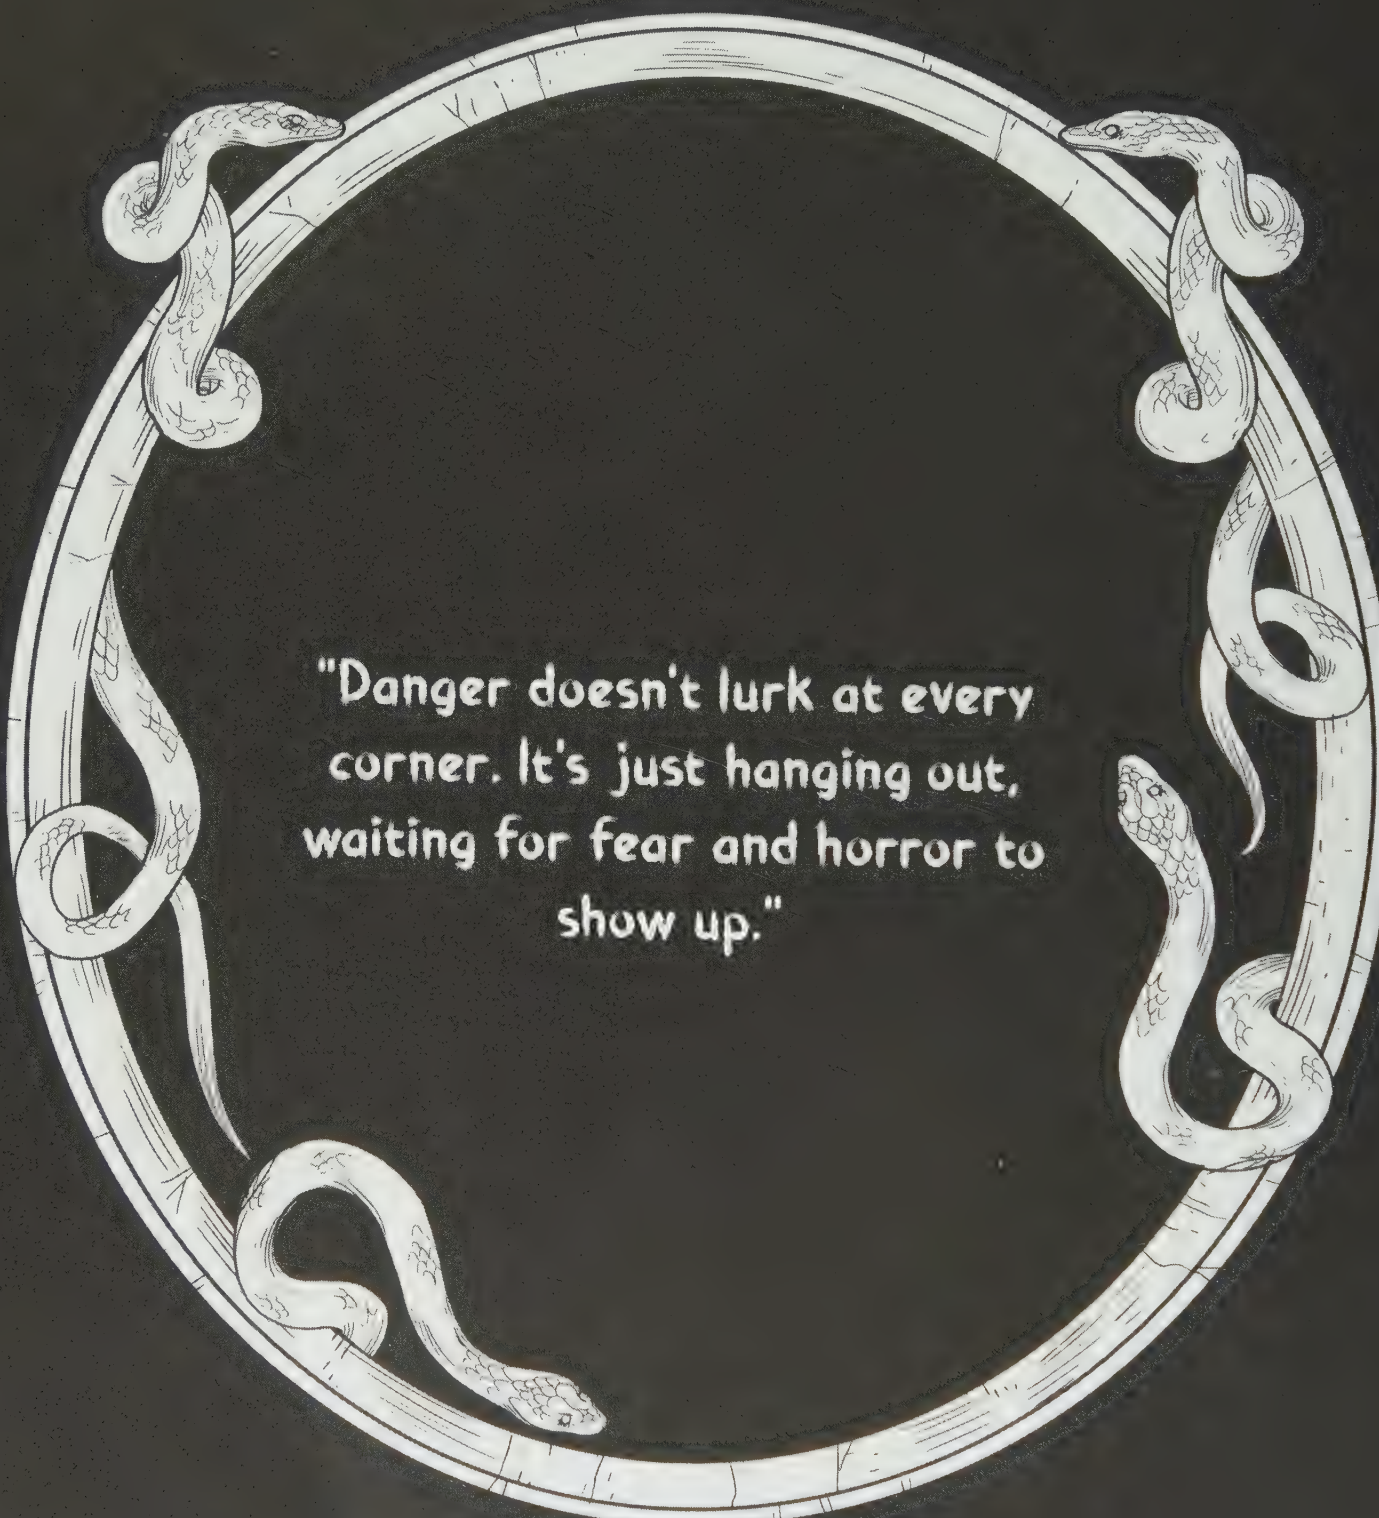

"Men who fear demons see
demons everywhere."

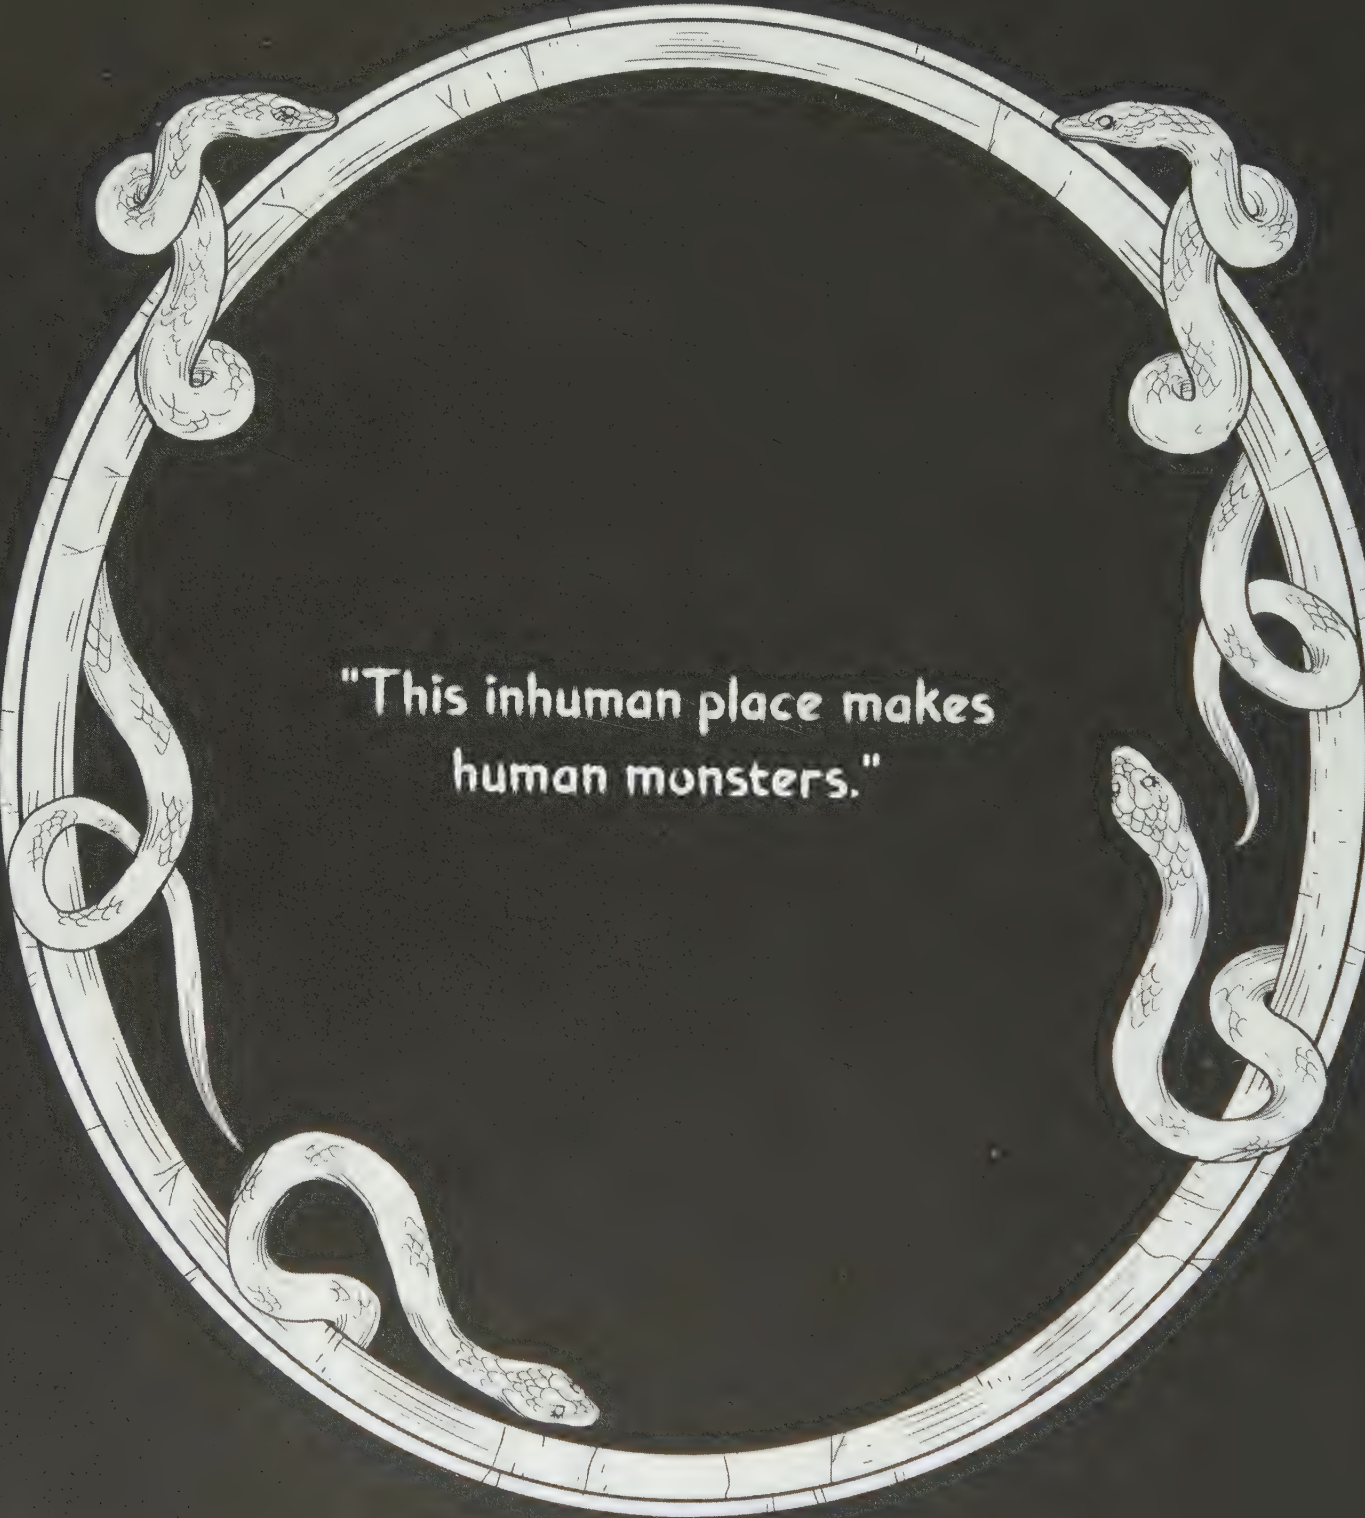

"Demon or not, it didn't matter,
suffering was everywhere he
looked."

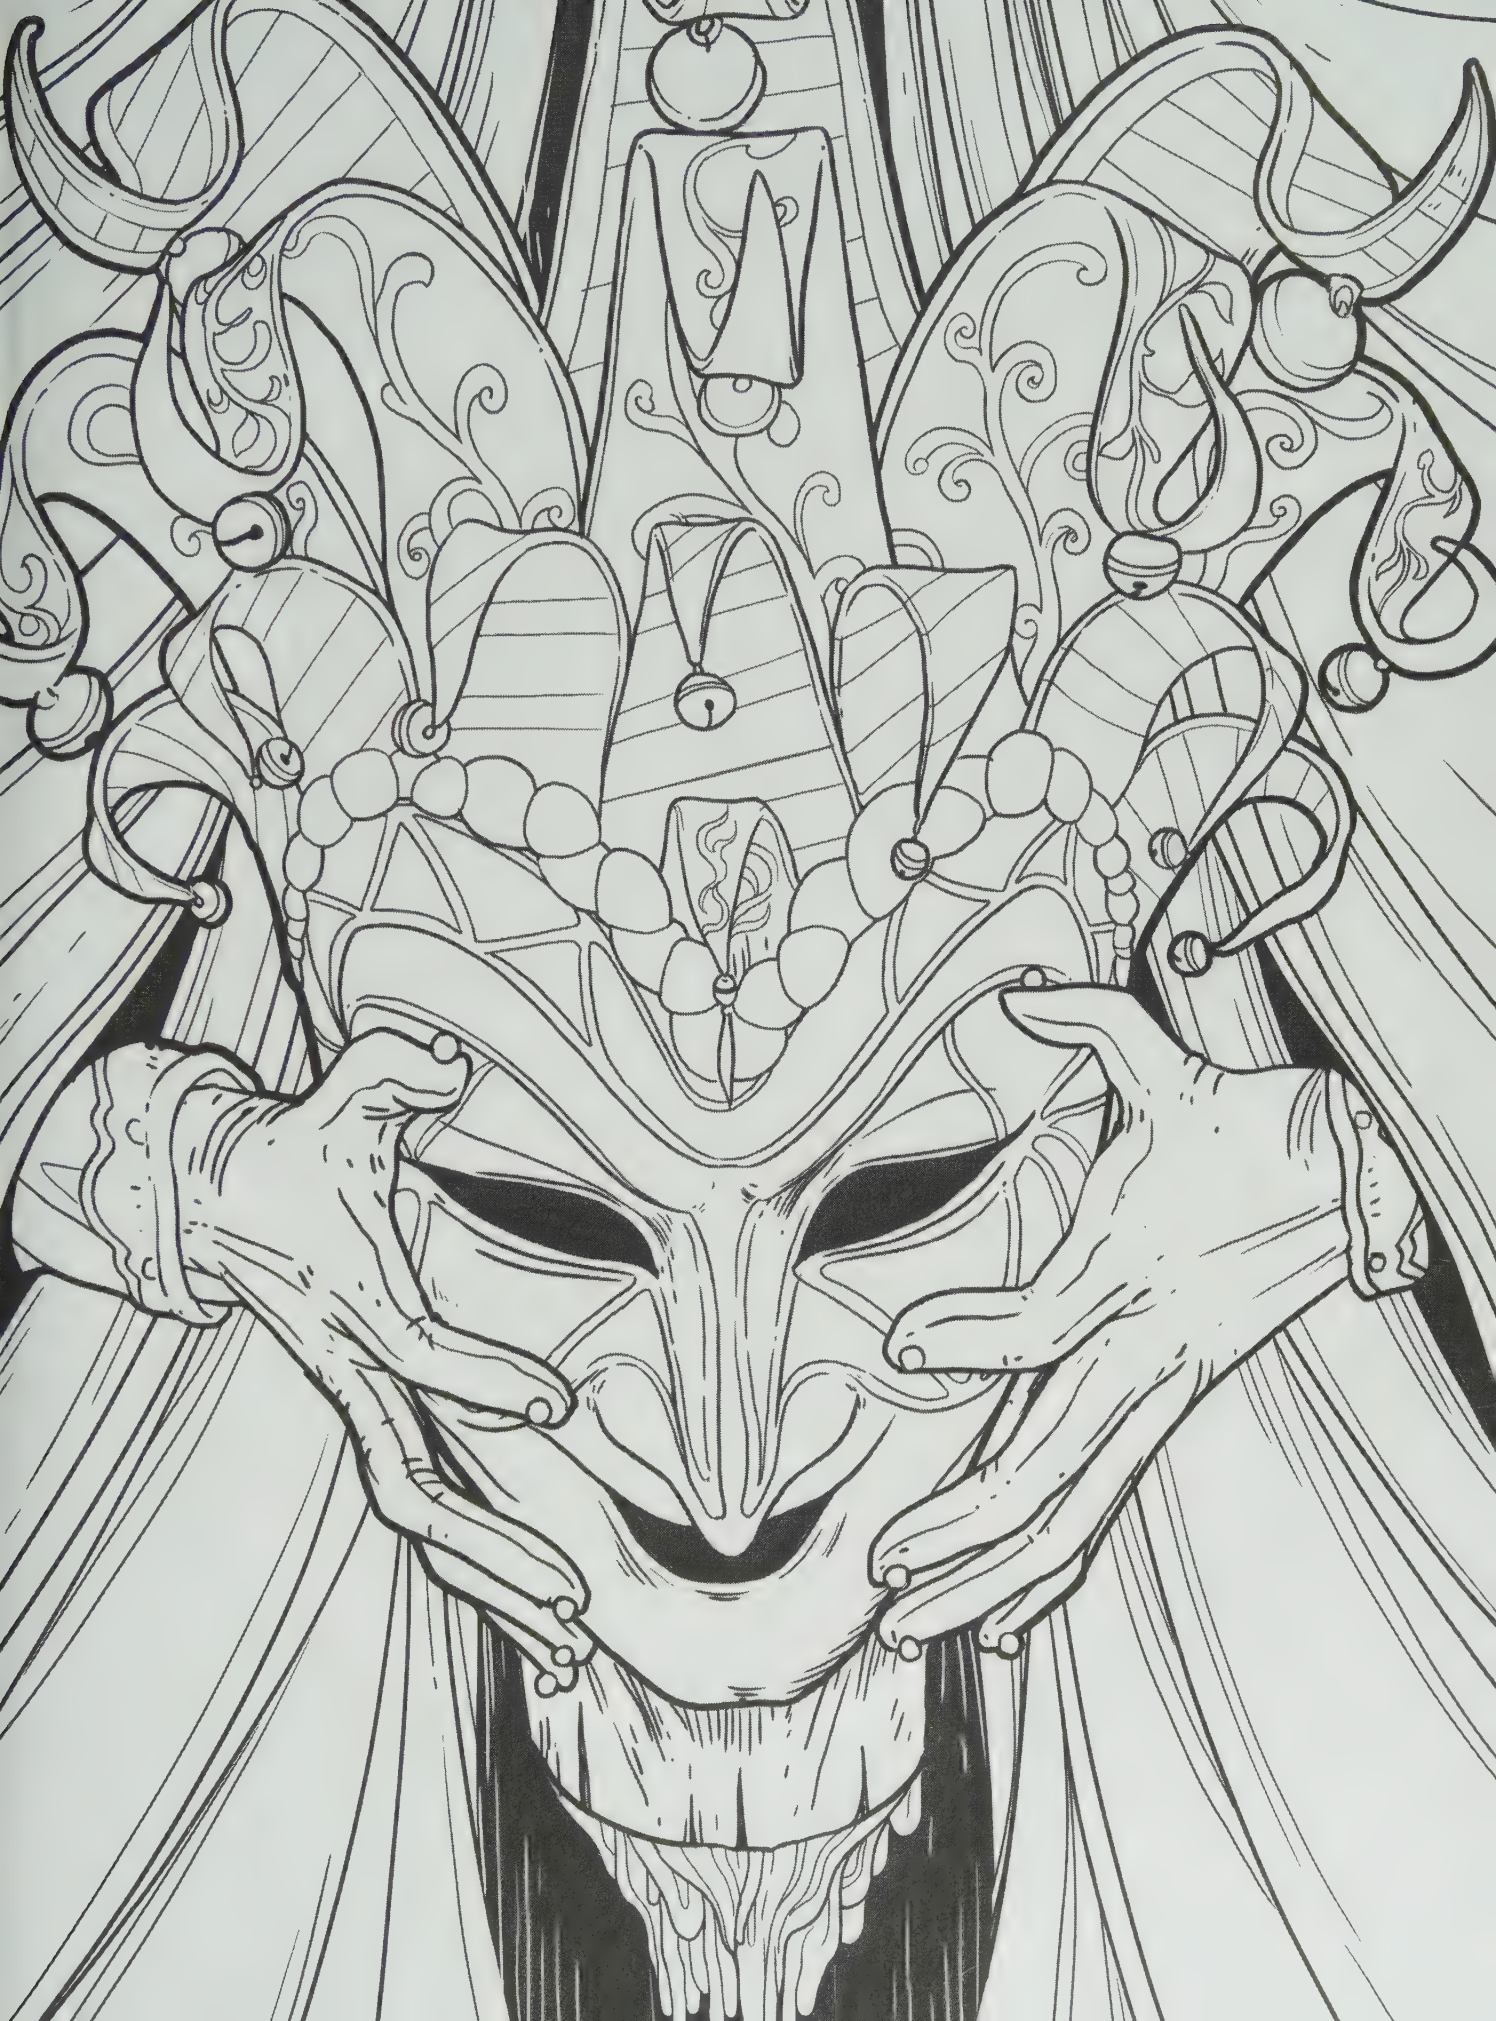

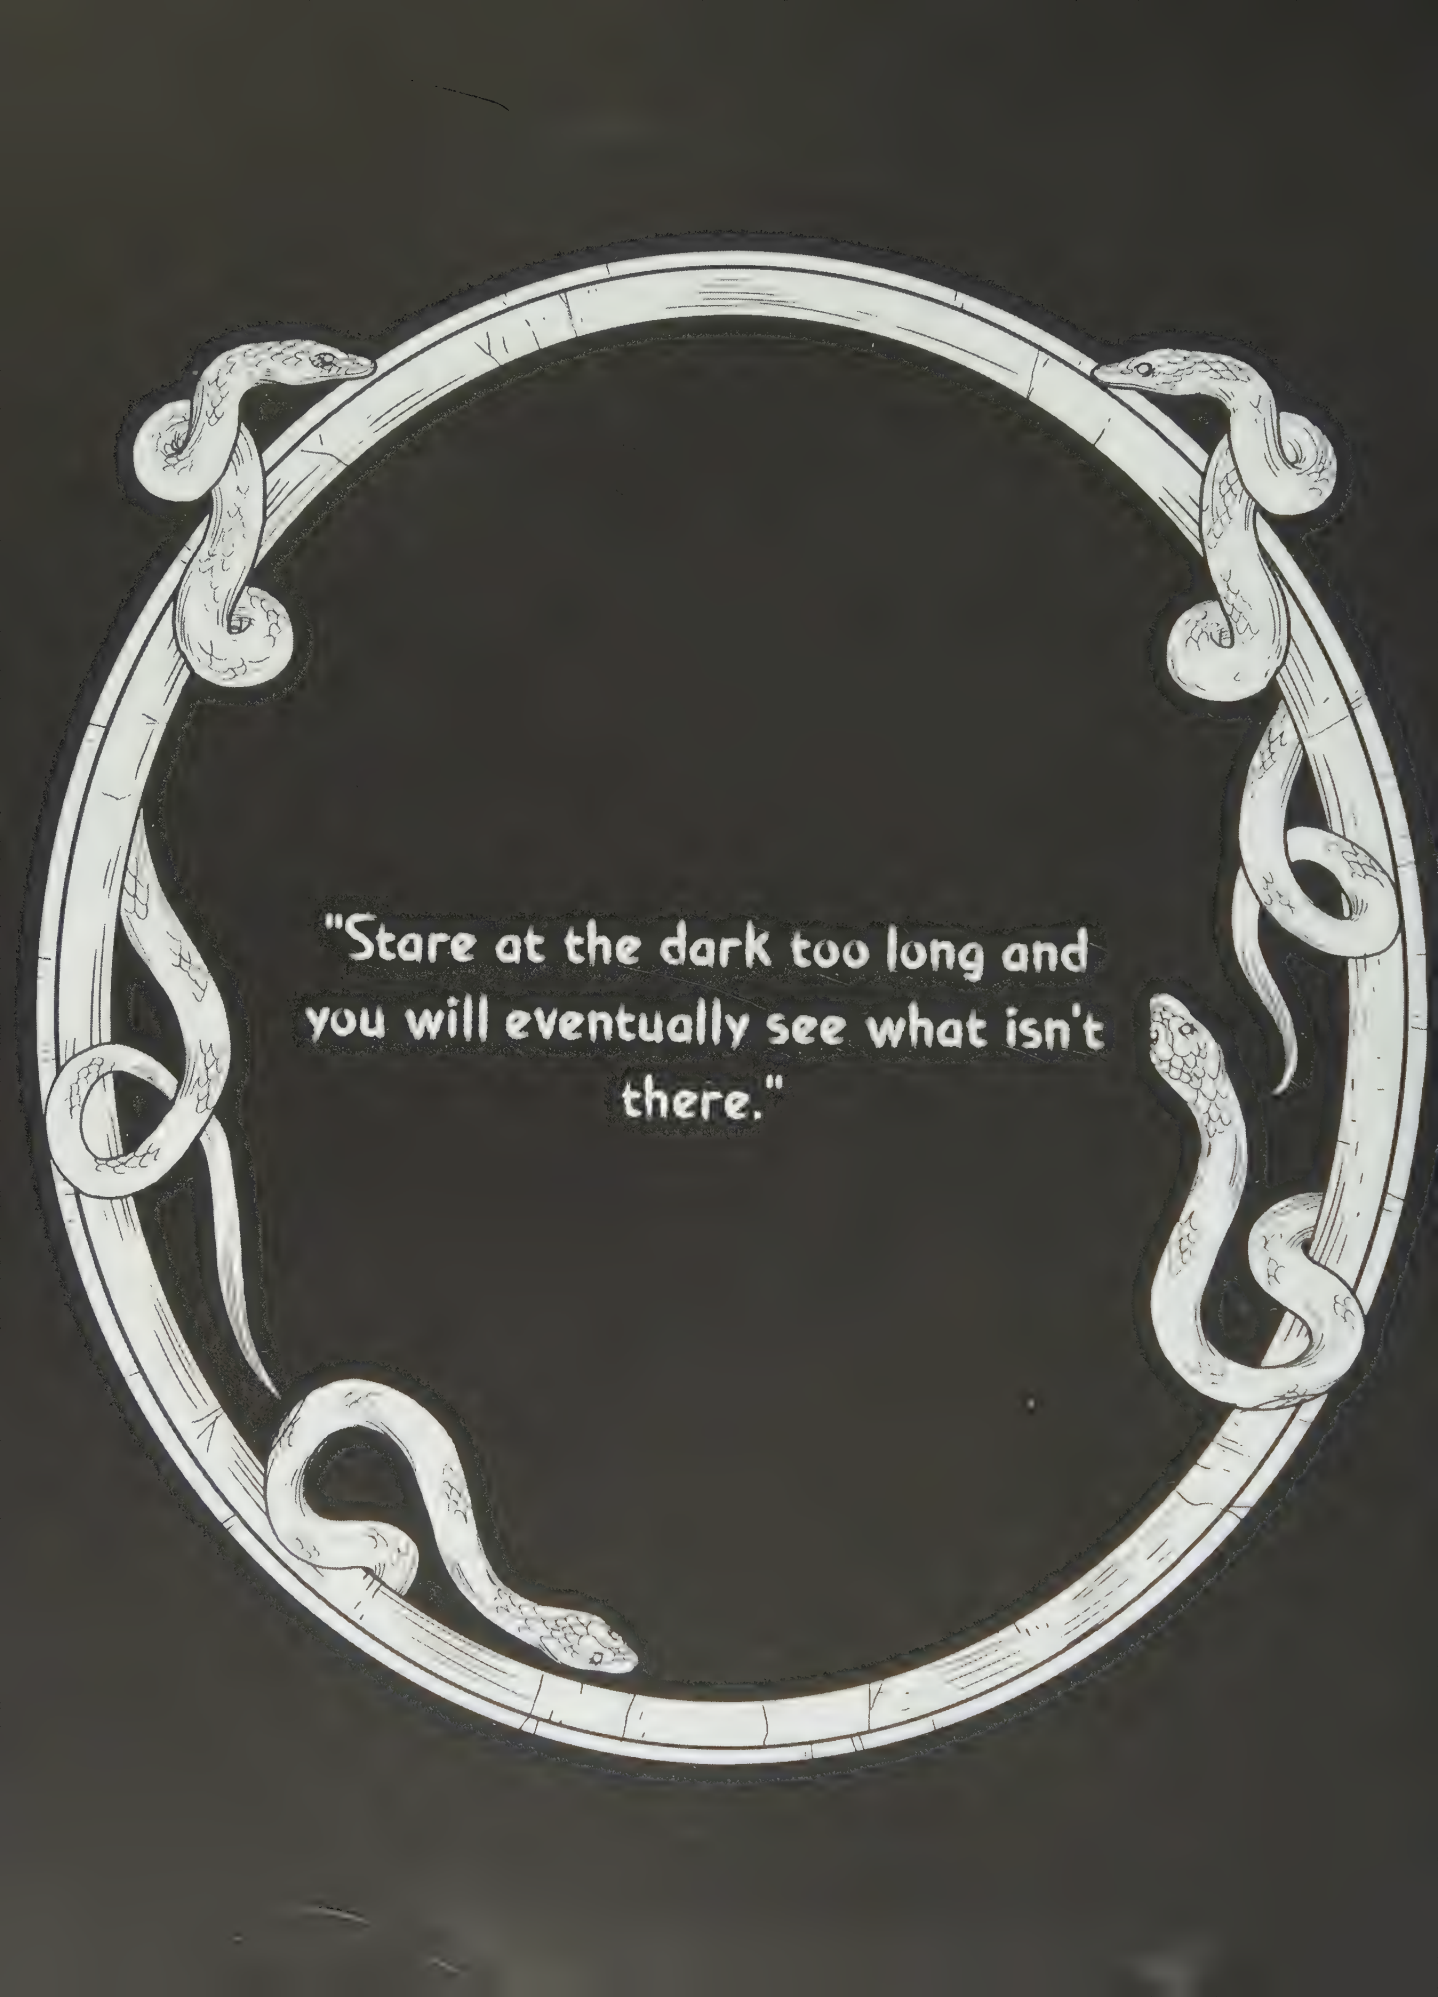

"Danger doesn't lurk at every
corner. It's just hanging out,
waiting for fear and horror to
show up."

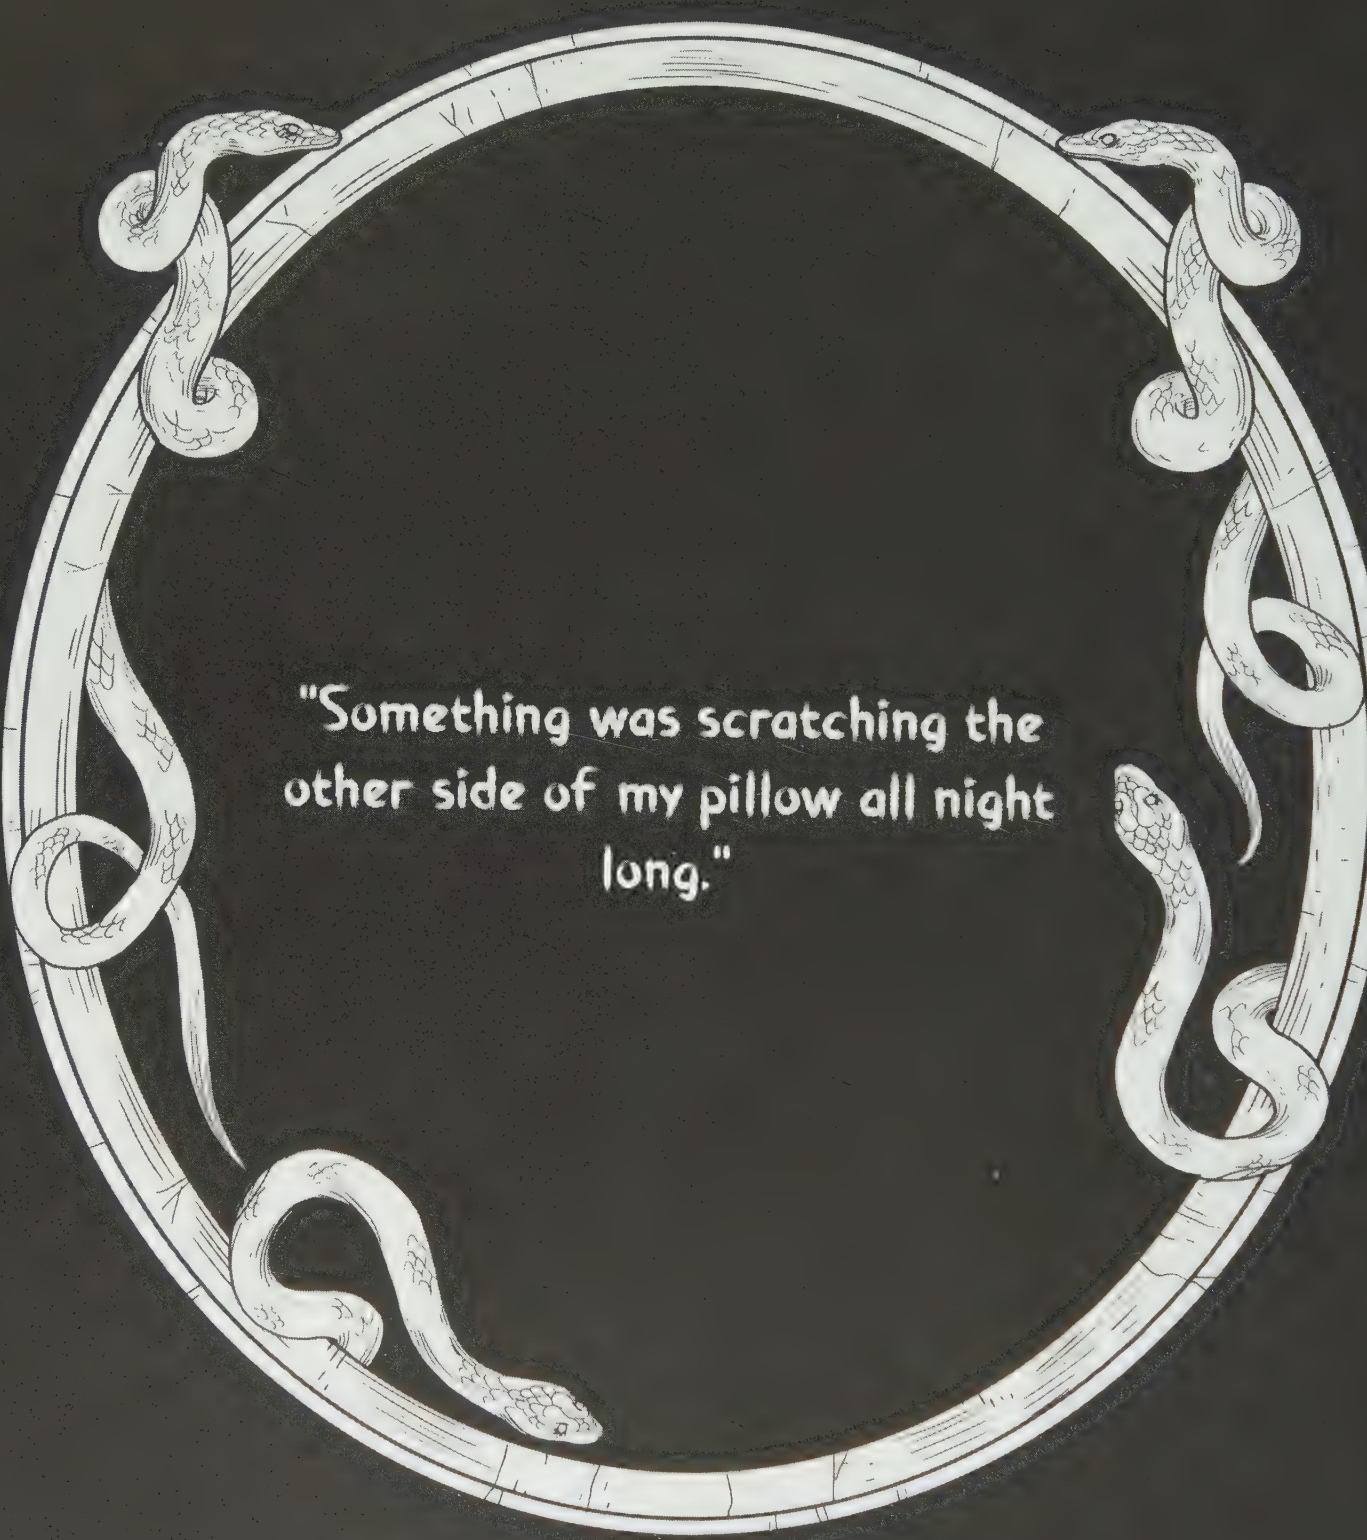

"This inhuman place makes
human monsters."

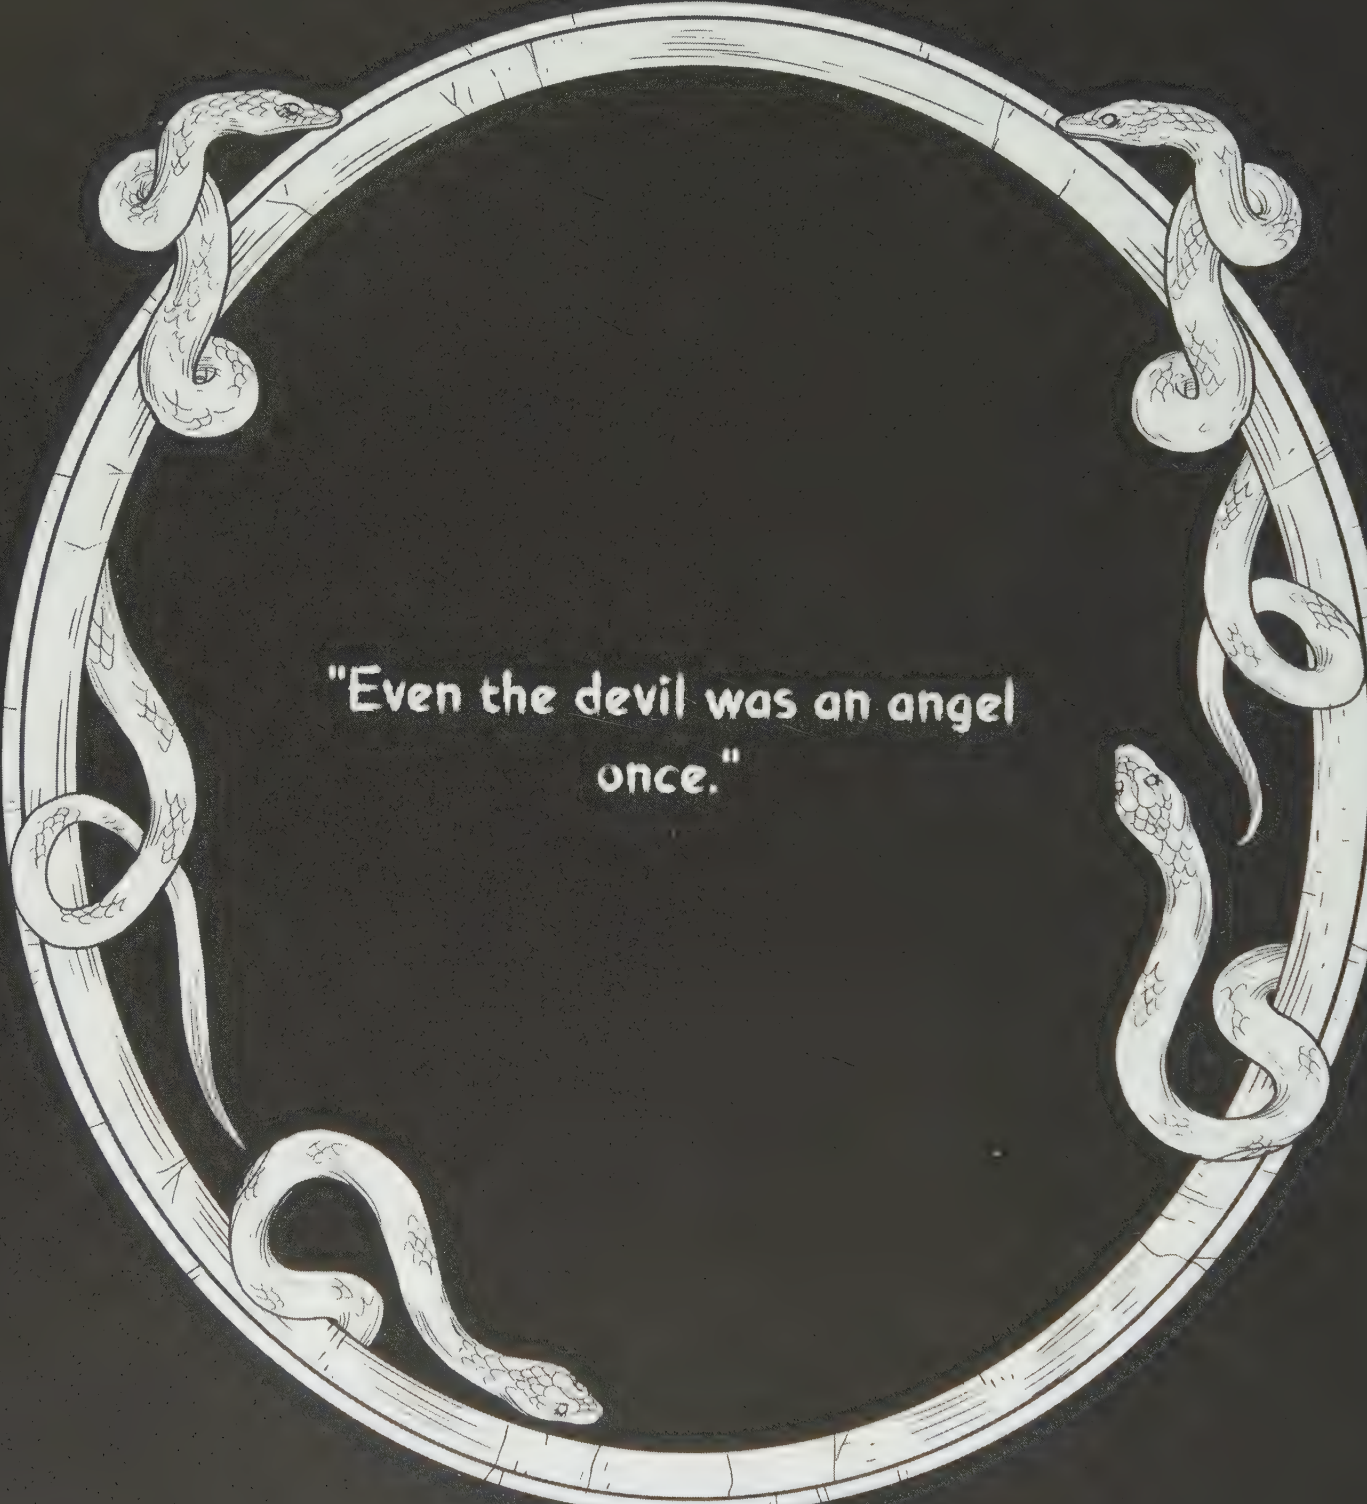

"Stare at the dark too long and
you will eventually see what isn't
there."

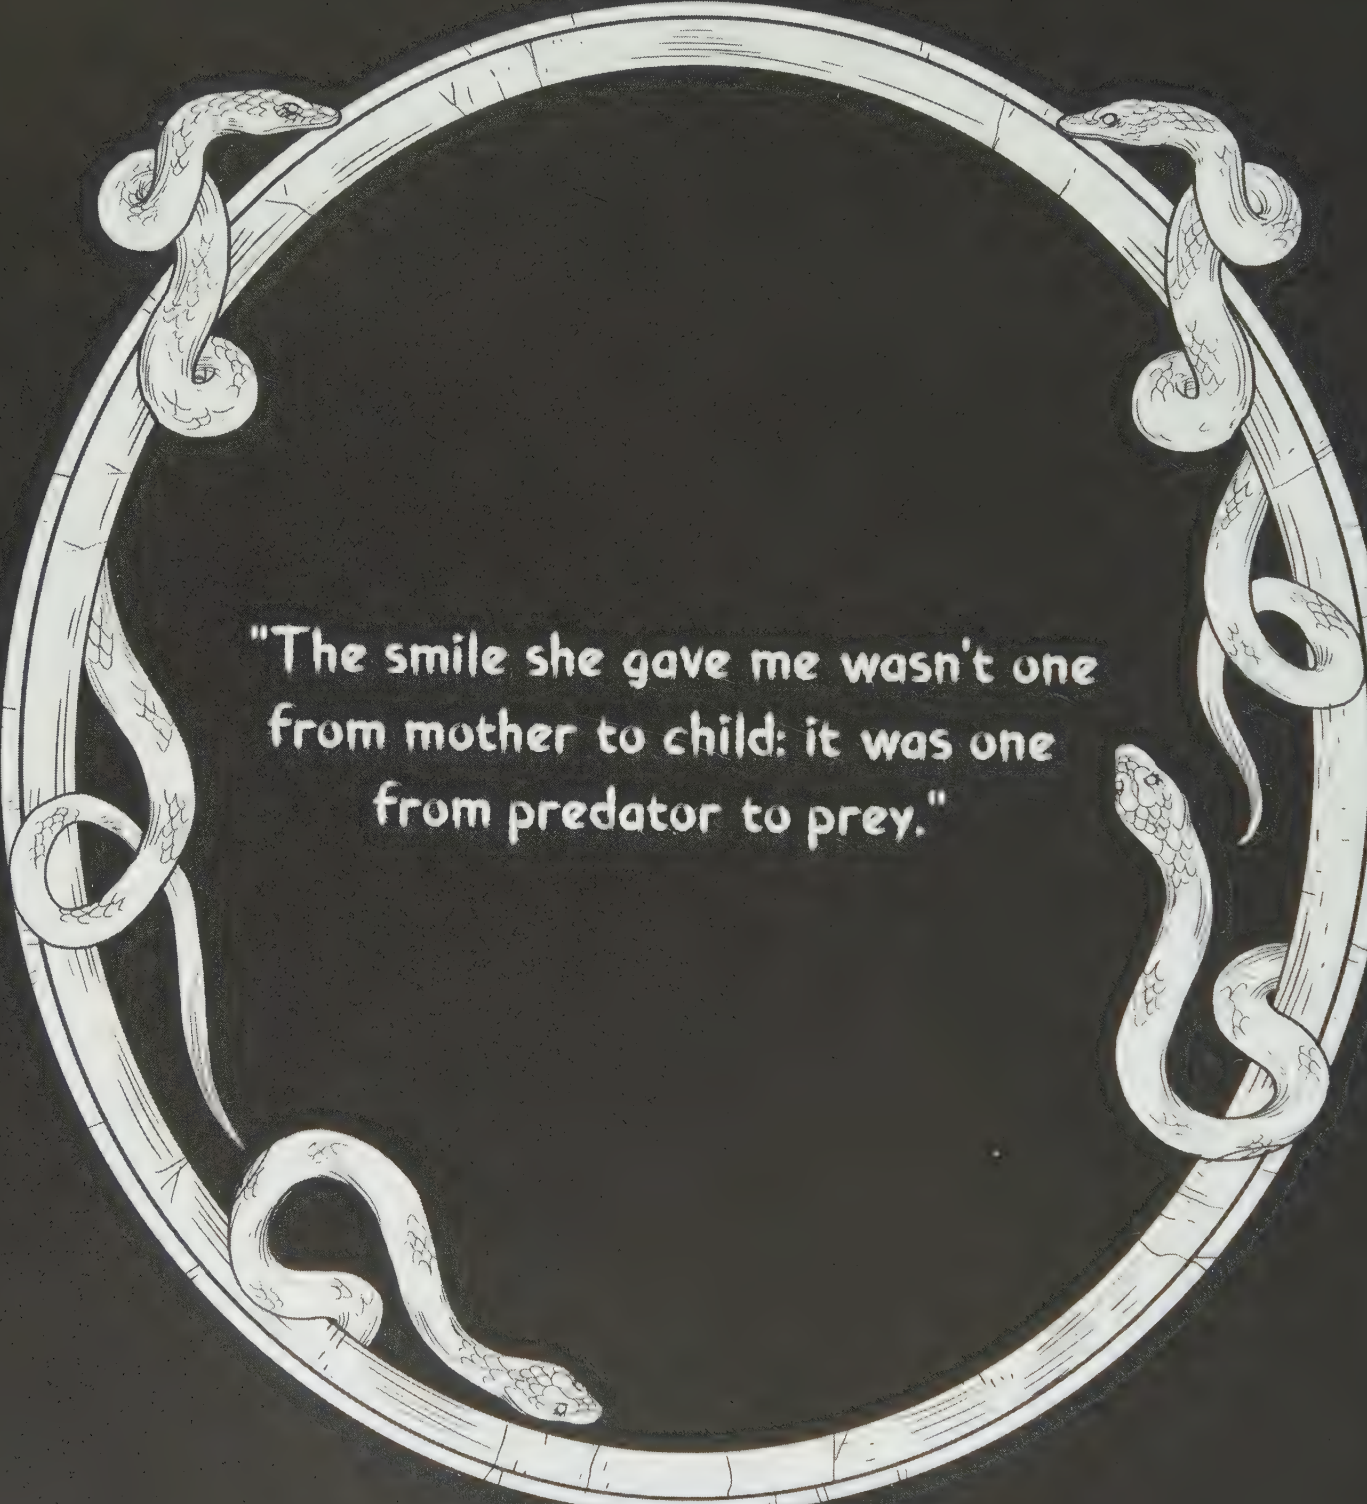

"Something was scratching the
other side of my pillow all night
long."

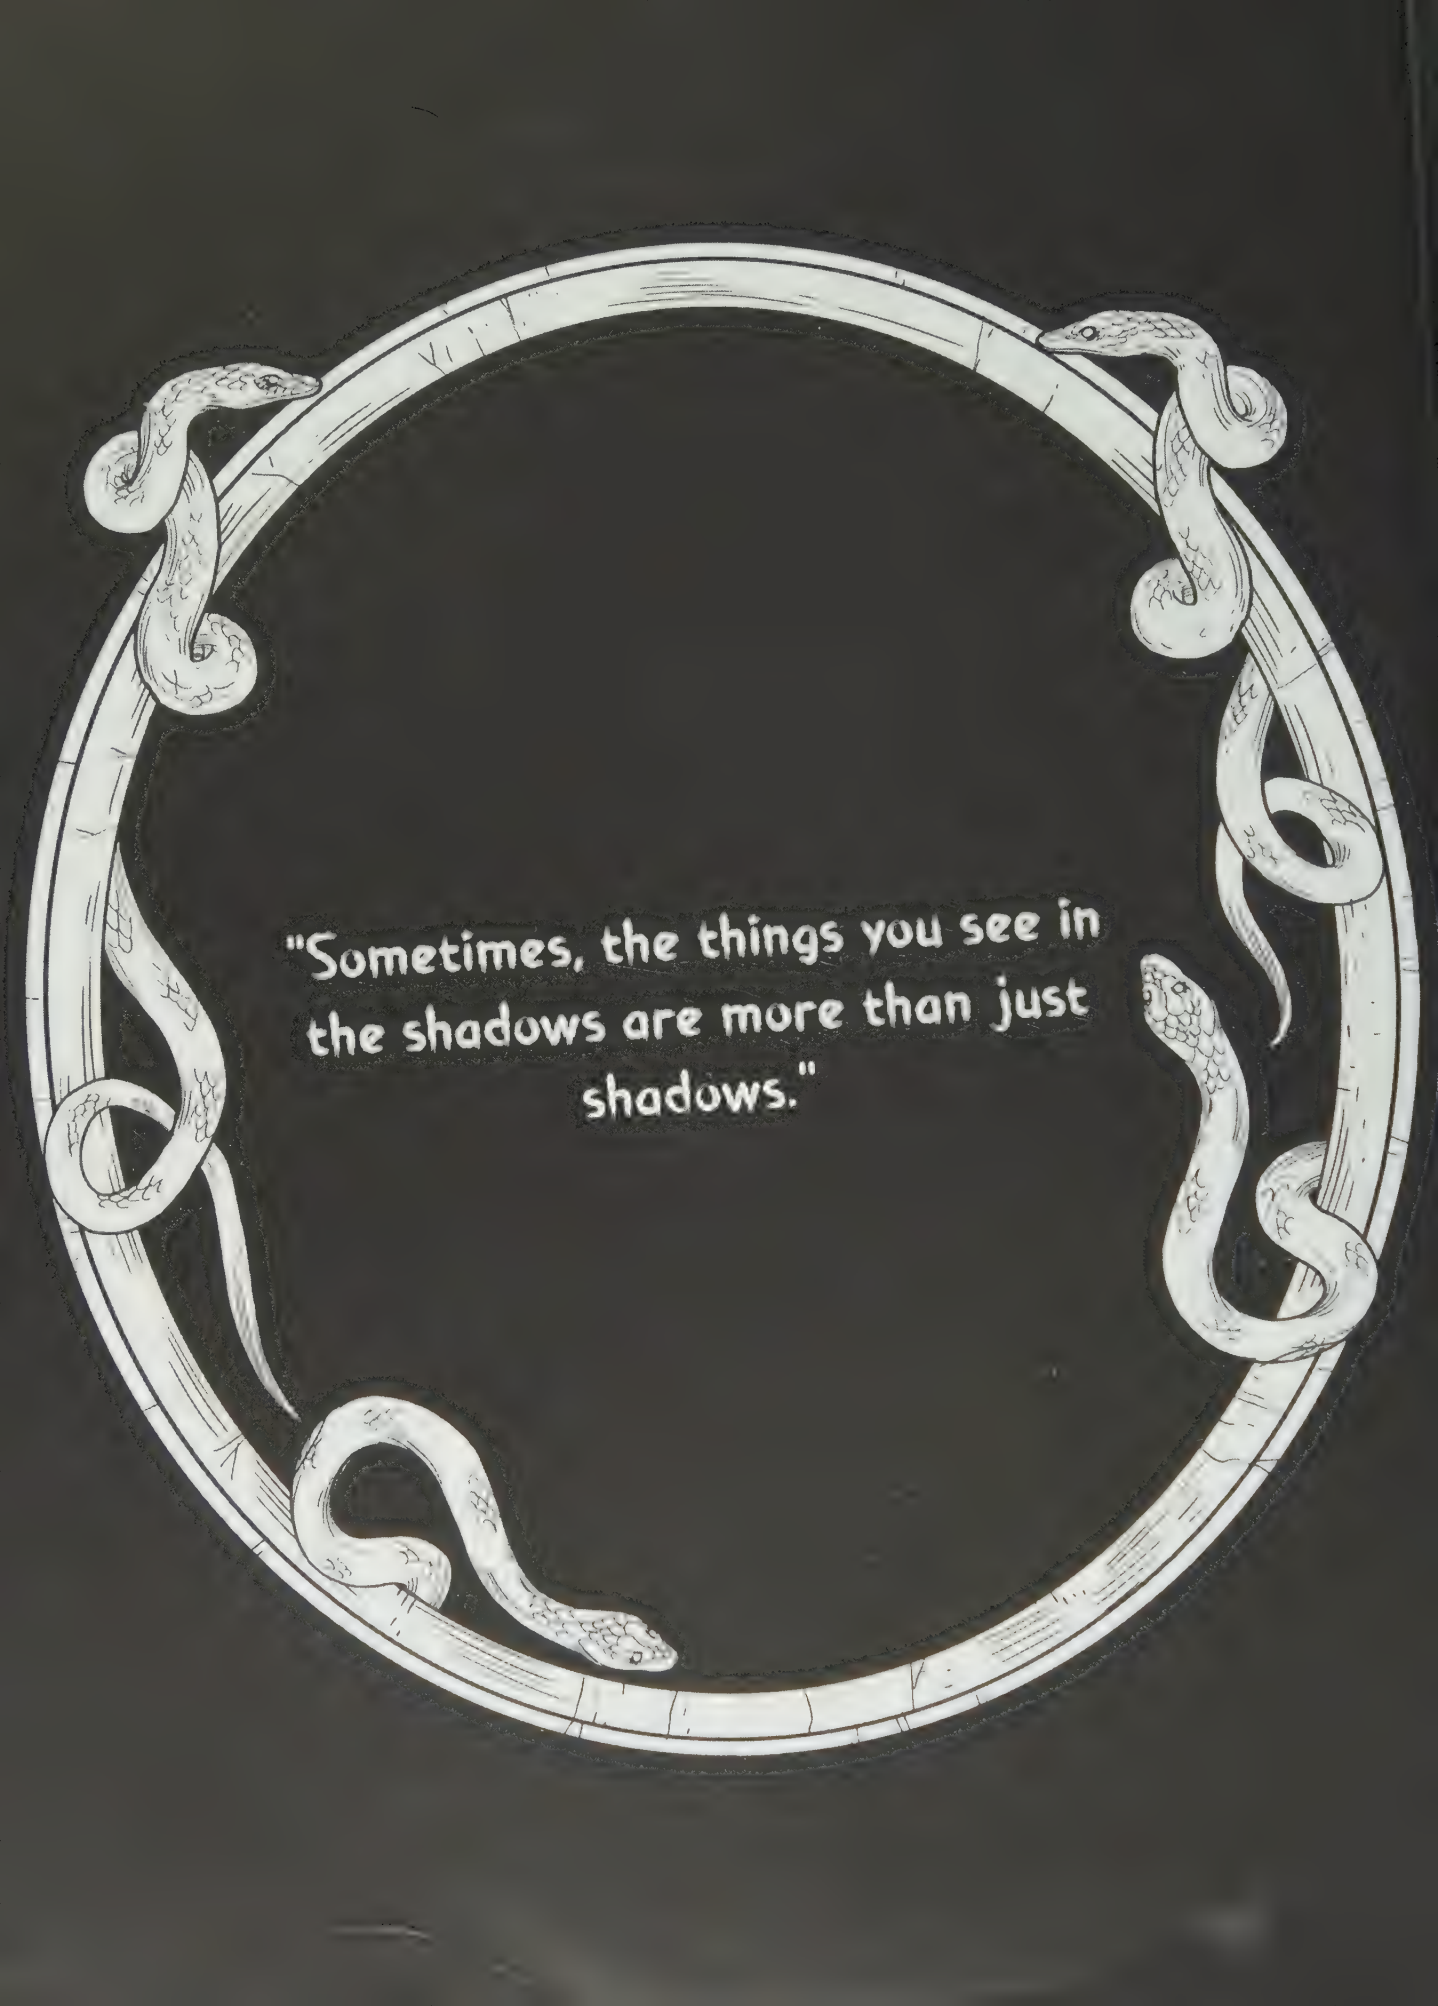

"Even the devil was an angel
once."

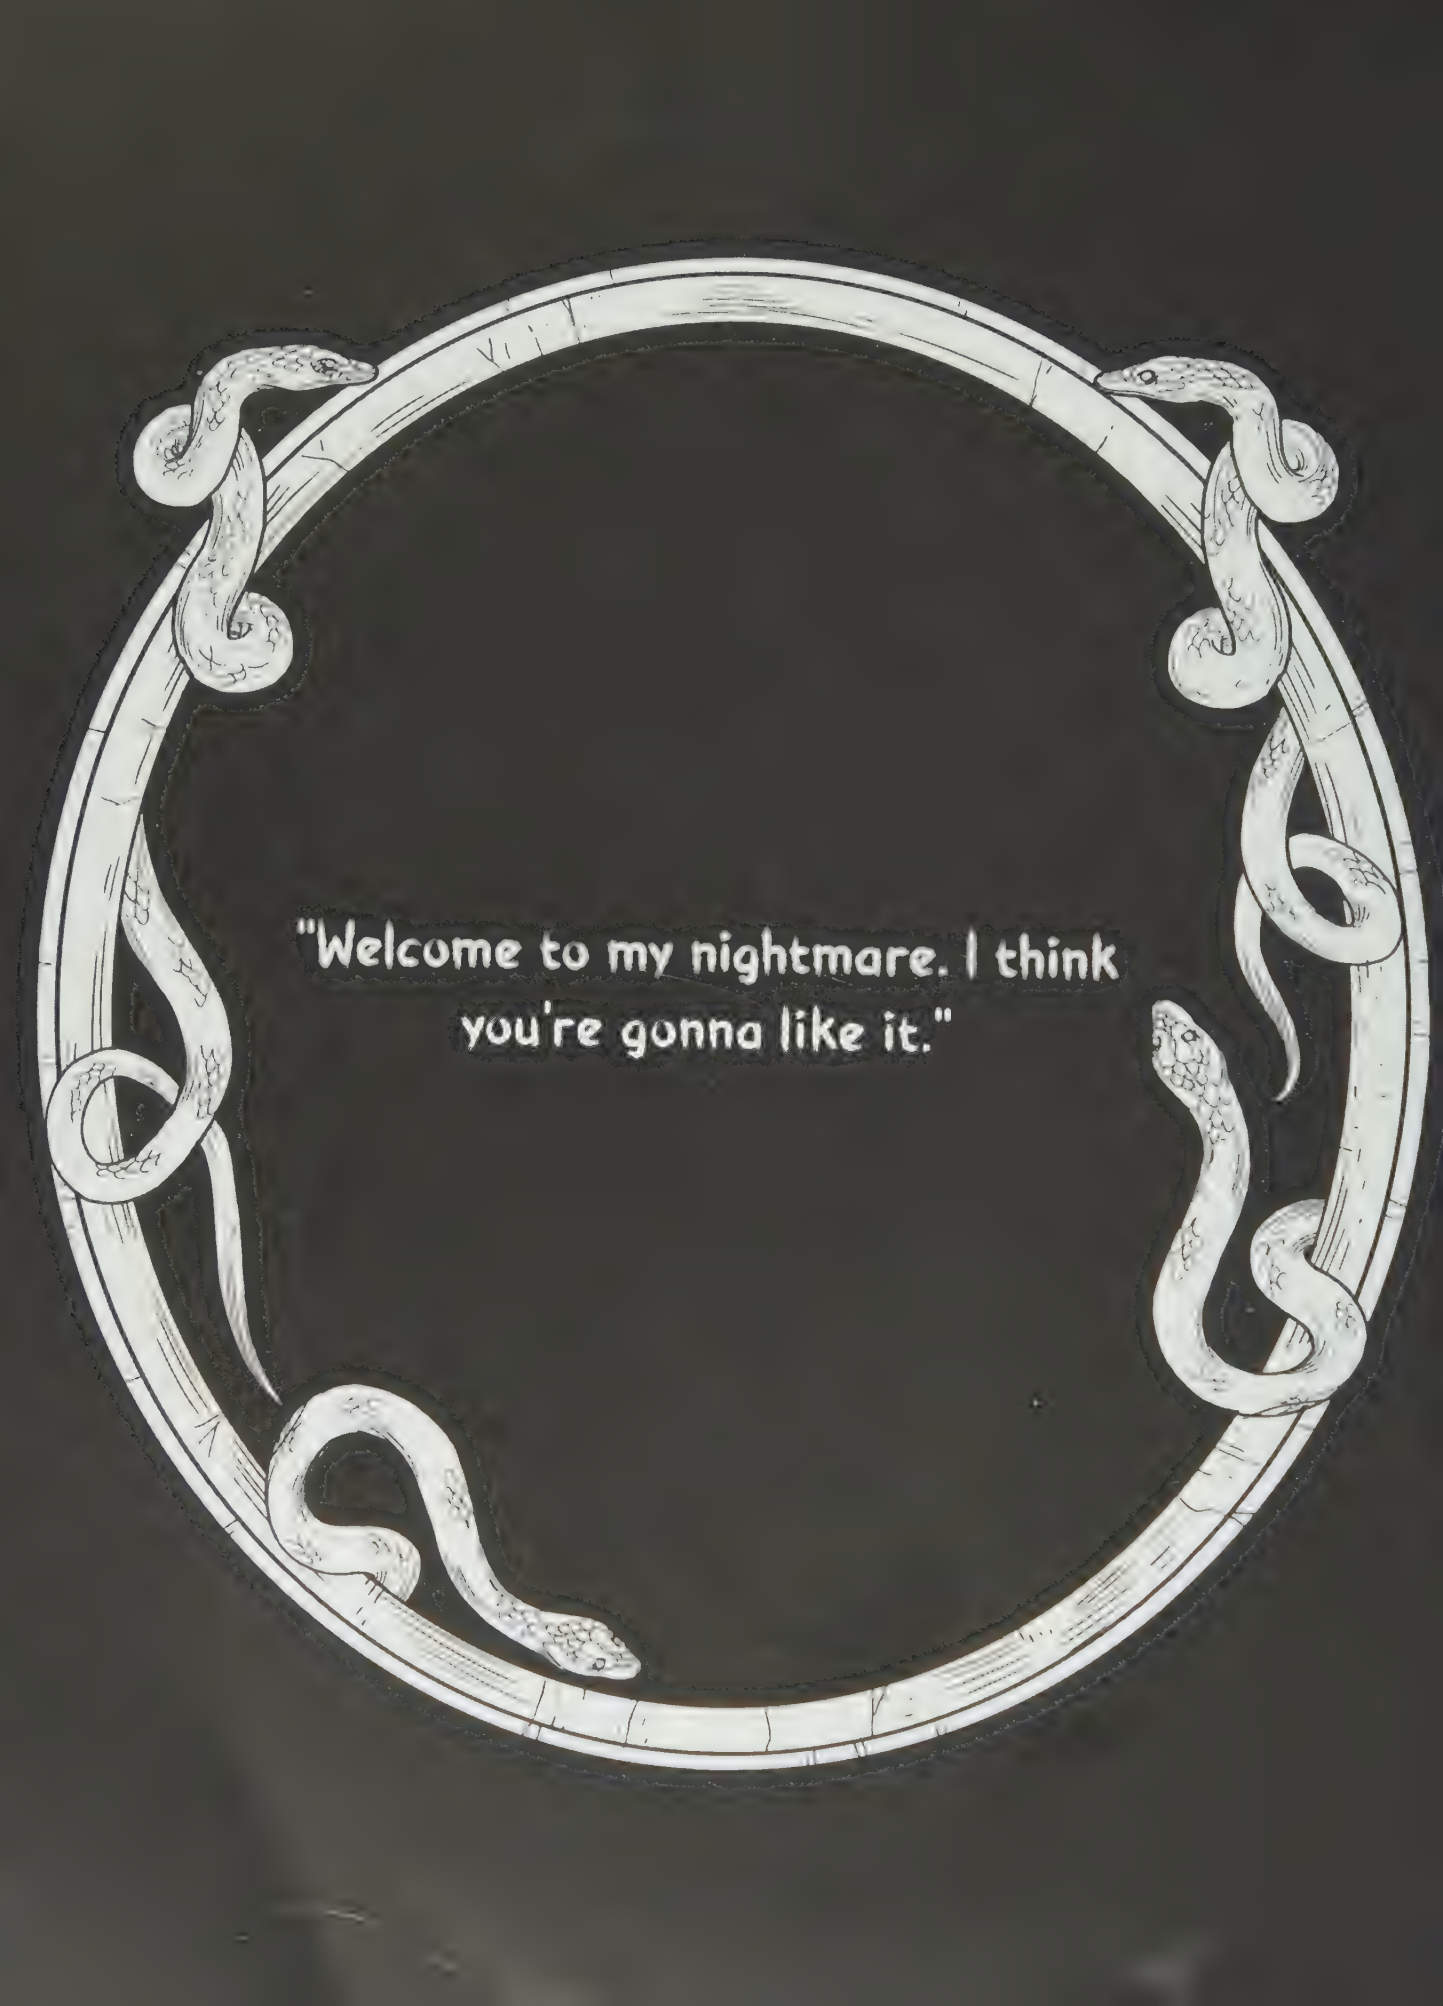

"The smile she gave me wasn't one
from mother to child: it was one
from predator to prey."

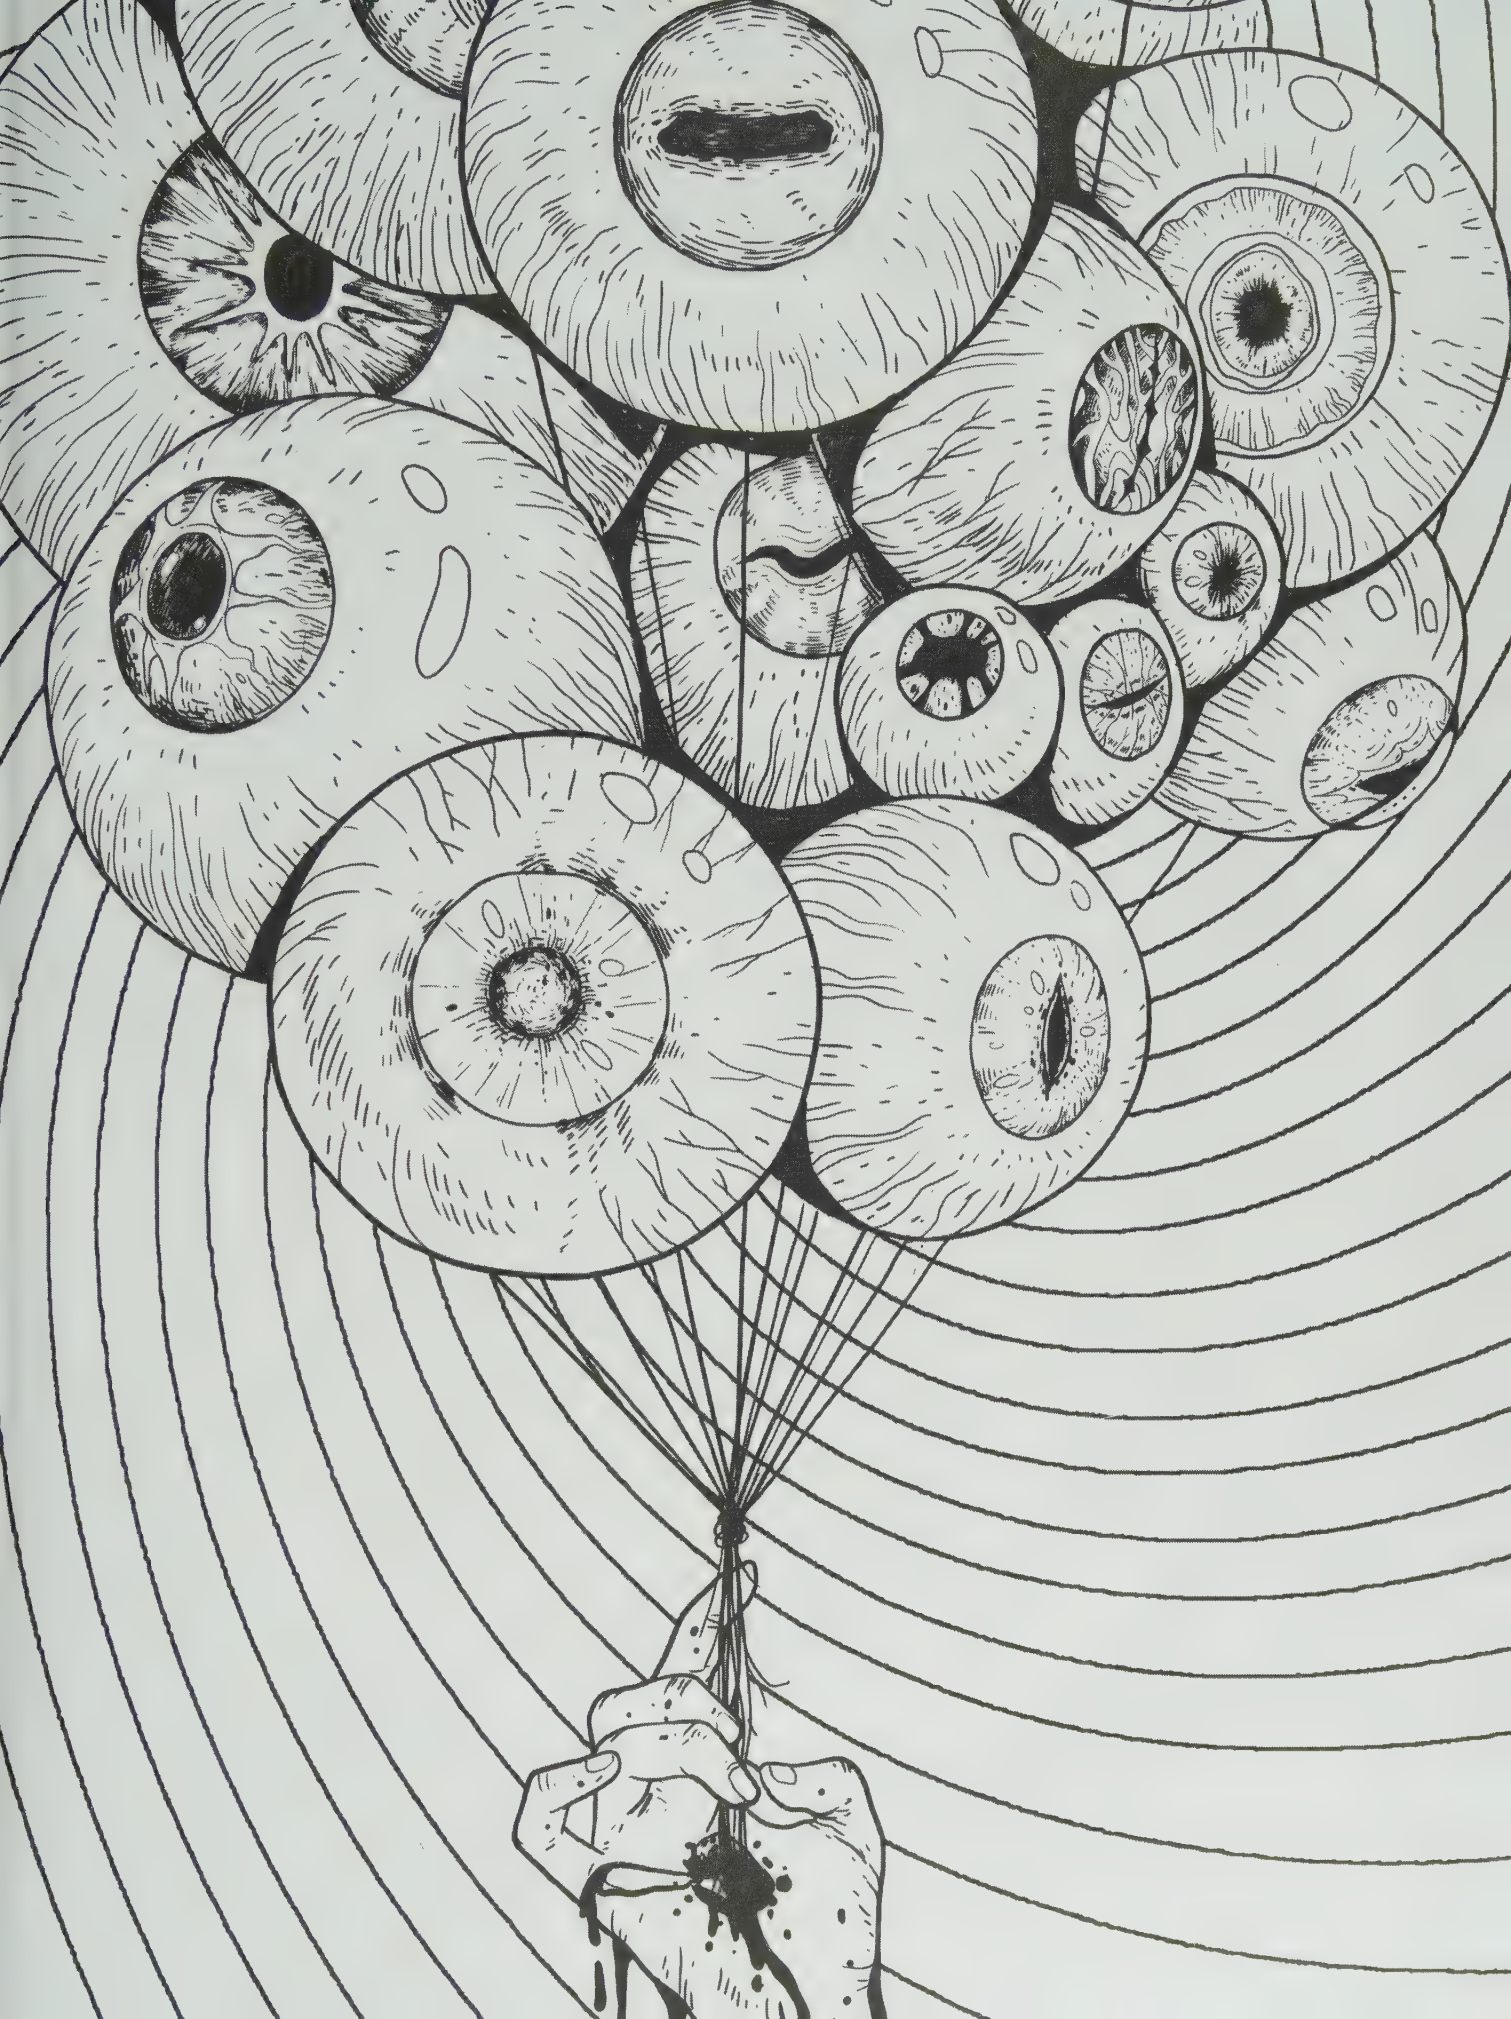

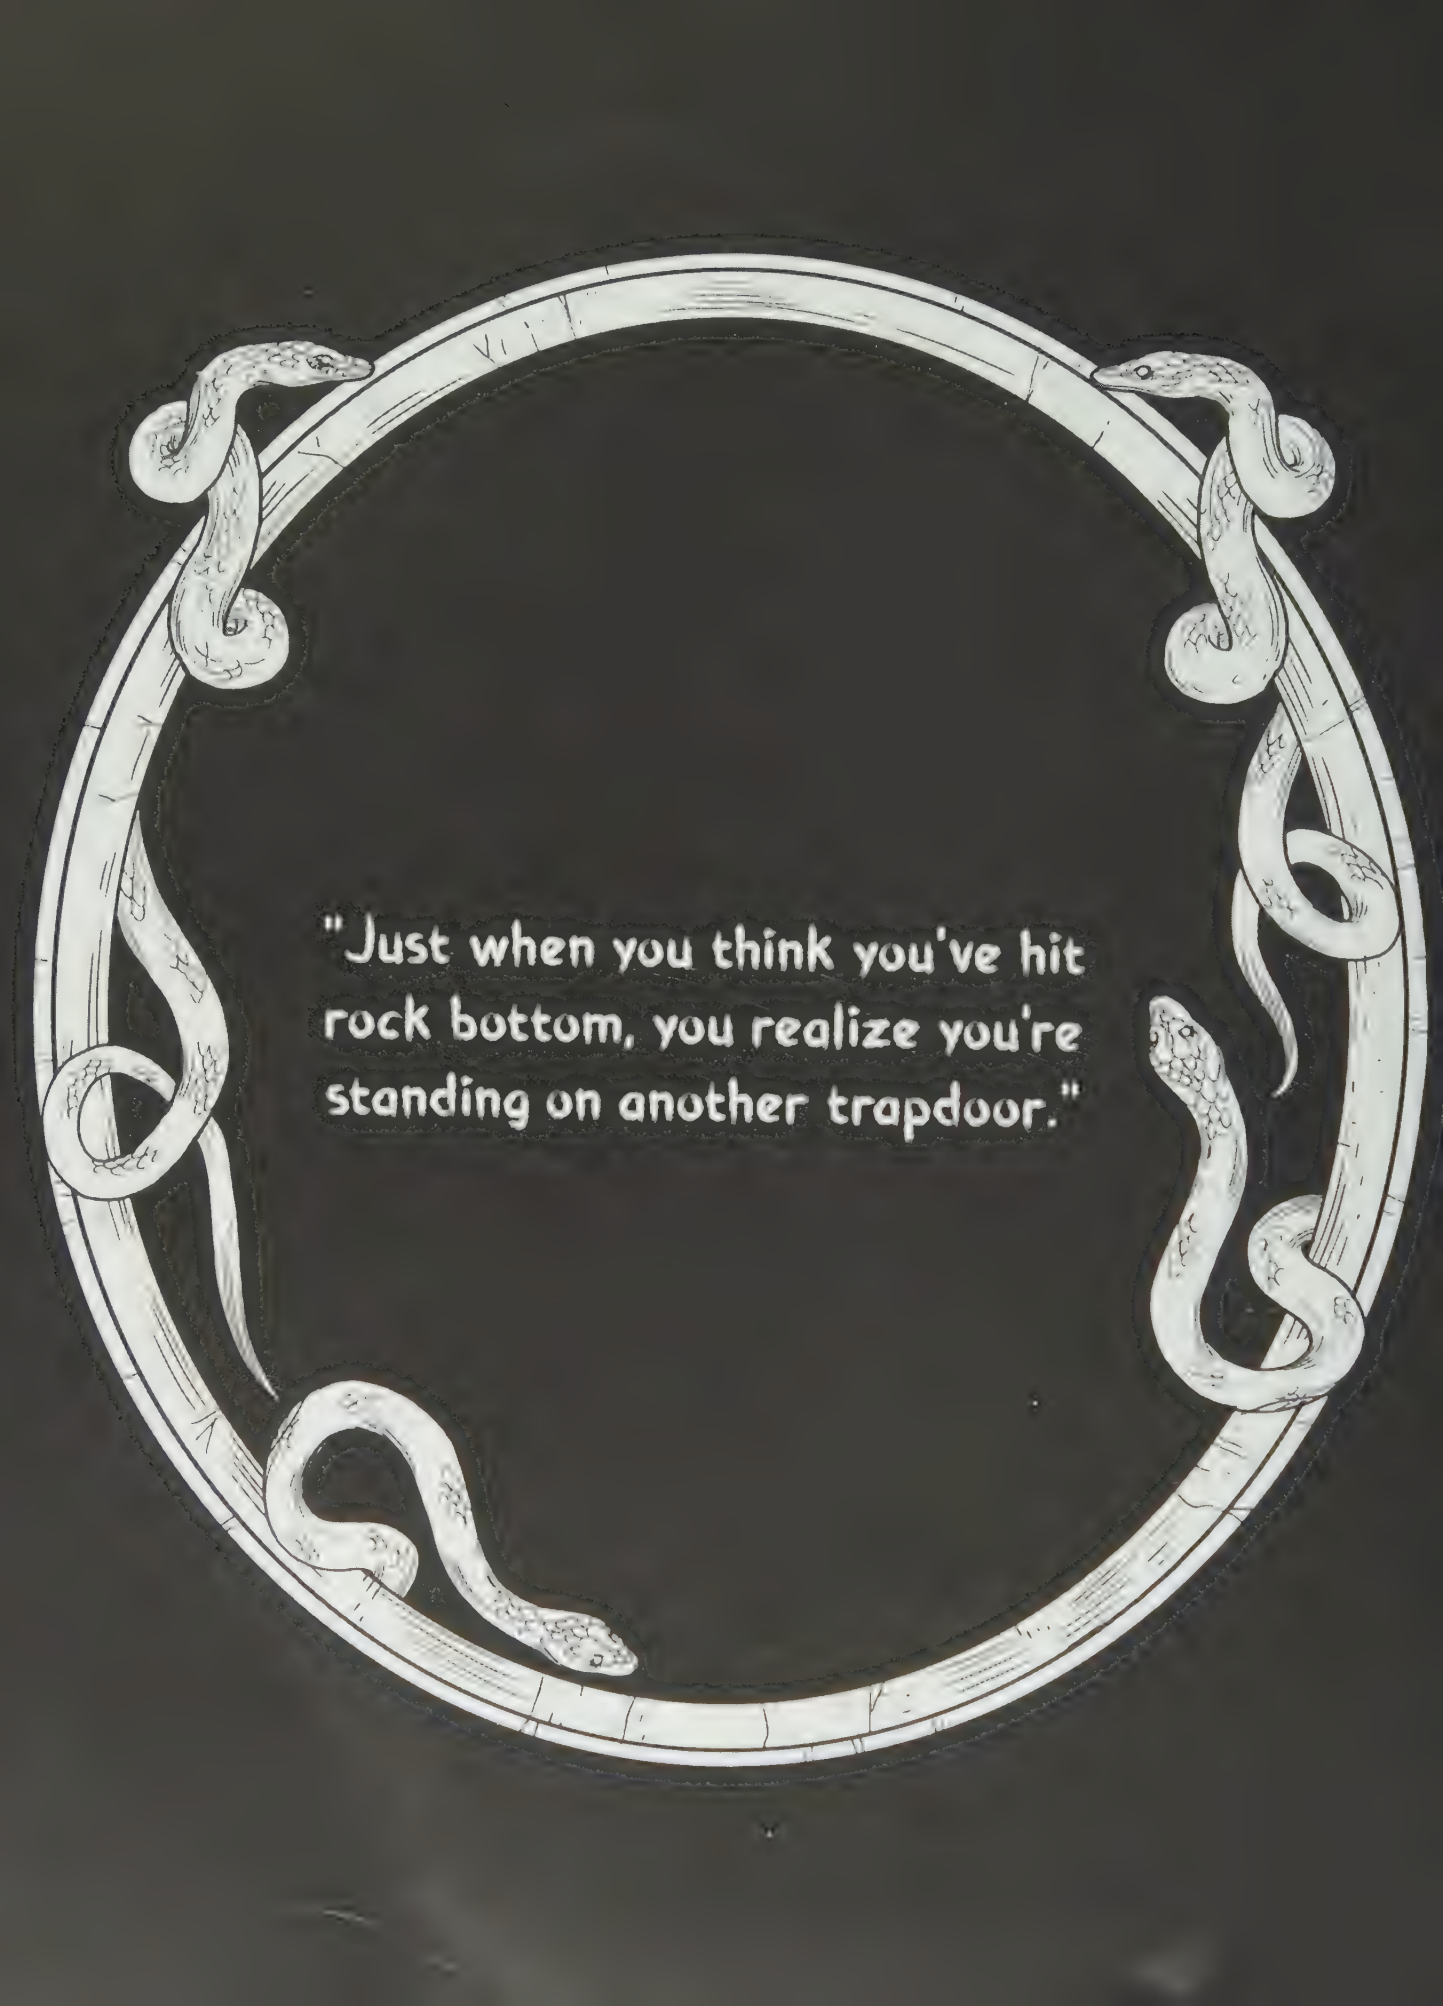

"Sometimes, the things you see in
the shadows are more than just
shadows."

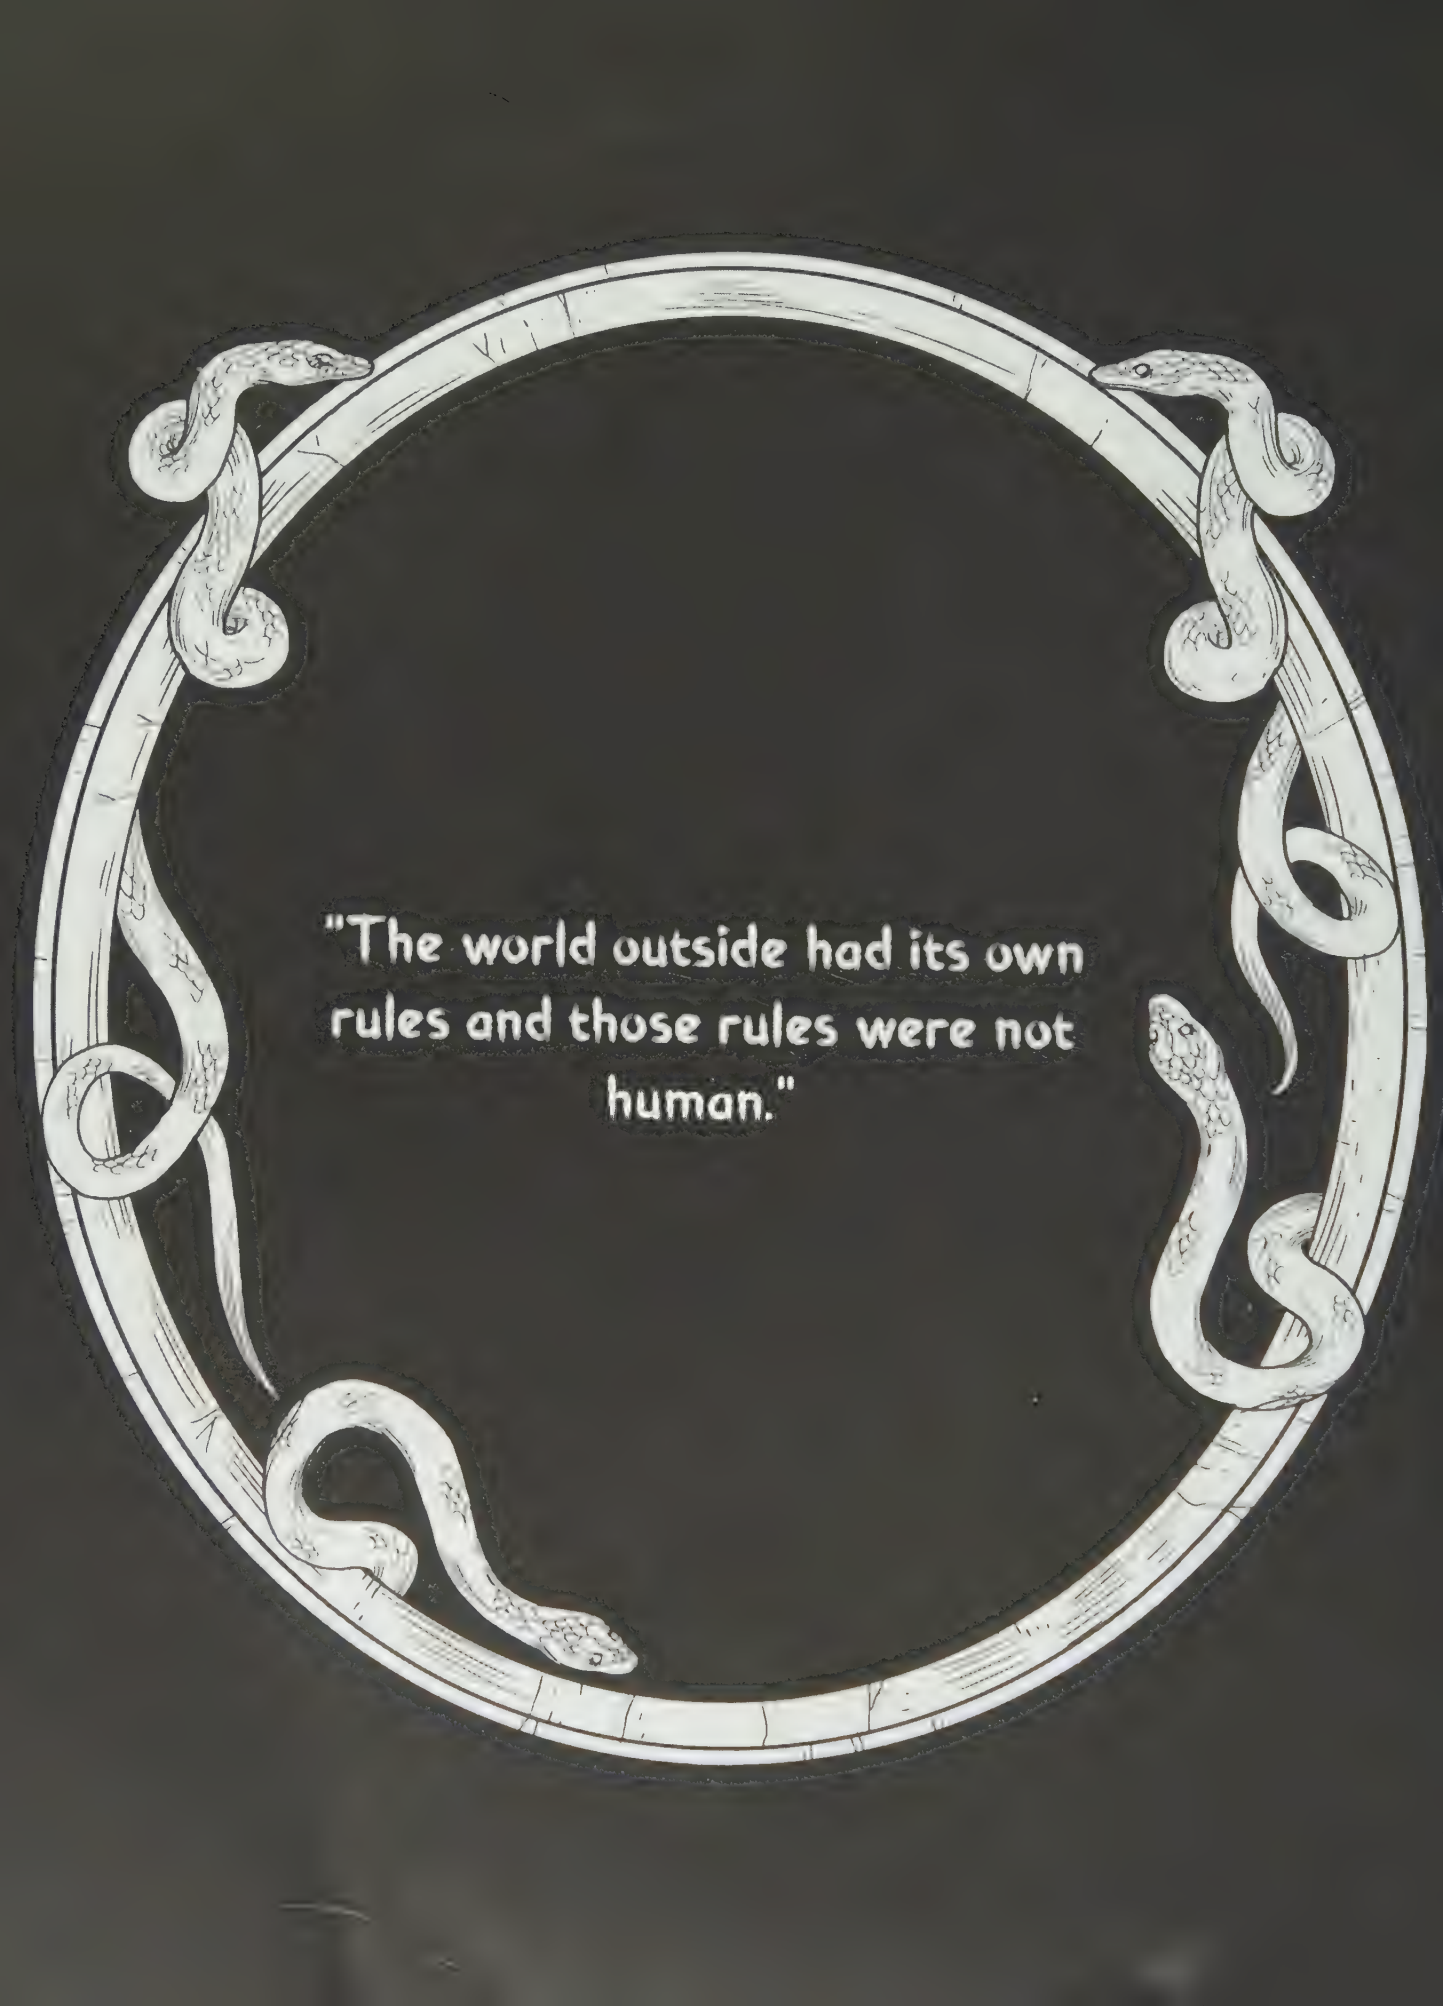

"Welcome to my nightmare. I think
you're gonna like it."

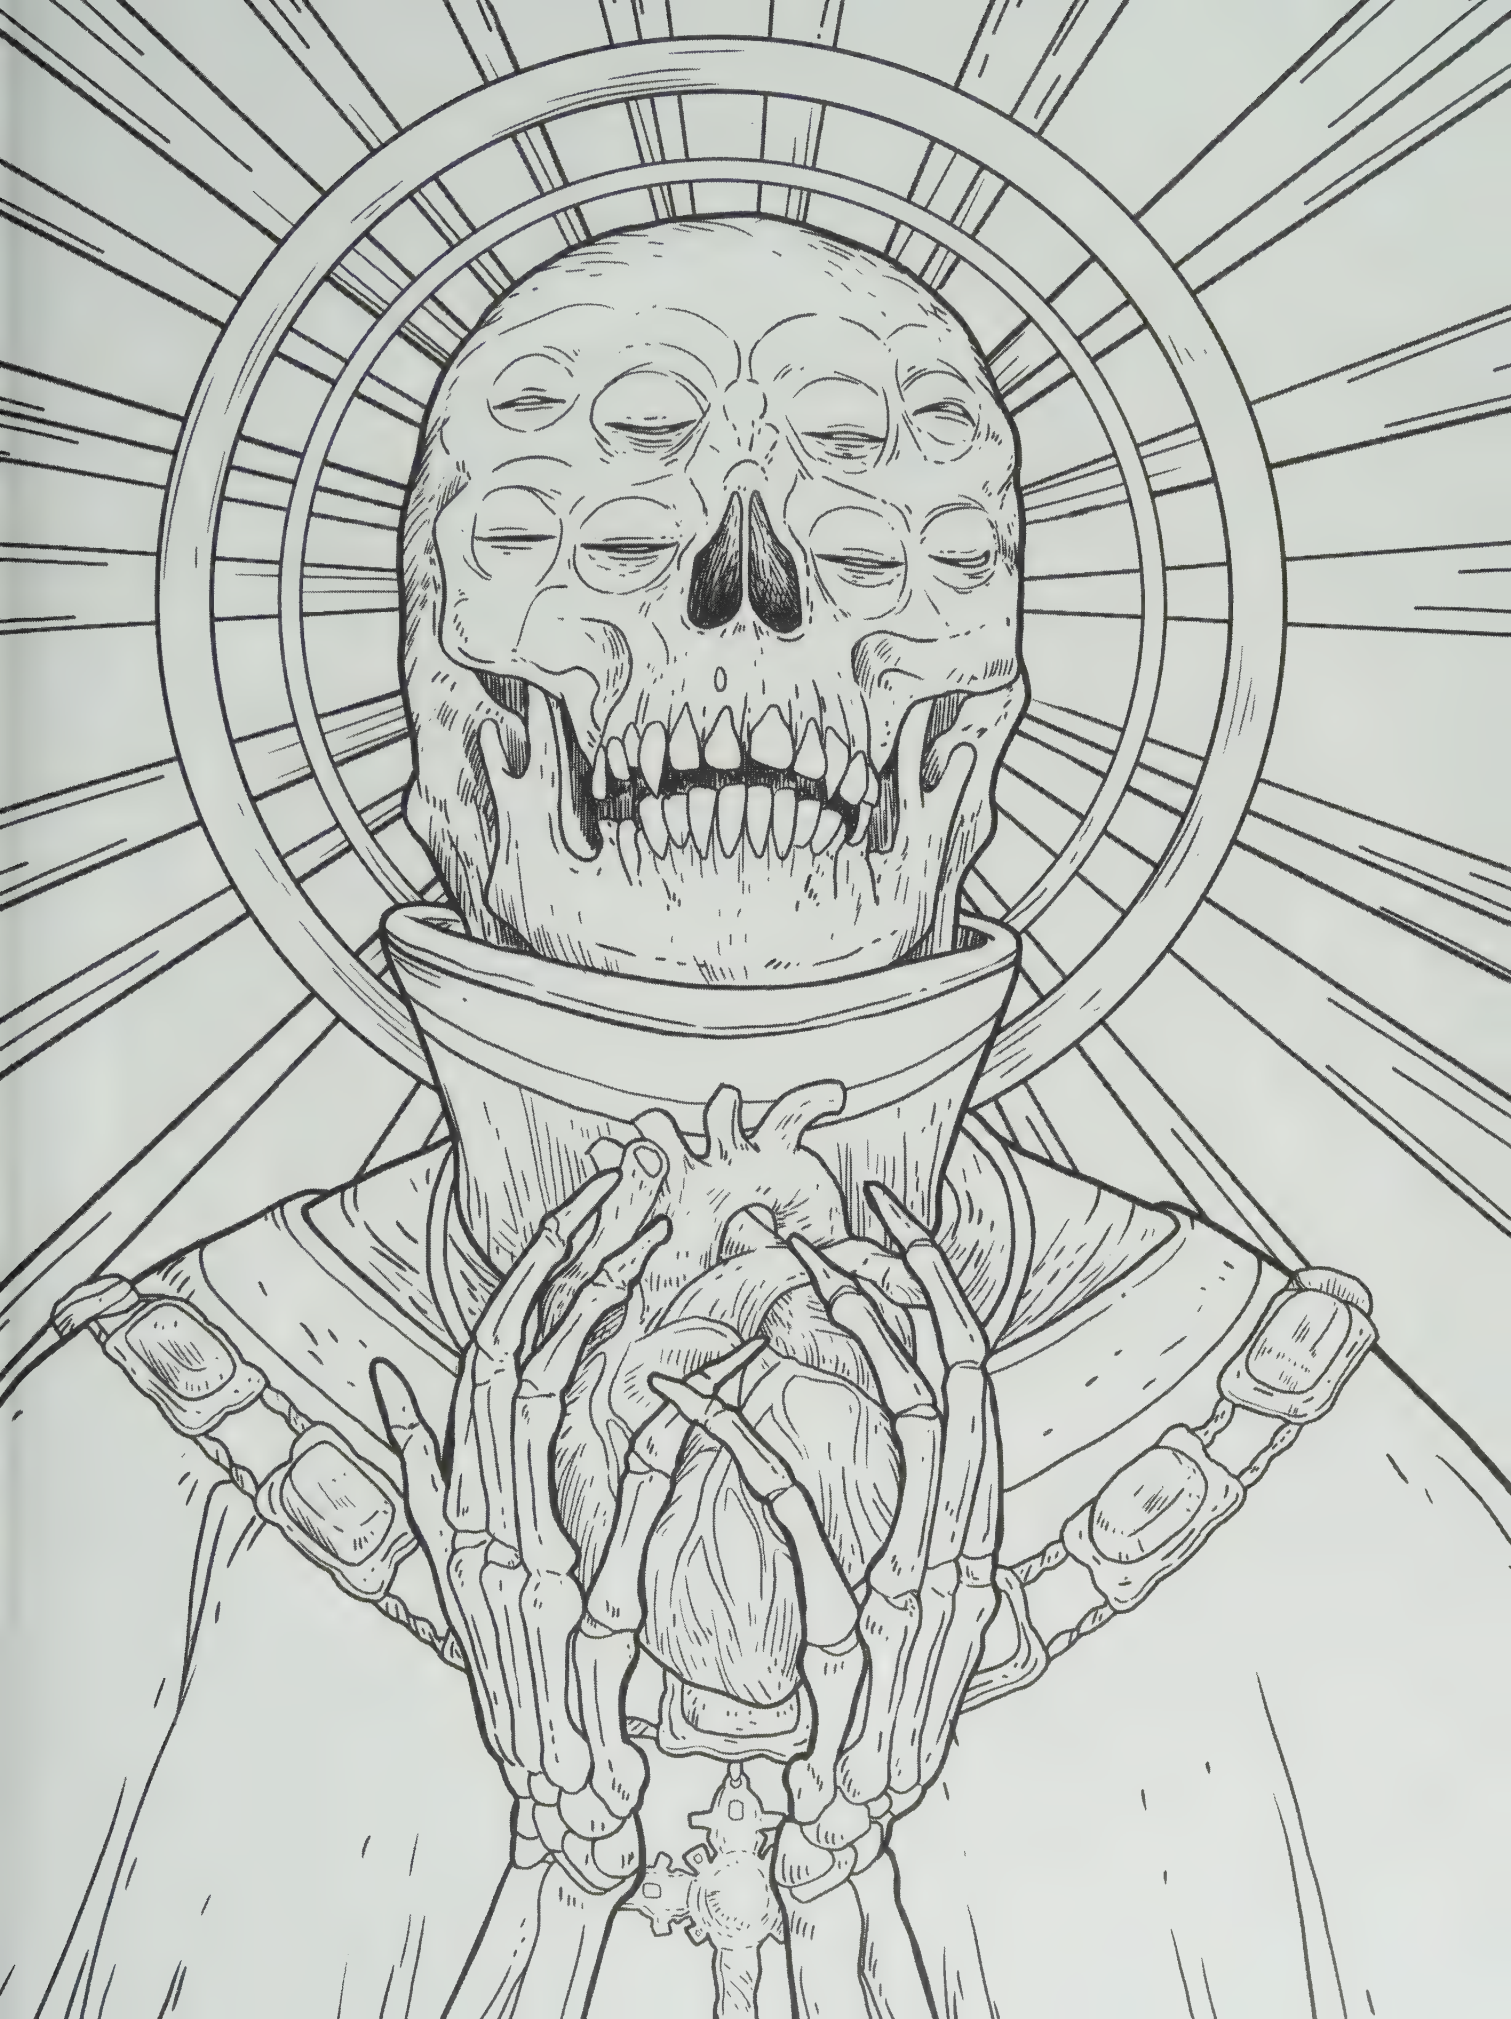

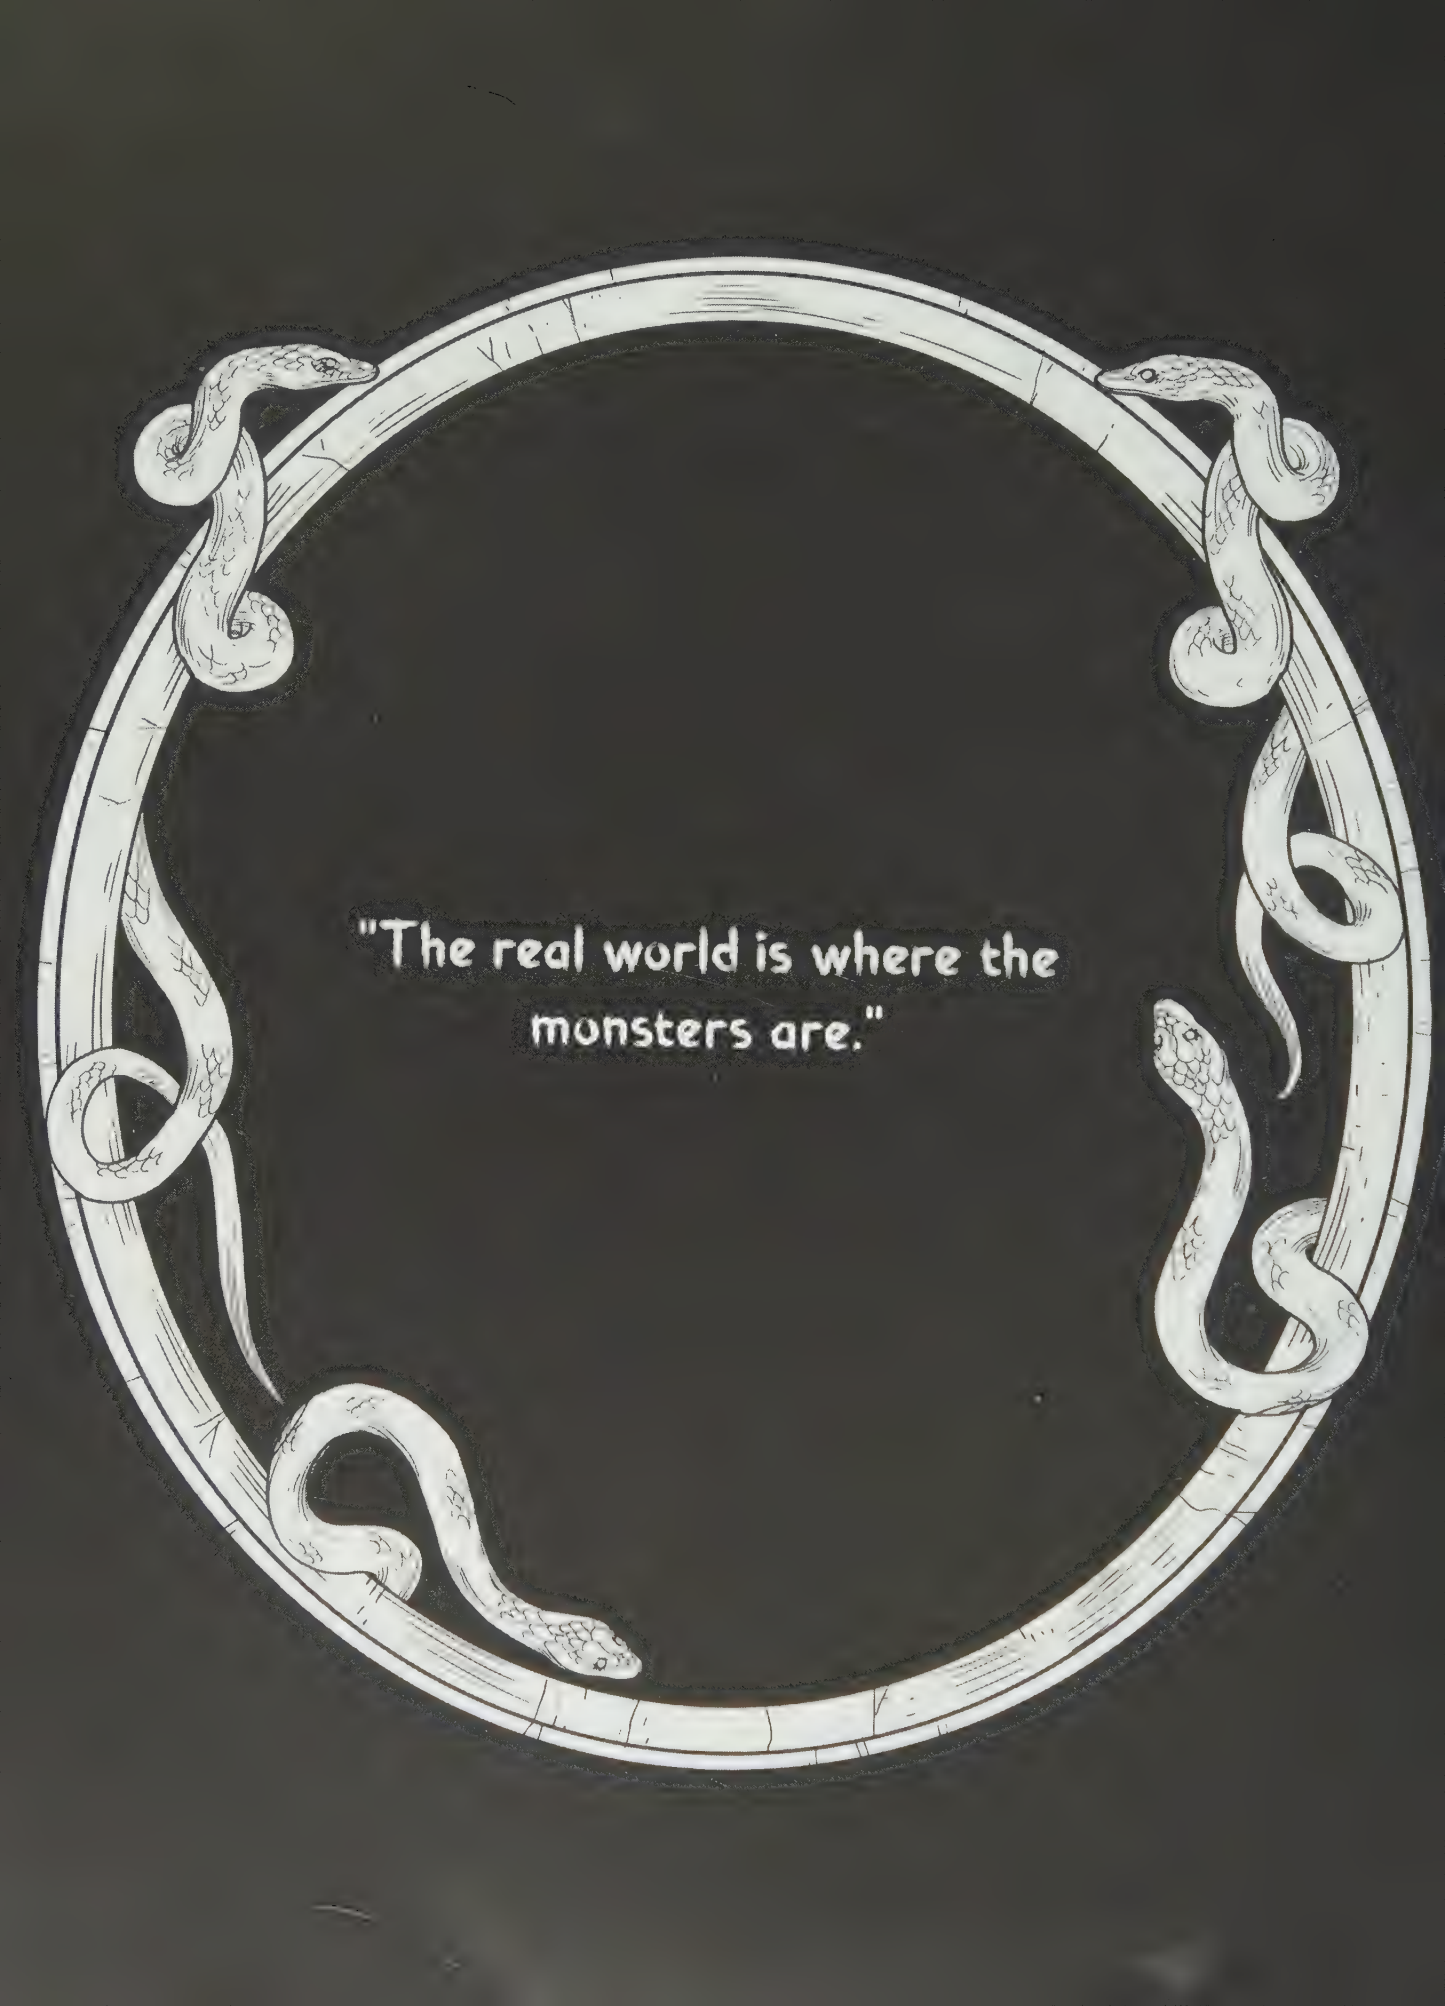

"Just when you think you've hit
rock bottom, you realize you're
standing on another trapdoor."

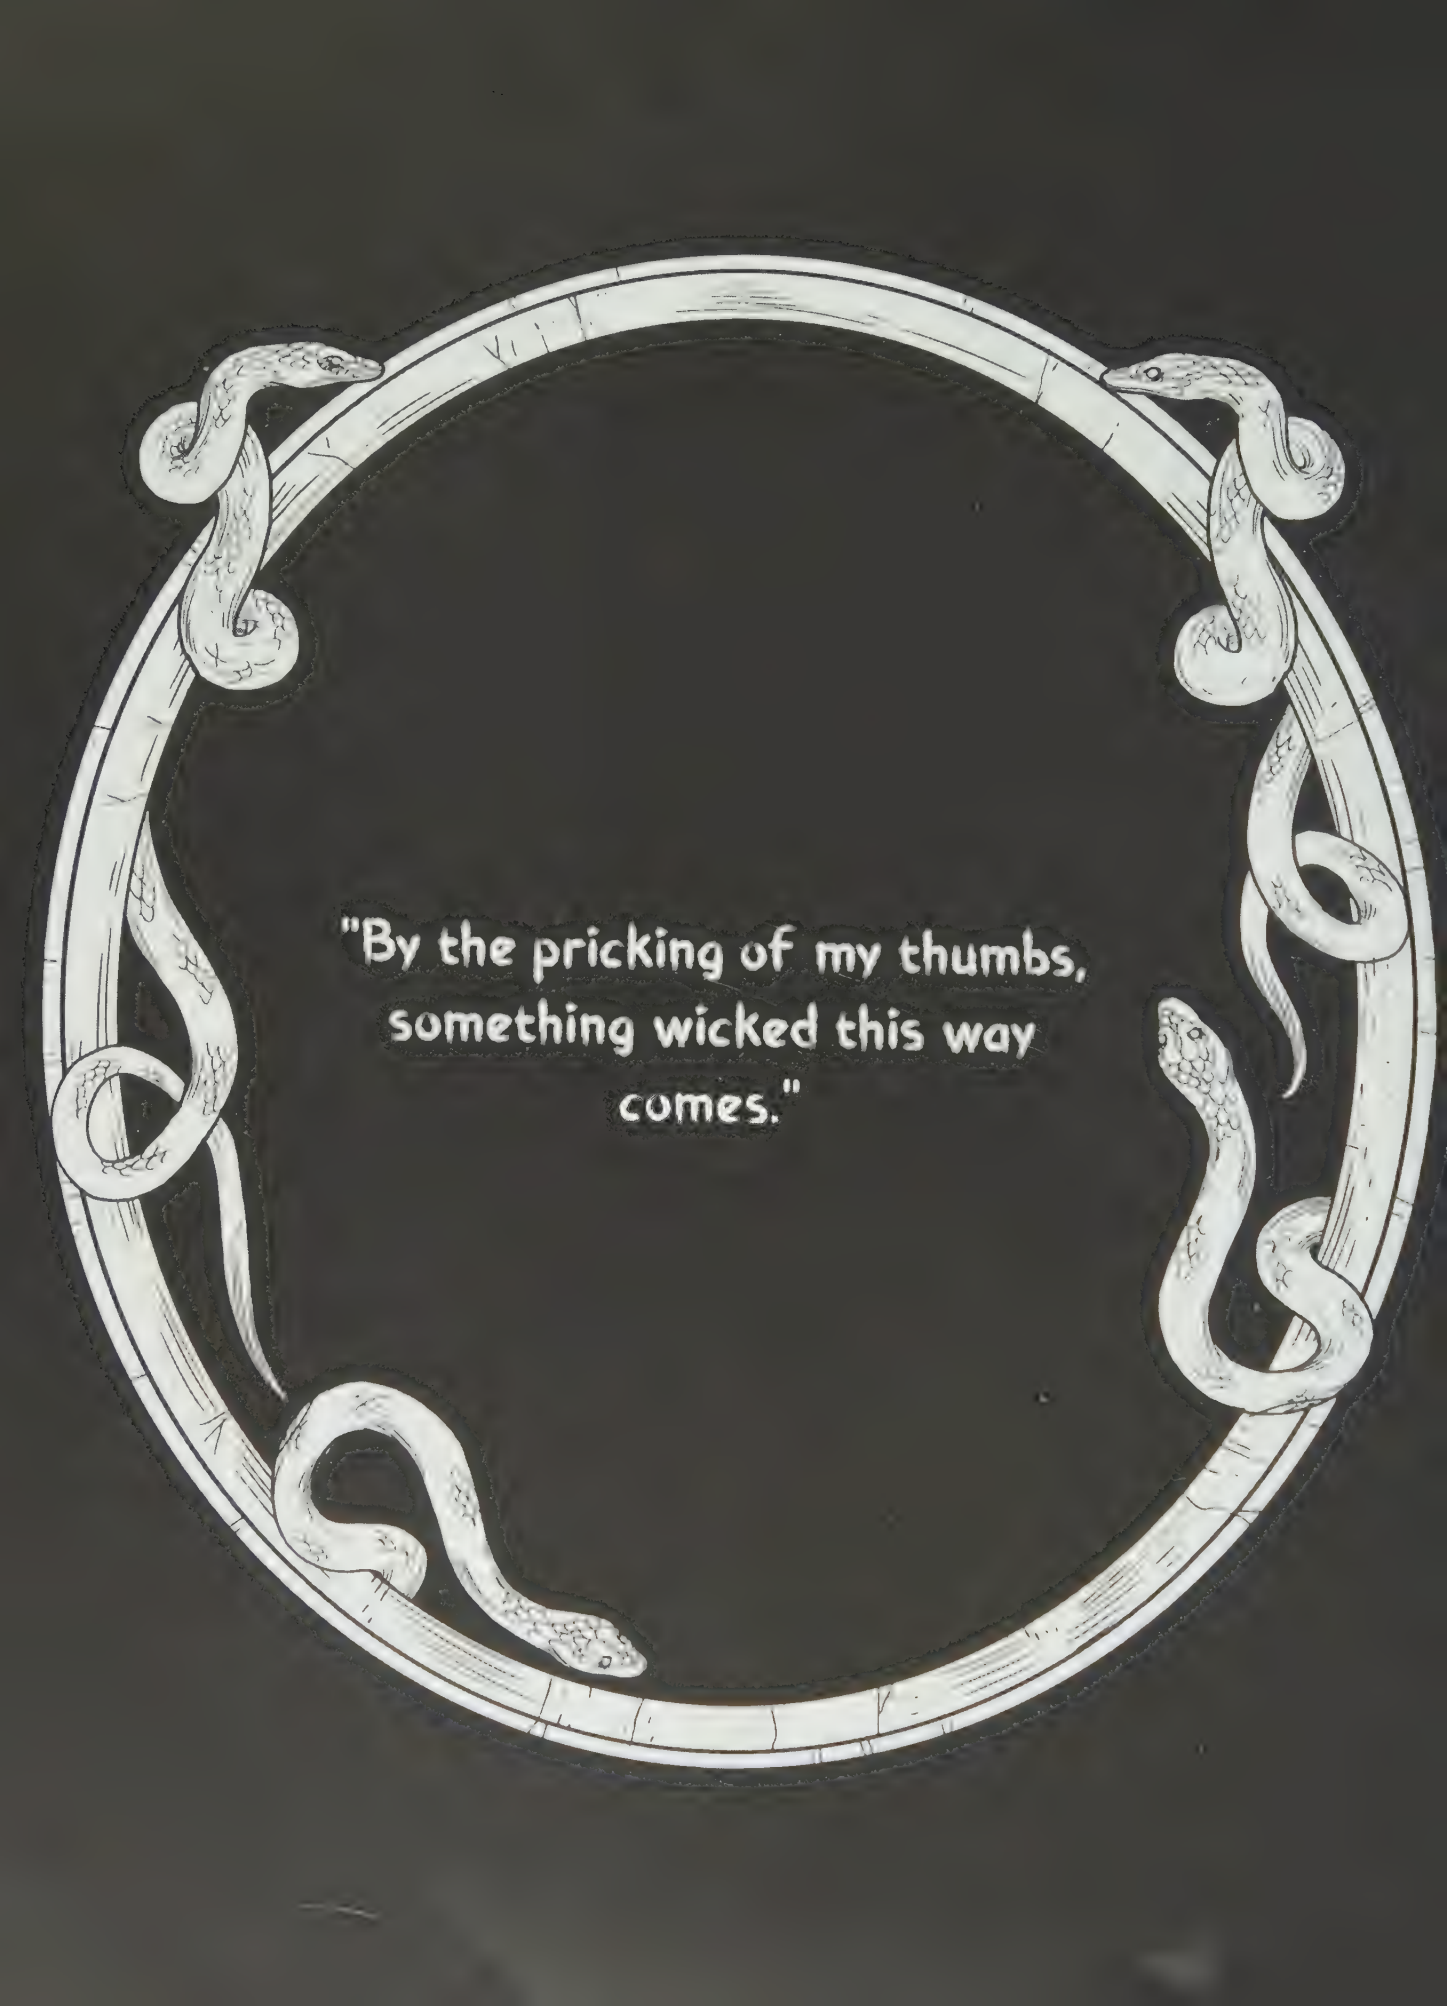

"The world outside had its own
rules and those rules were not
human."

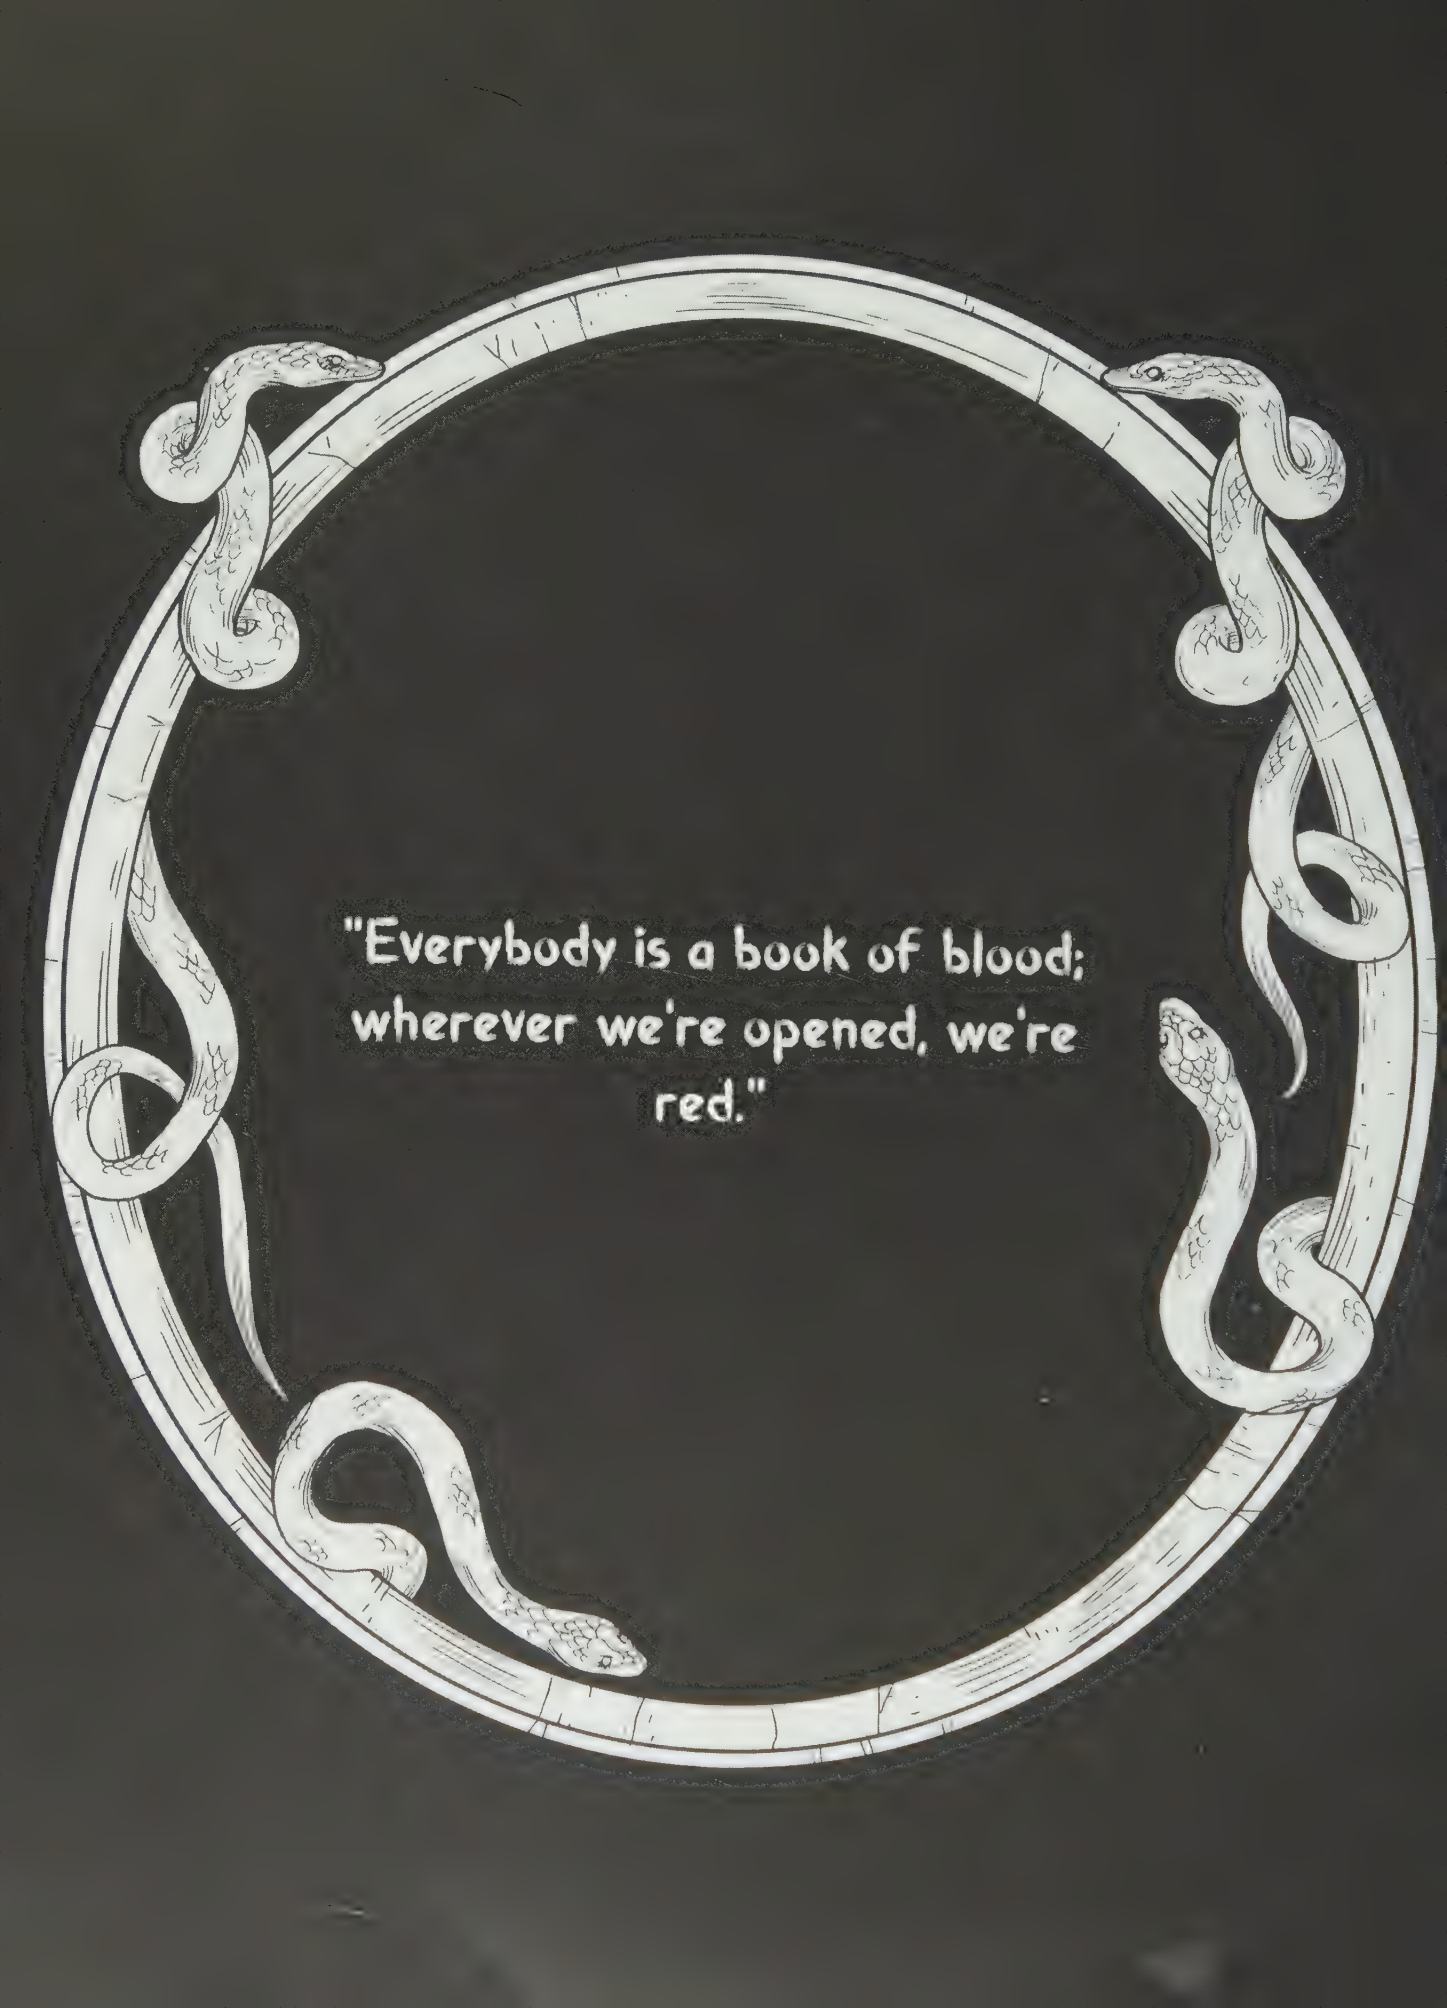

"The real world is where the
monsters are."

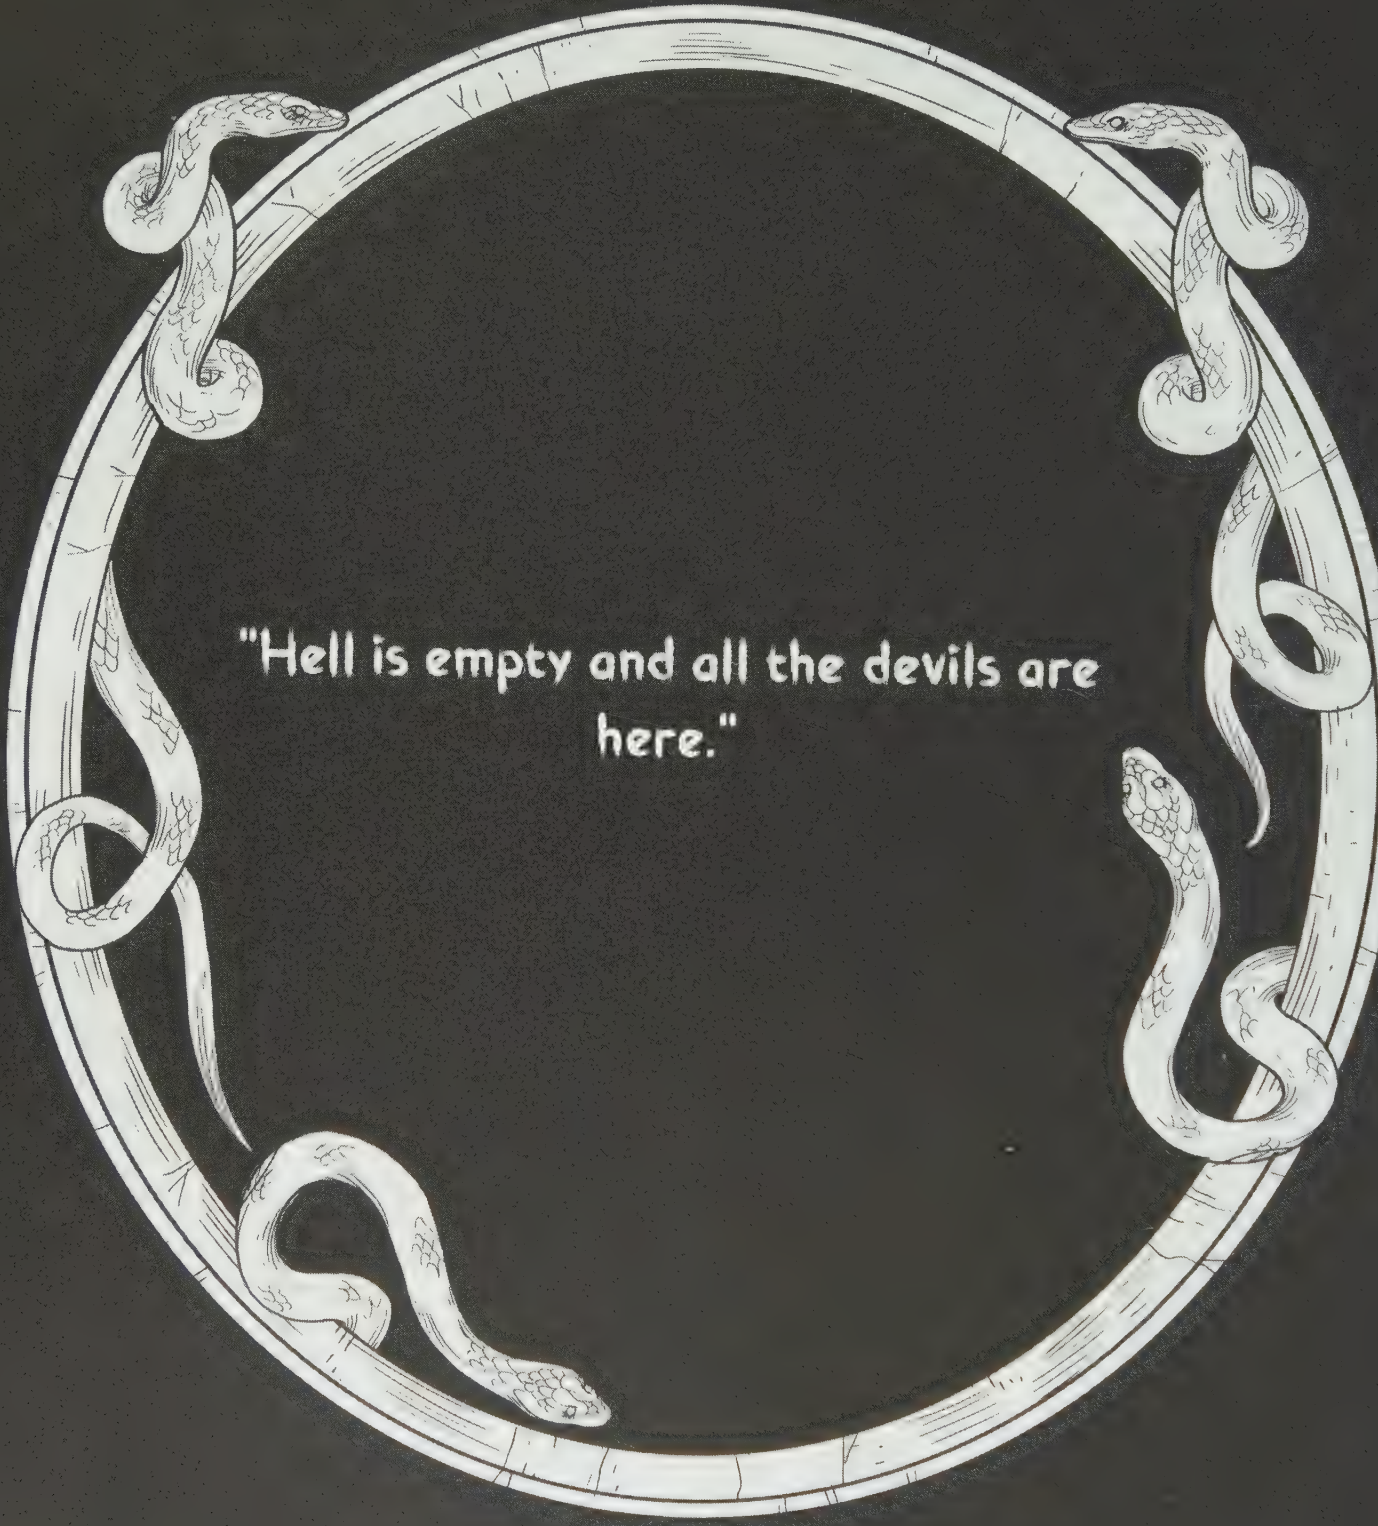

"By the pricking of my thumbs,
something wicked this way
comes."

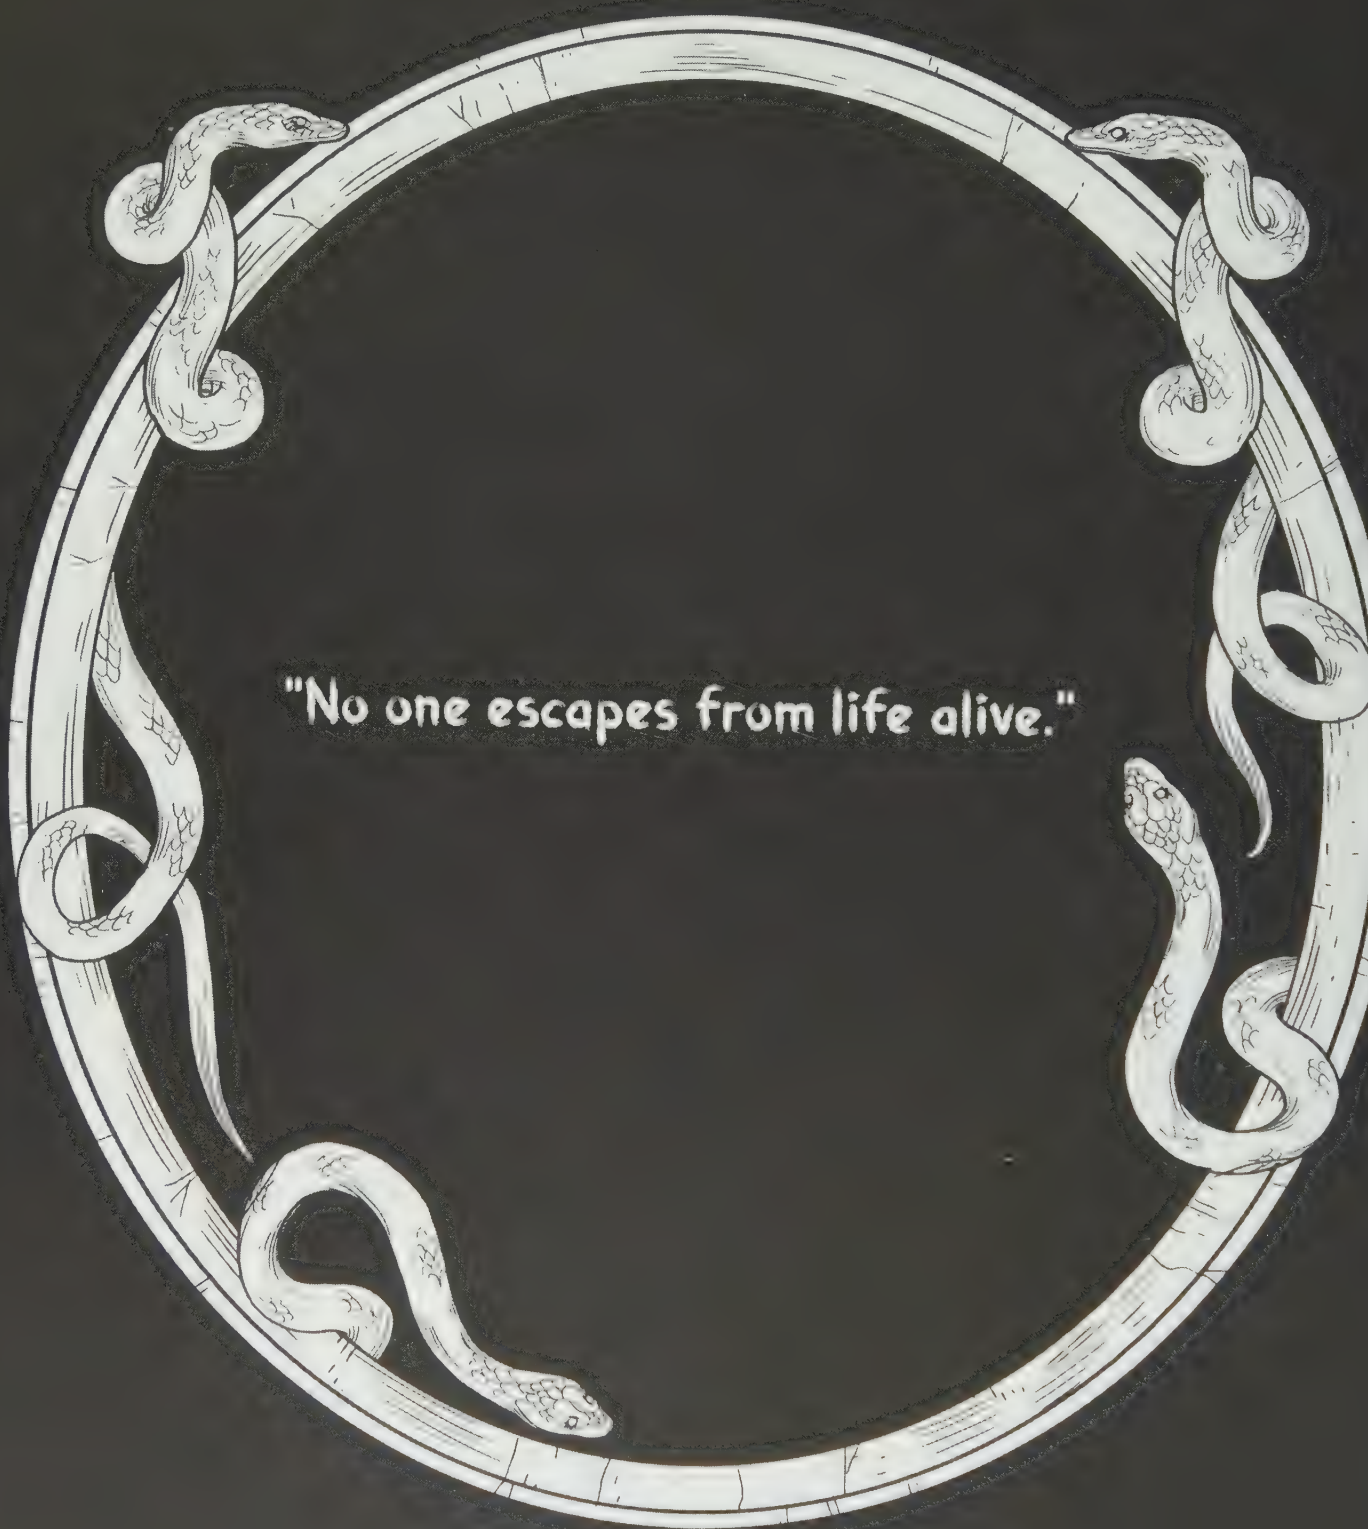

"Everybody is a book of blood;
wherever we're opened, we're
red."

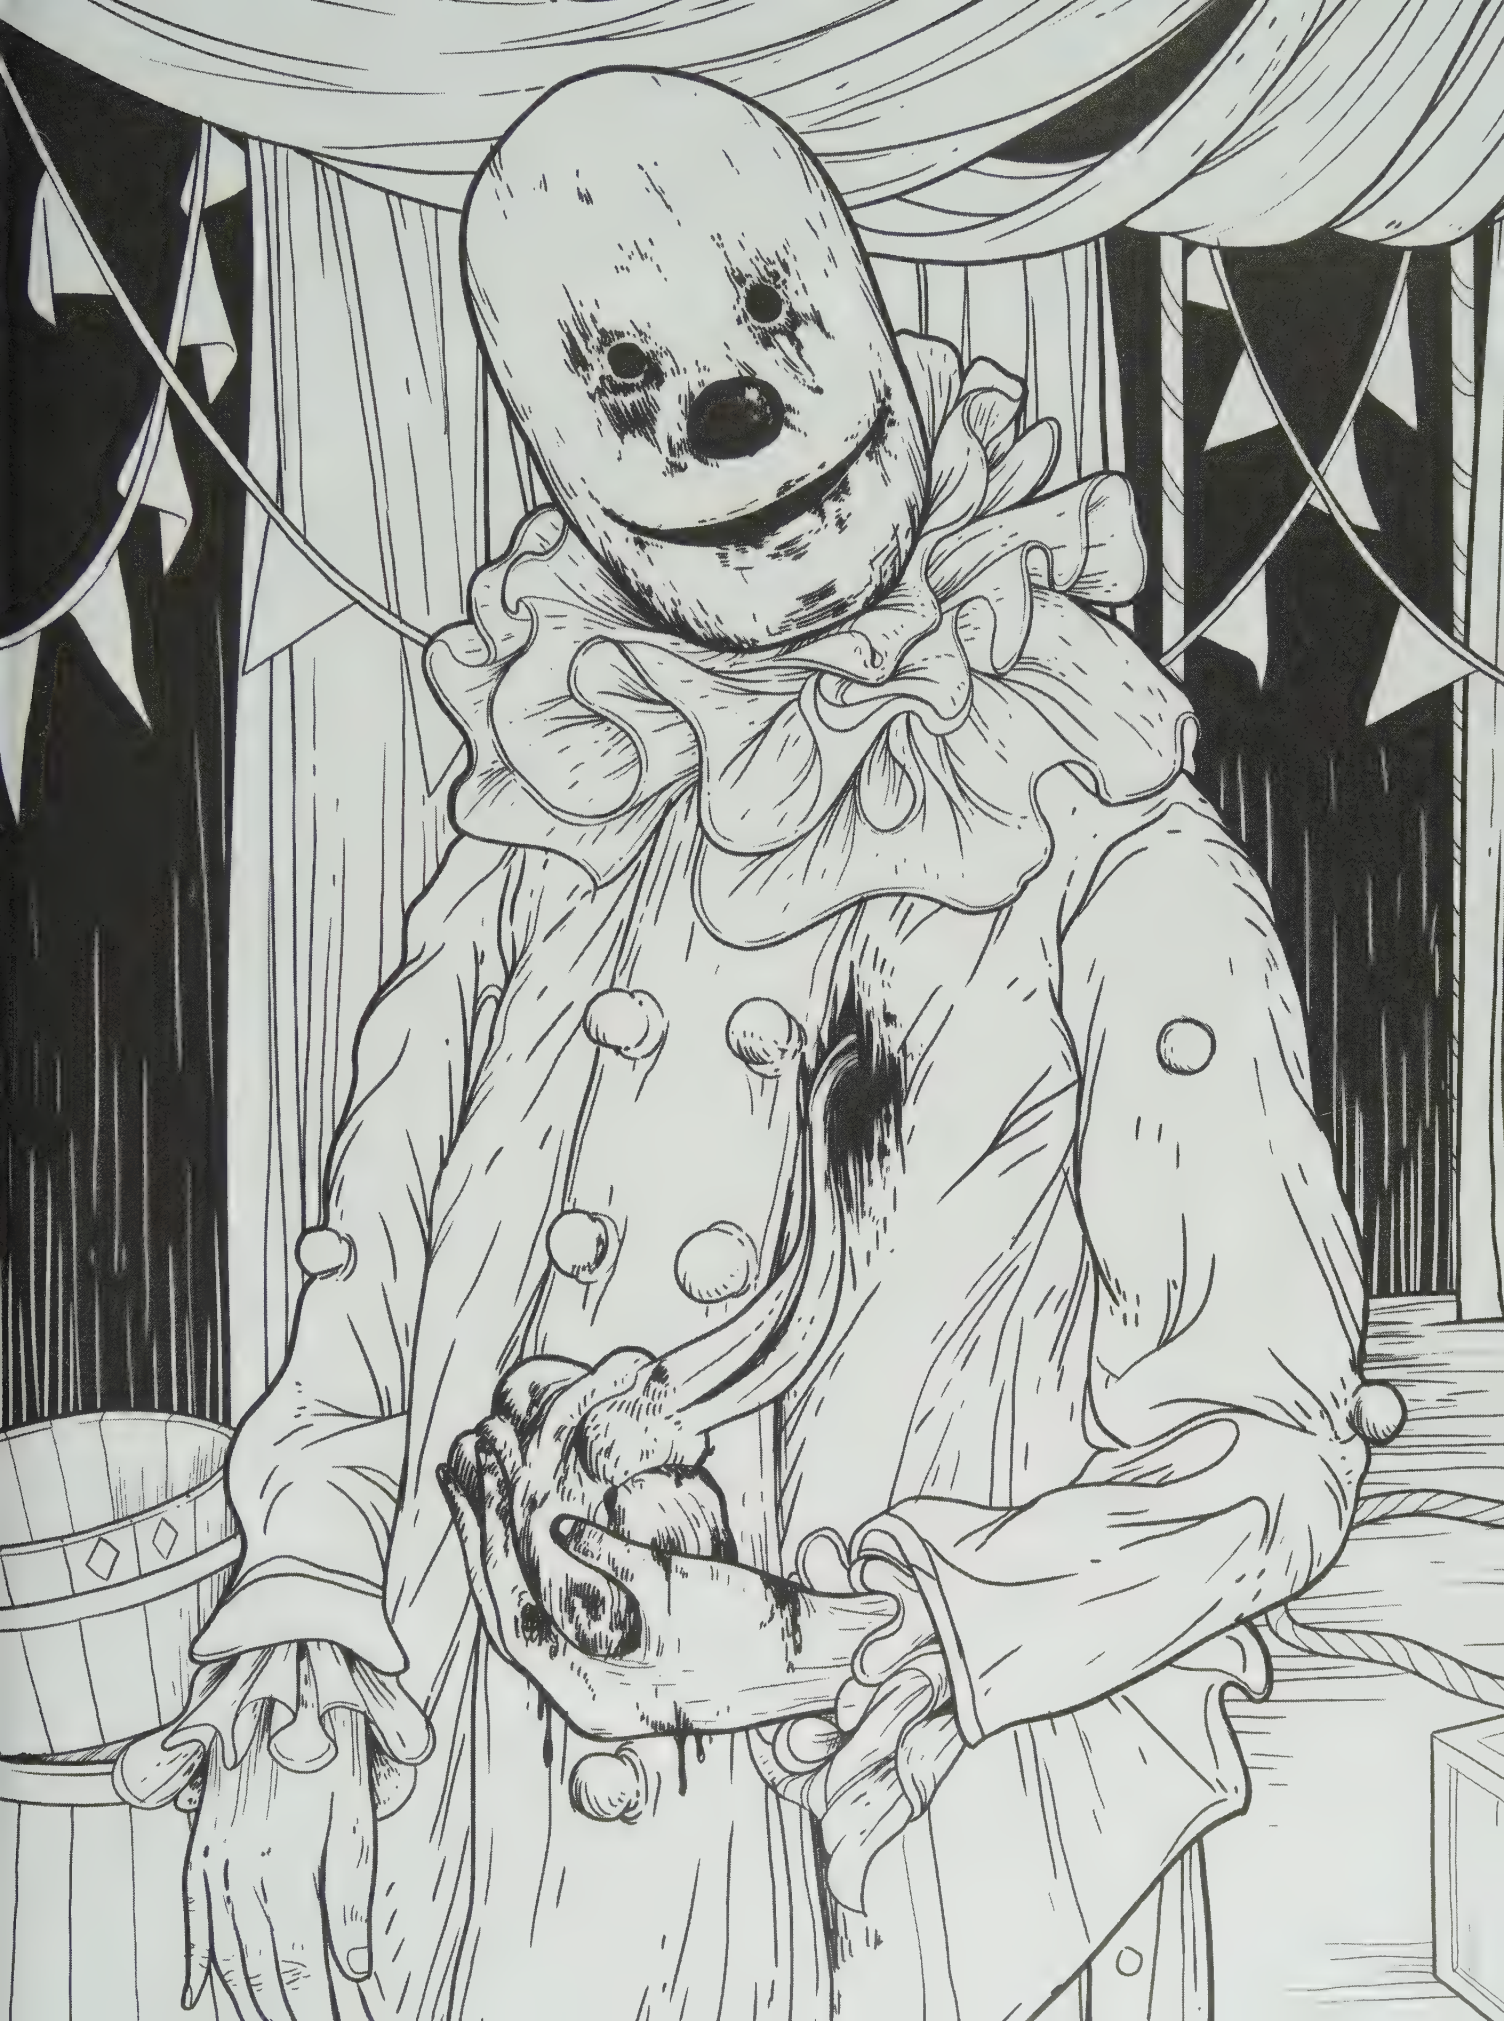

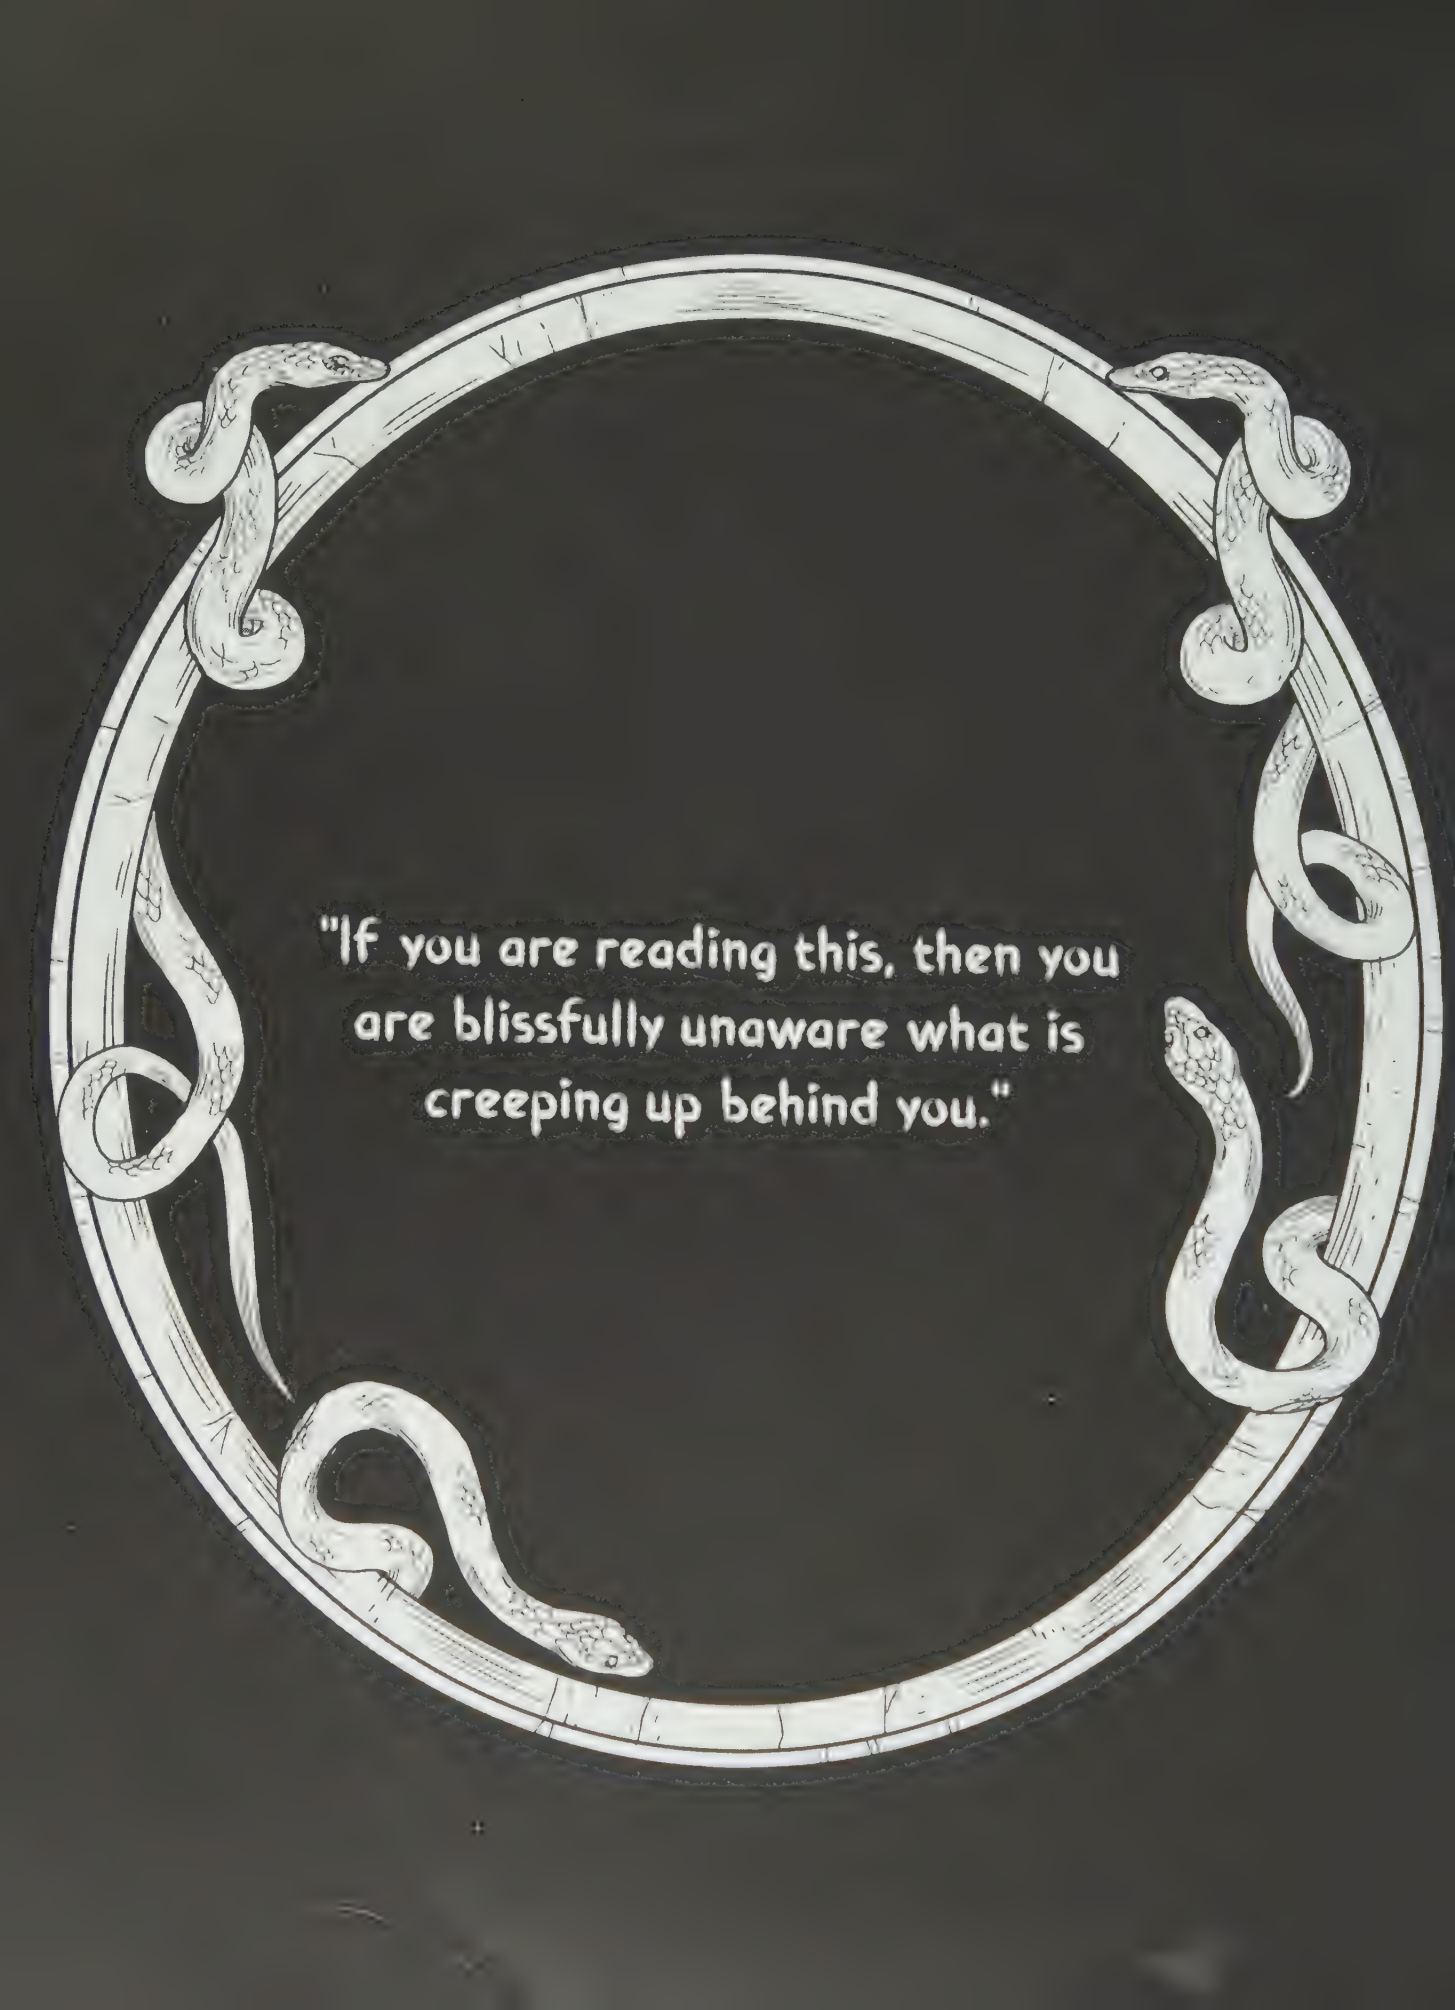

"Hell is empty and all the devils are
here."

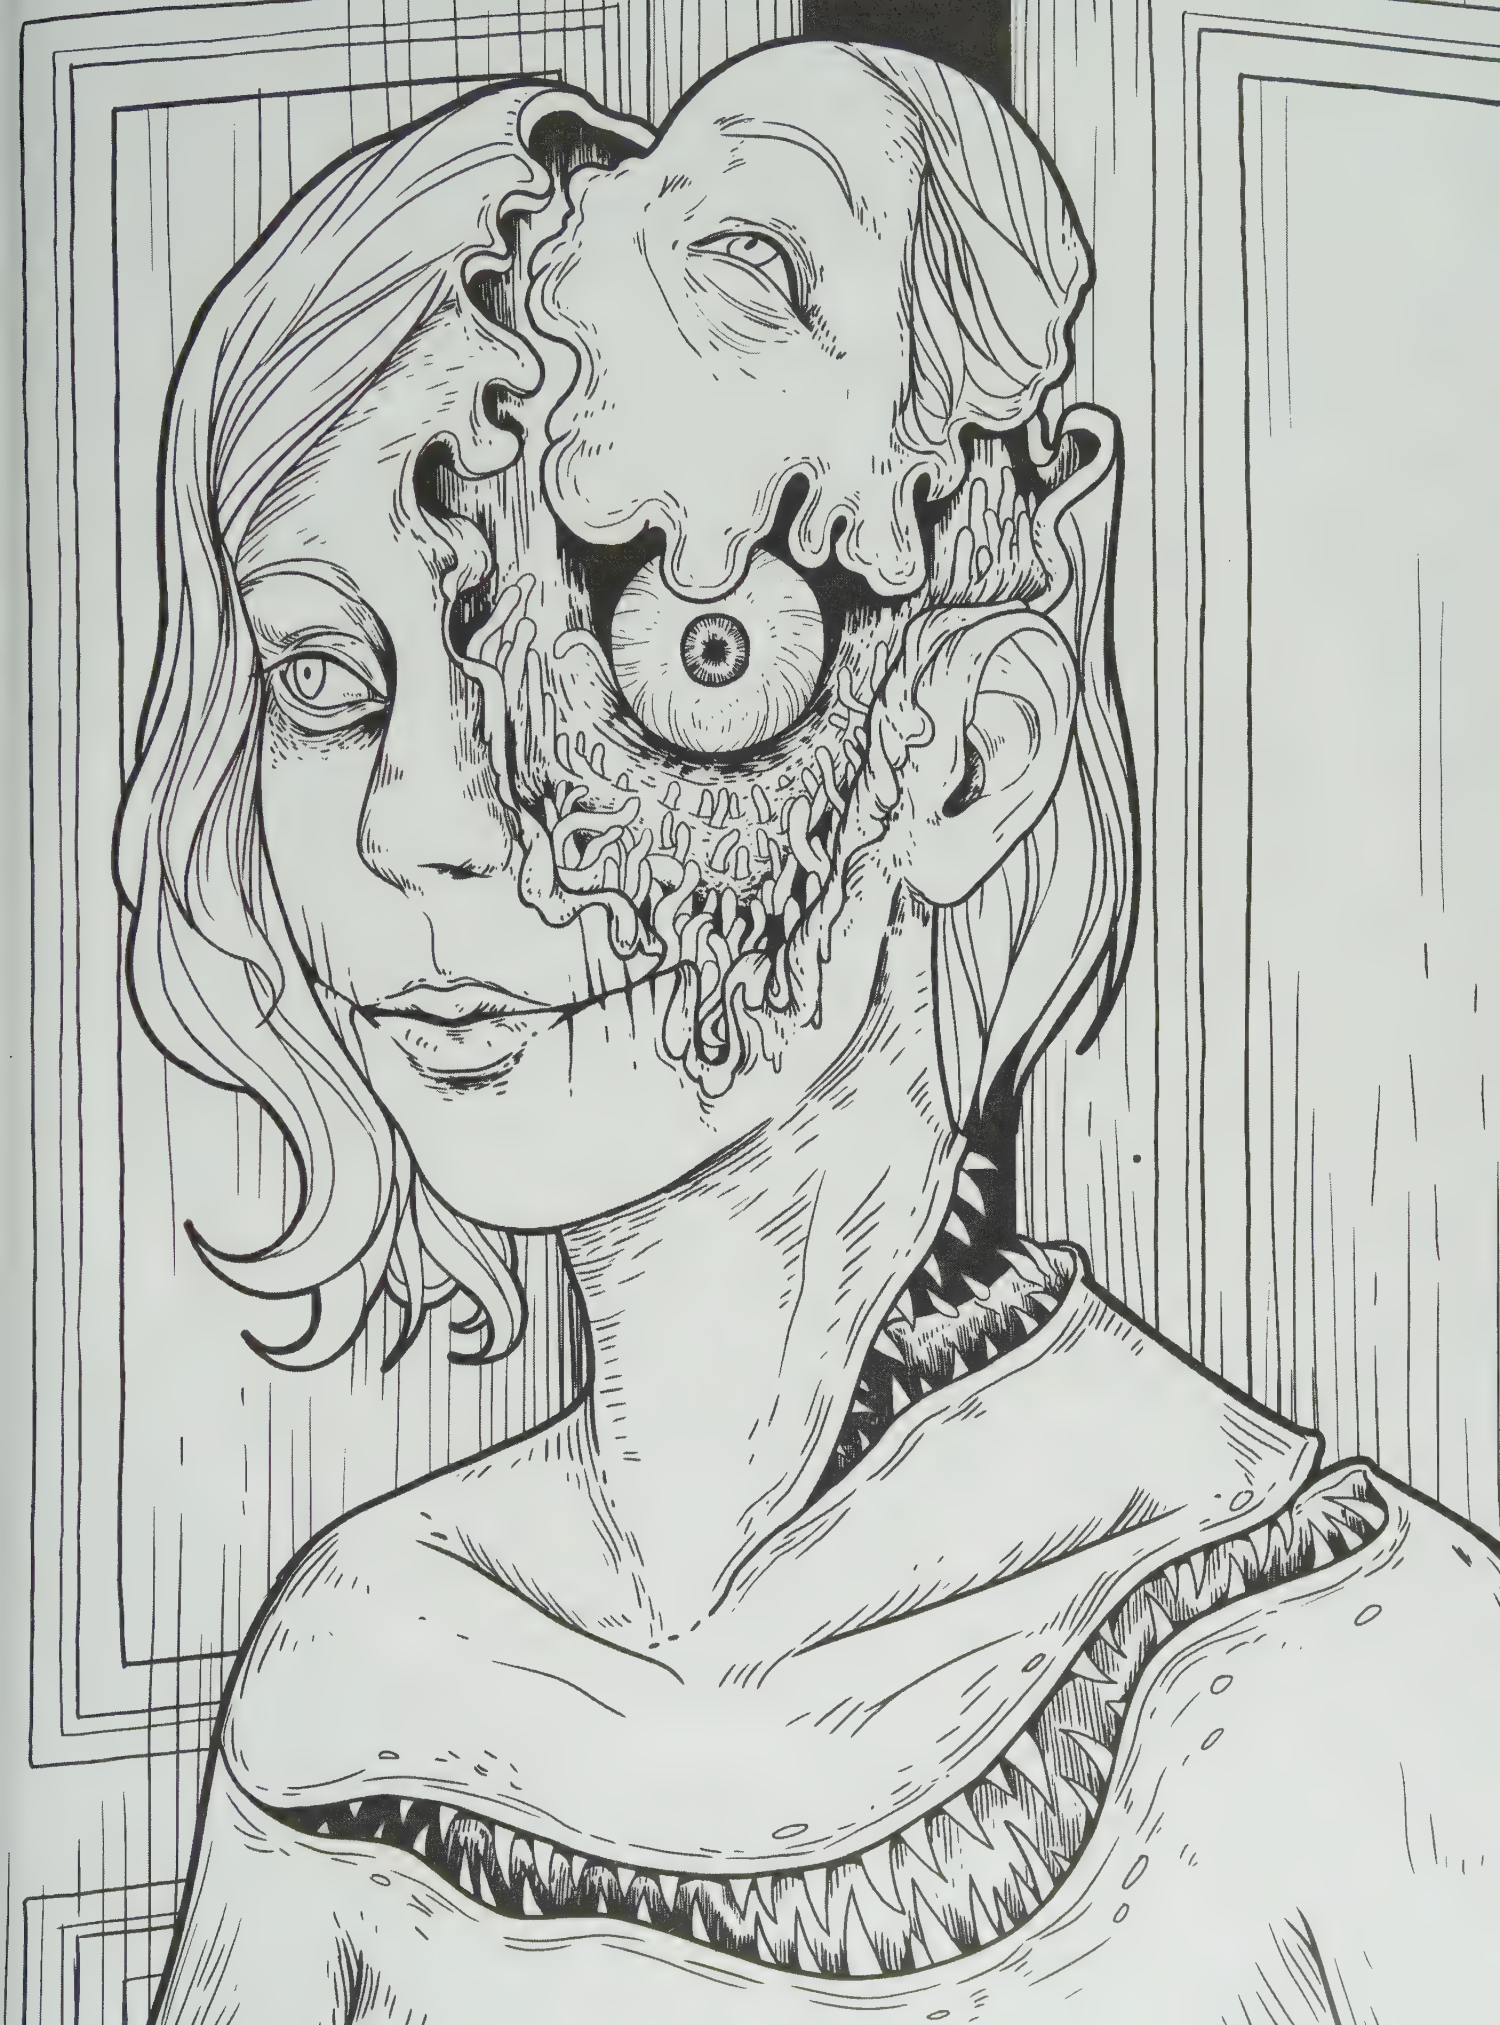

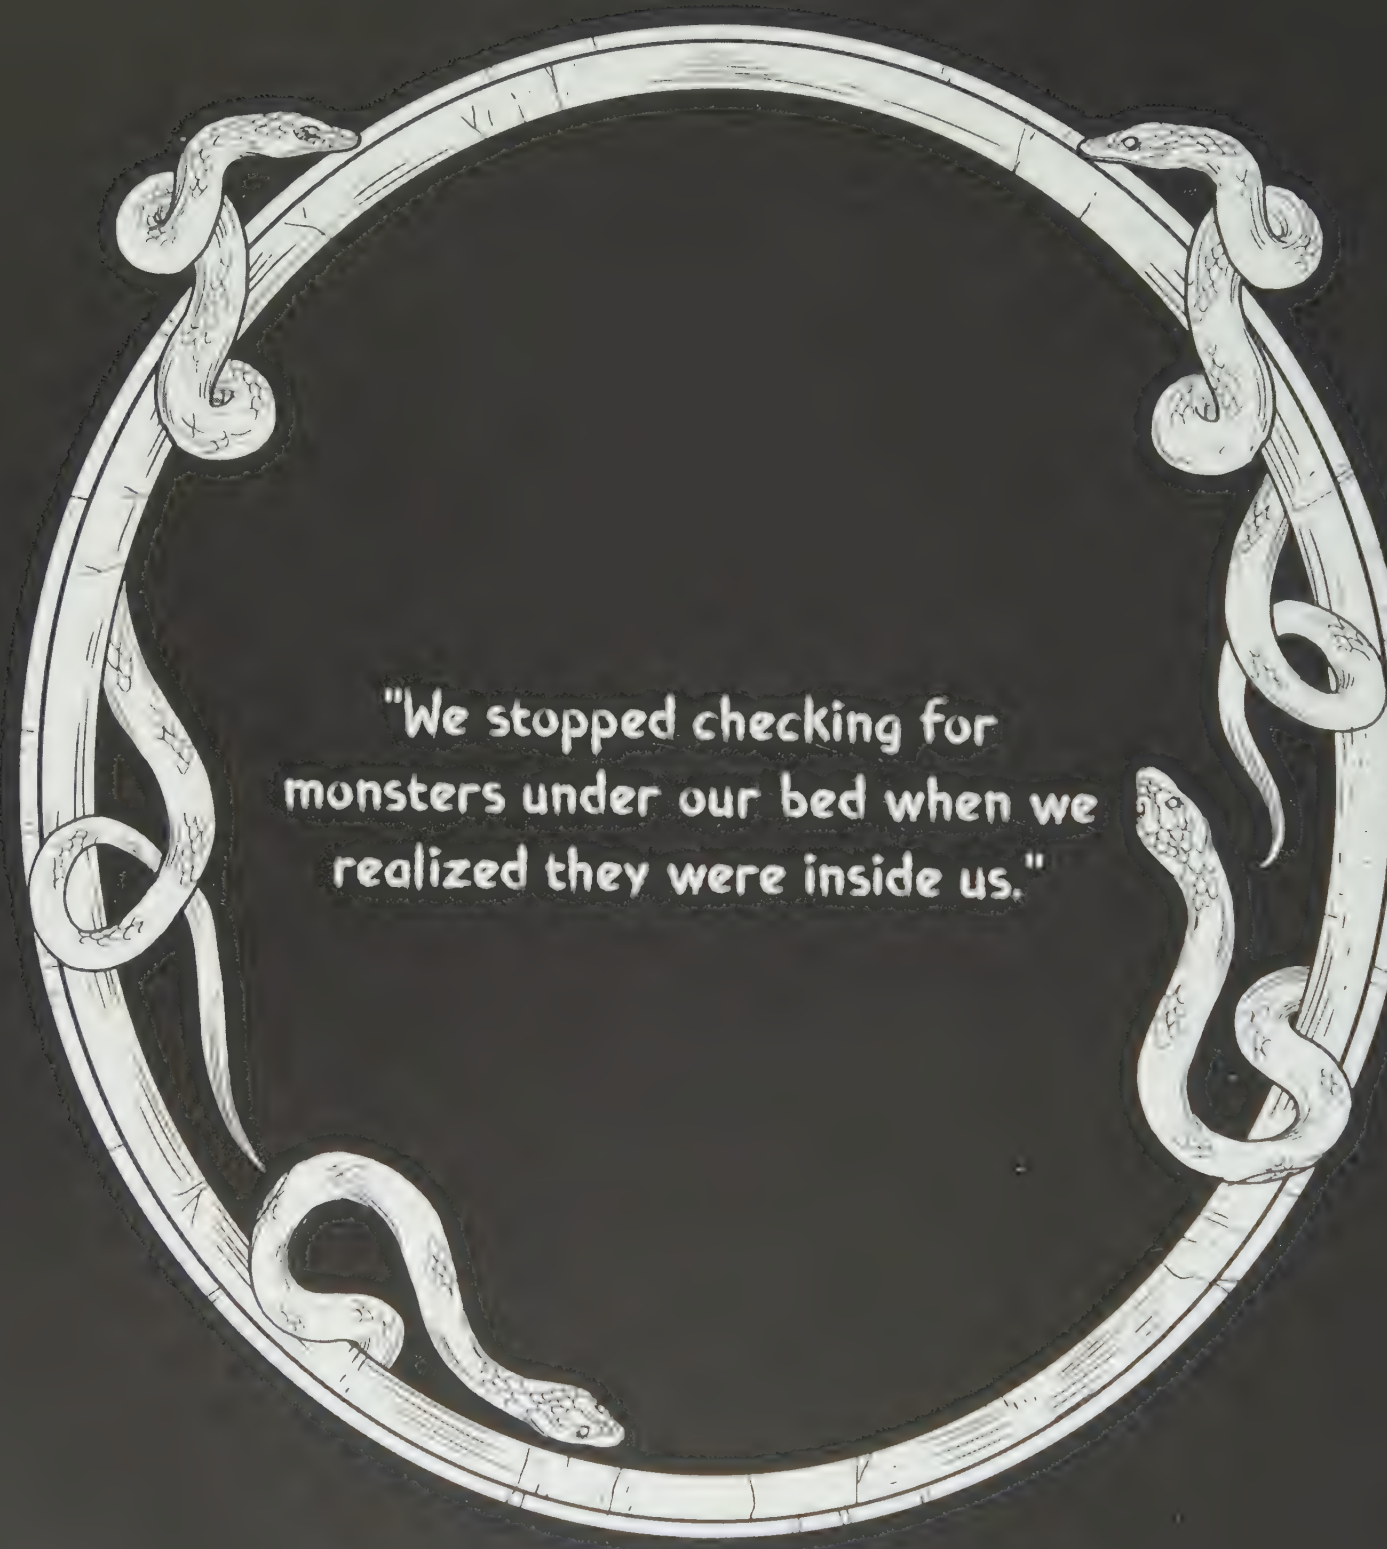

"No one escapes from life alive."

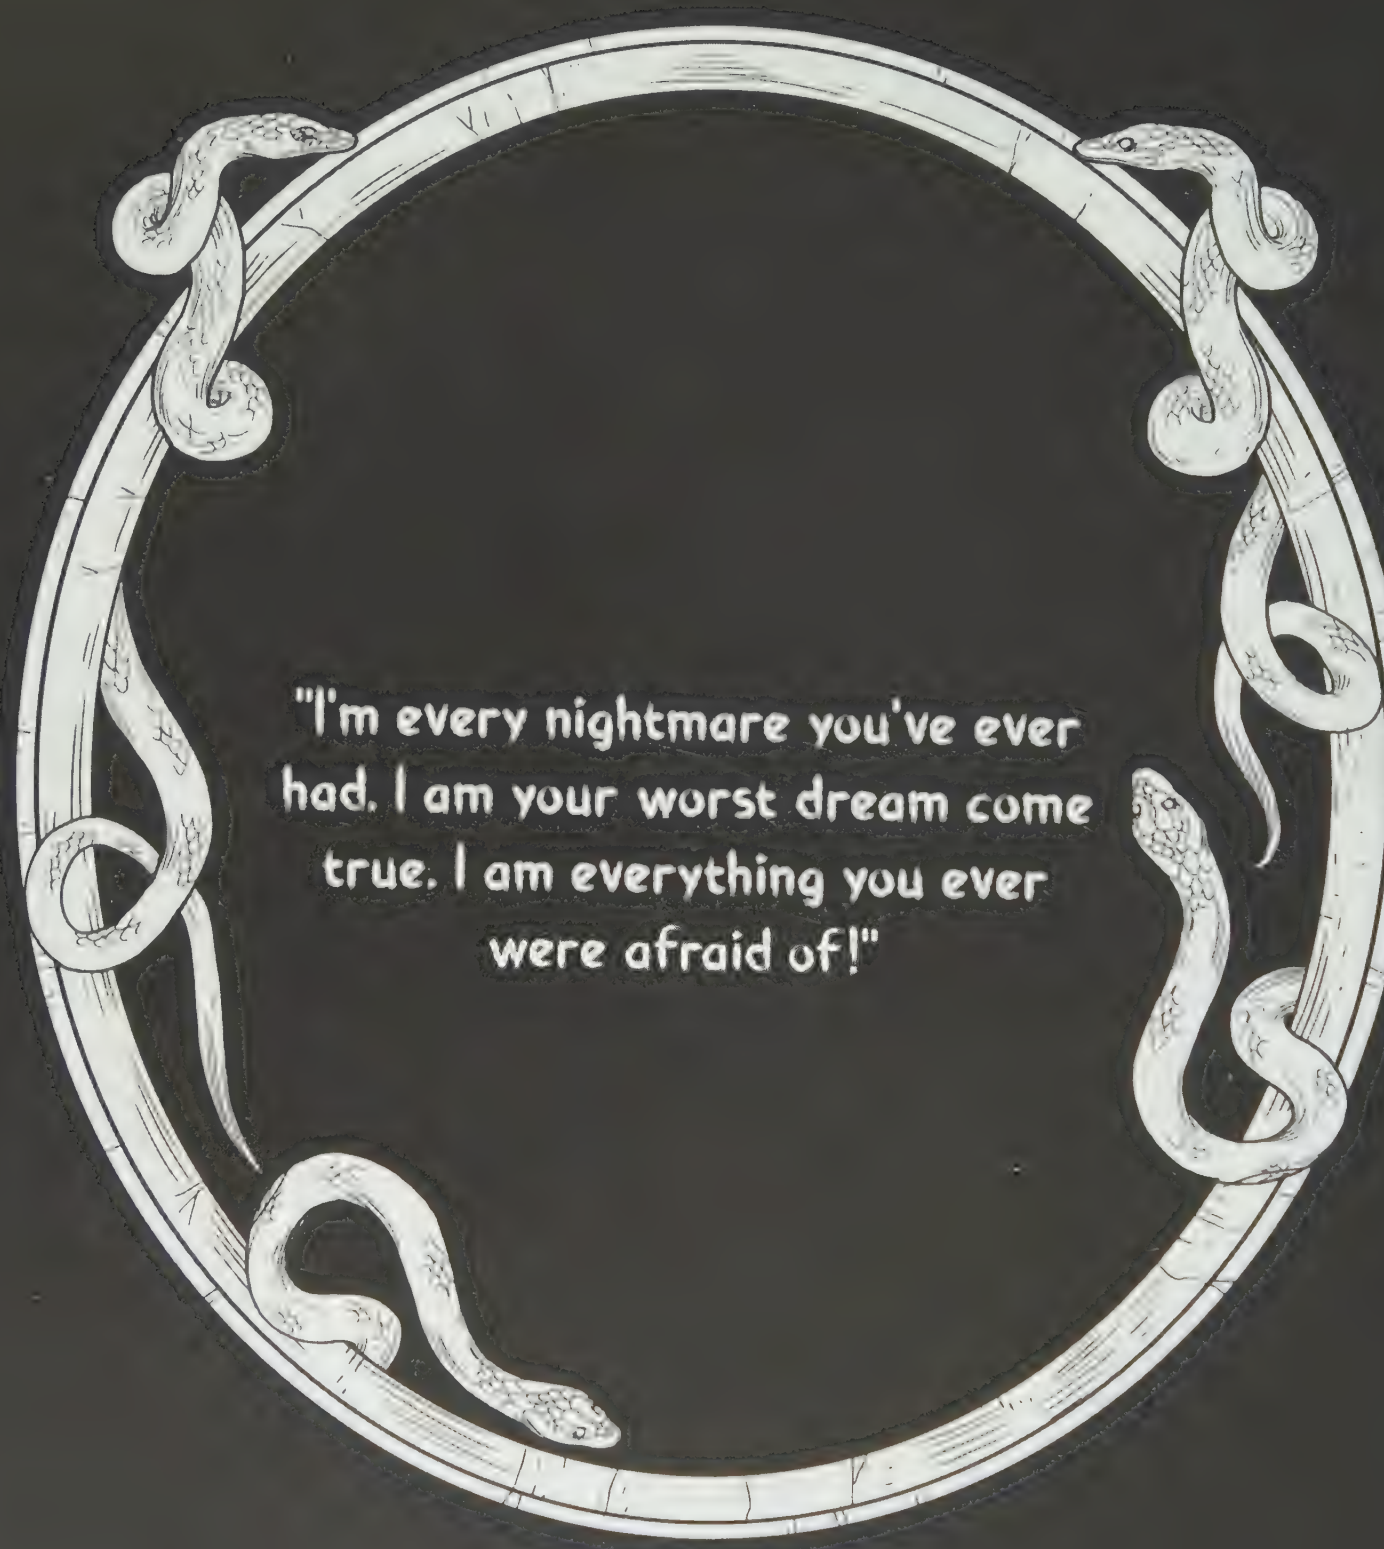

"If you are reading this, then you
are blissfully unaware what is
creeping up behind you."

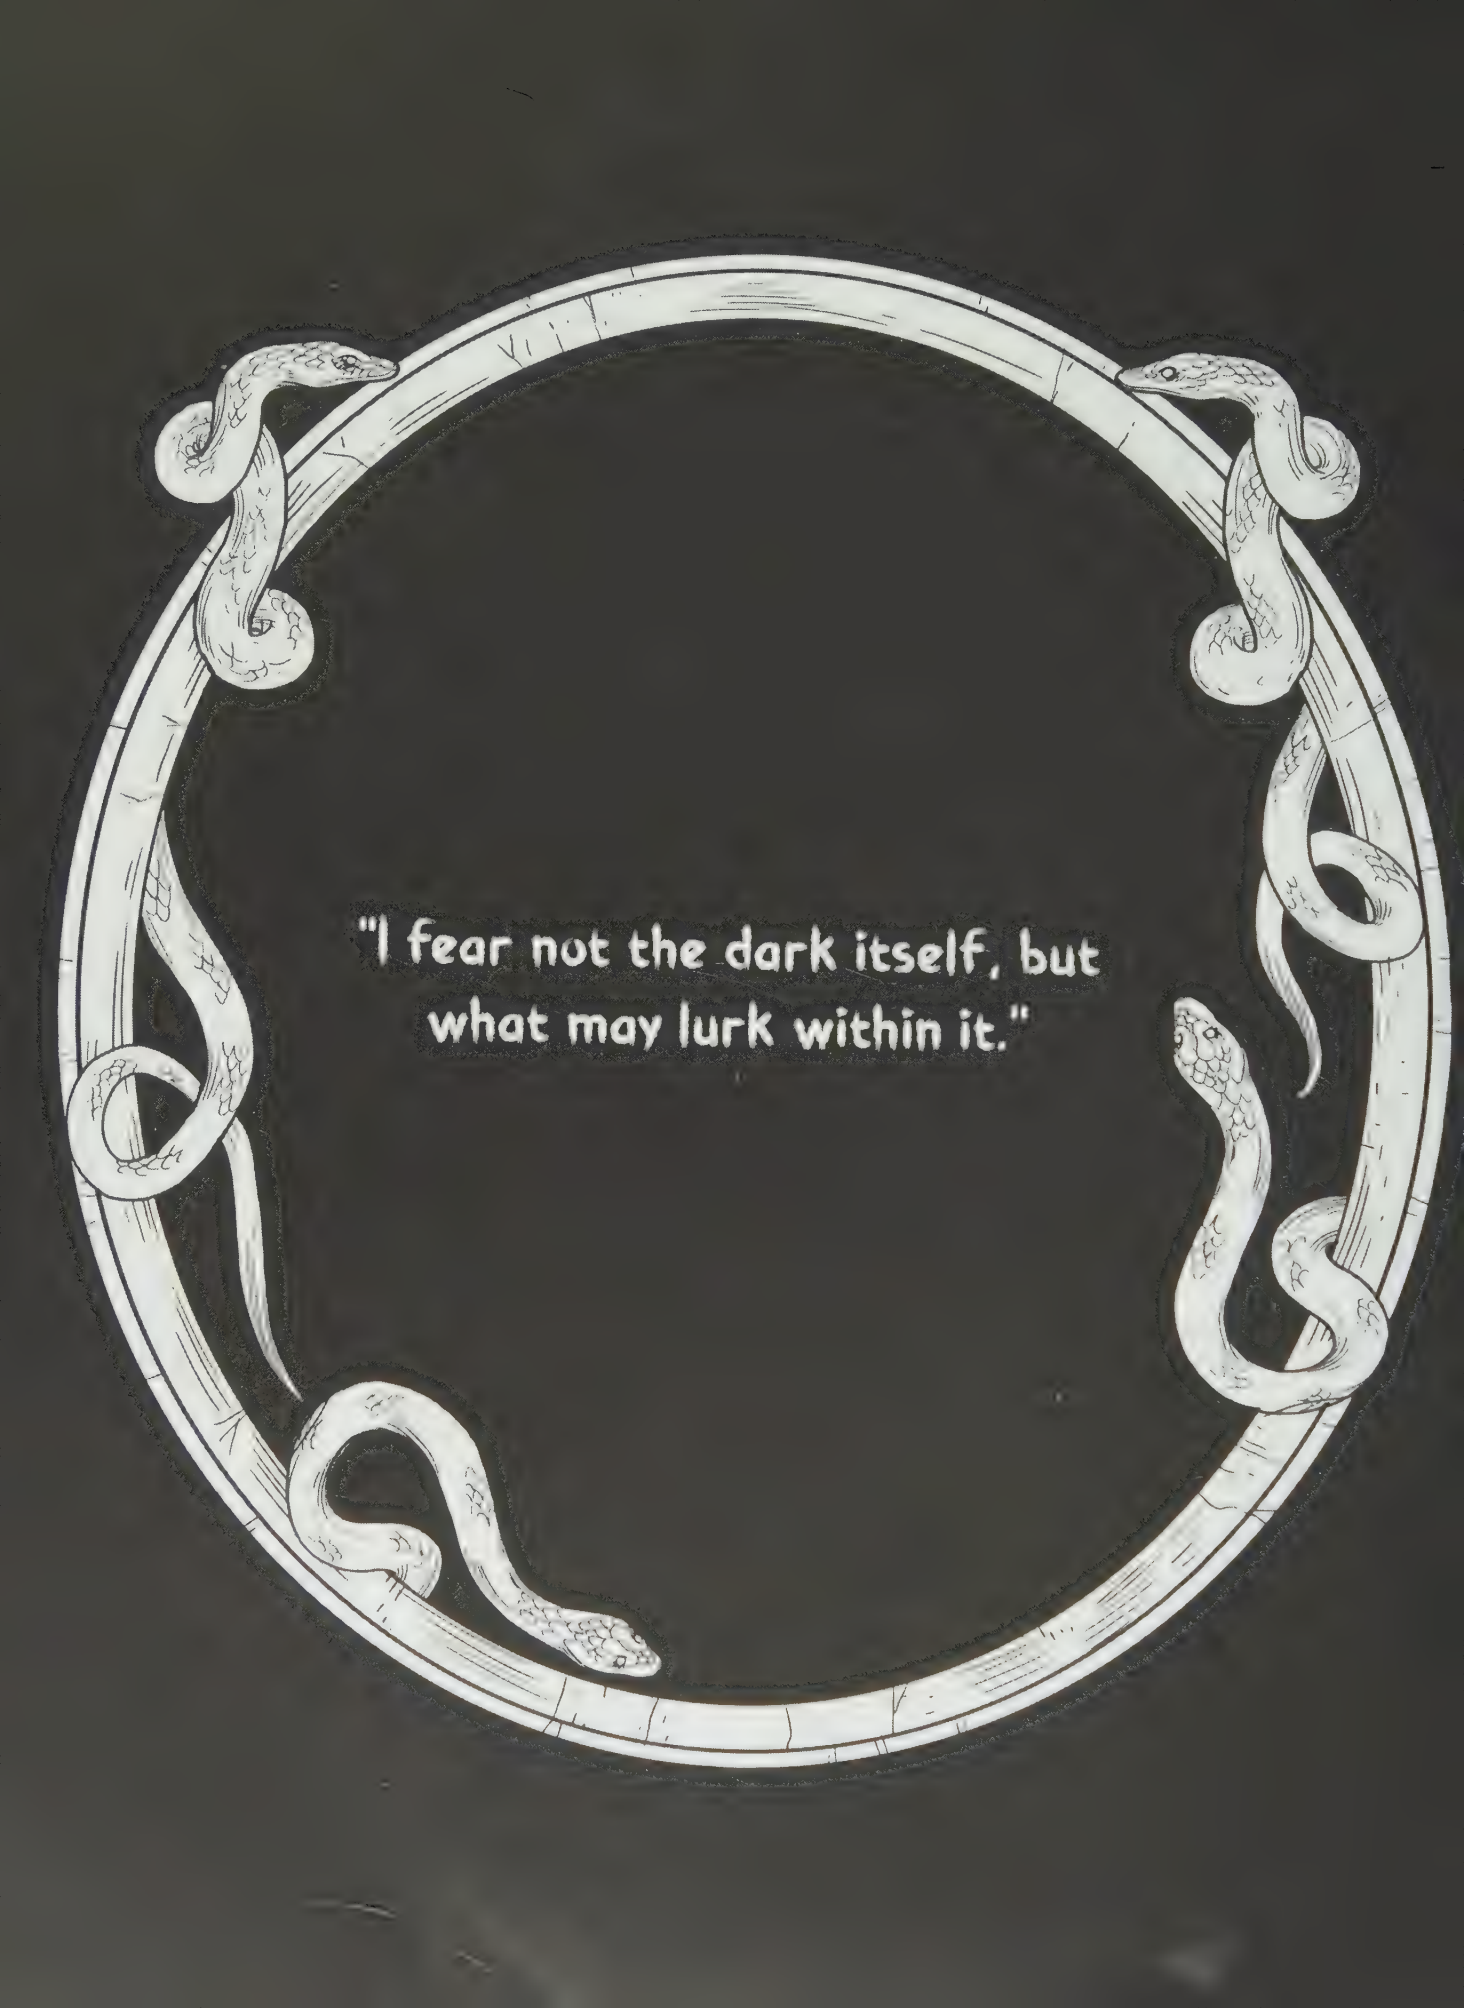

"We stopped checking for
monsters under our bed when we
realized they were inside us."

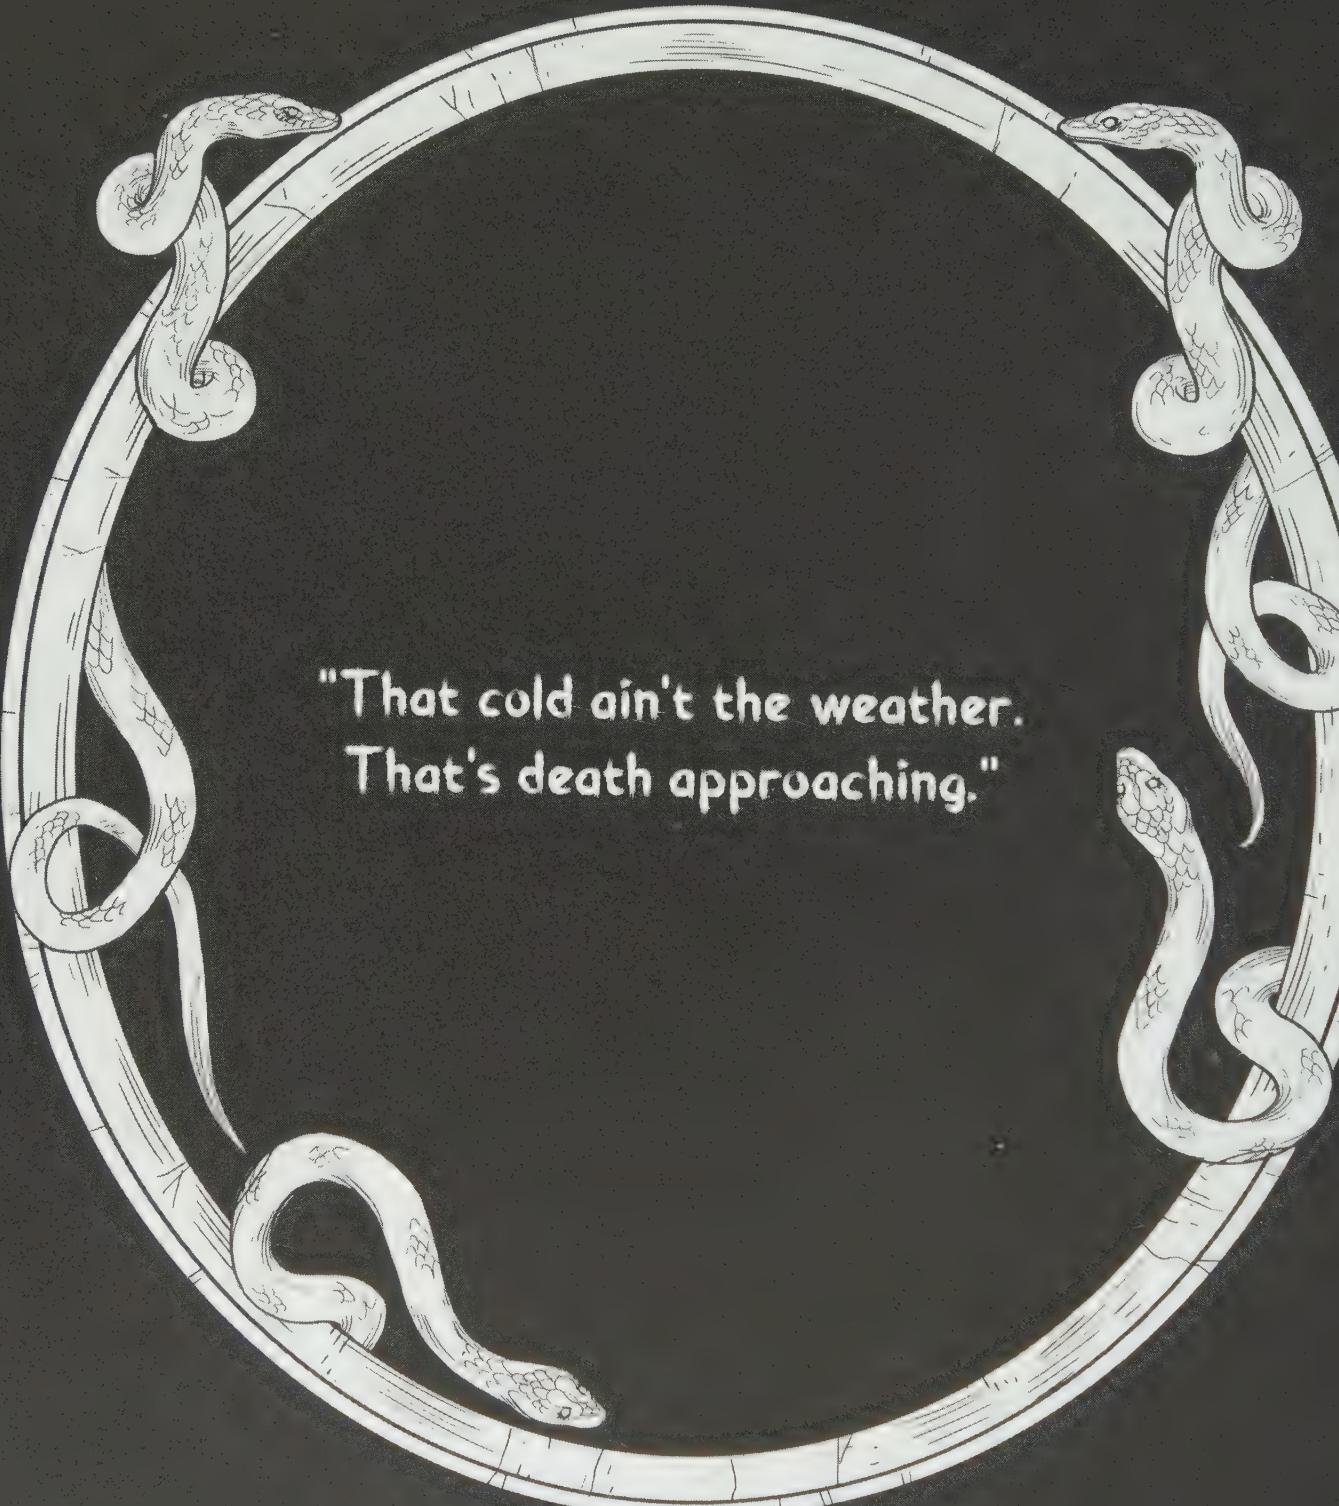

"I'm every nightmare you've ever
had. I am your worst dream come
true. I am everything you ever
were afraid of!"

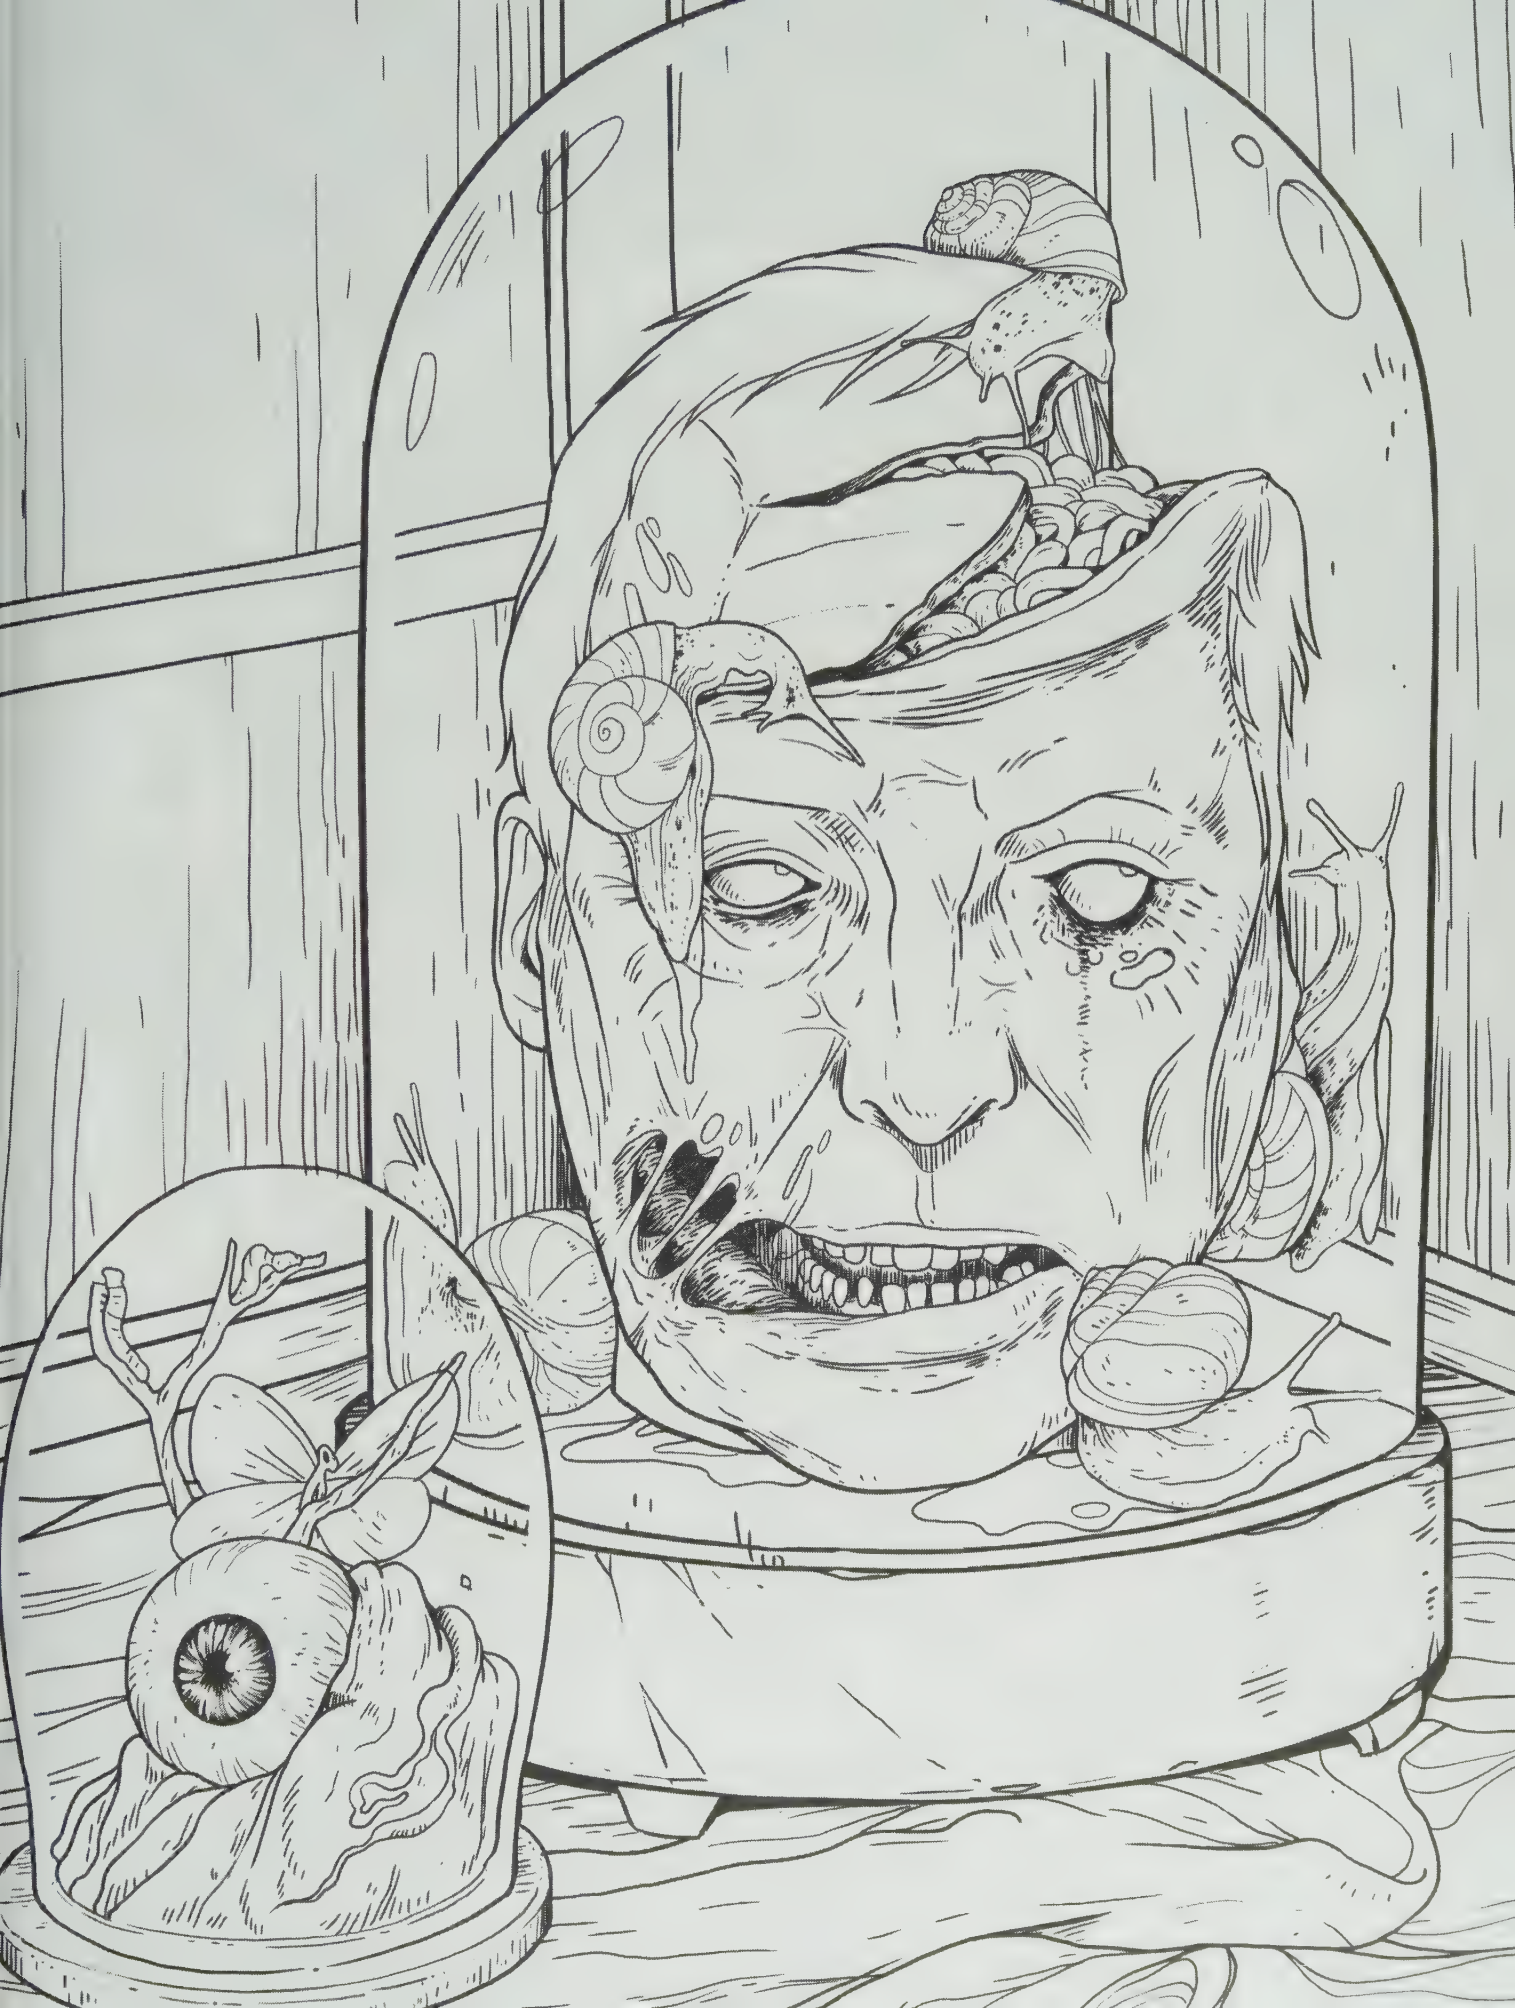

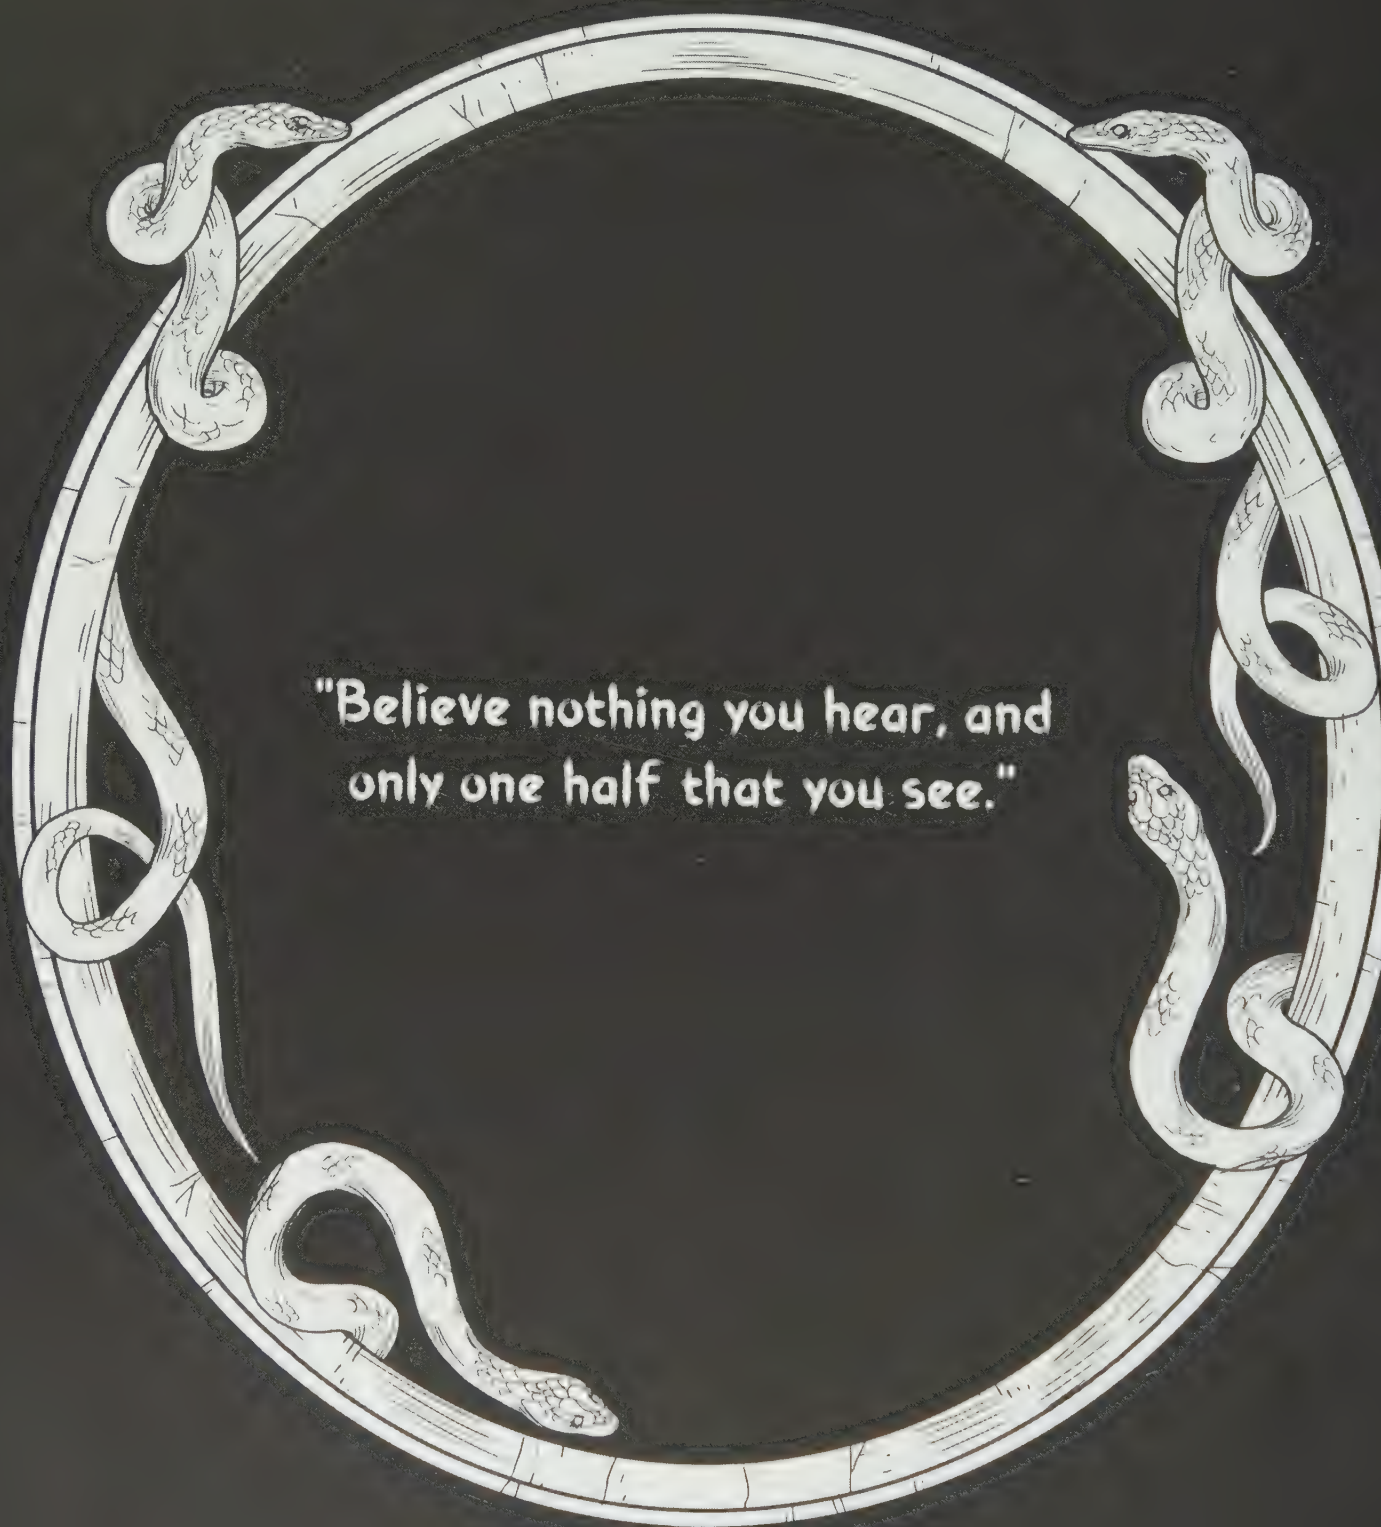

"I fear not the dark itself, but
what may lurk within it."

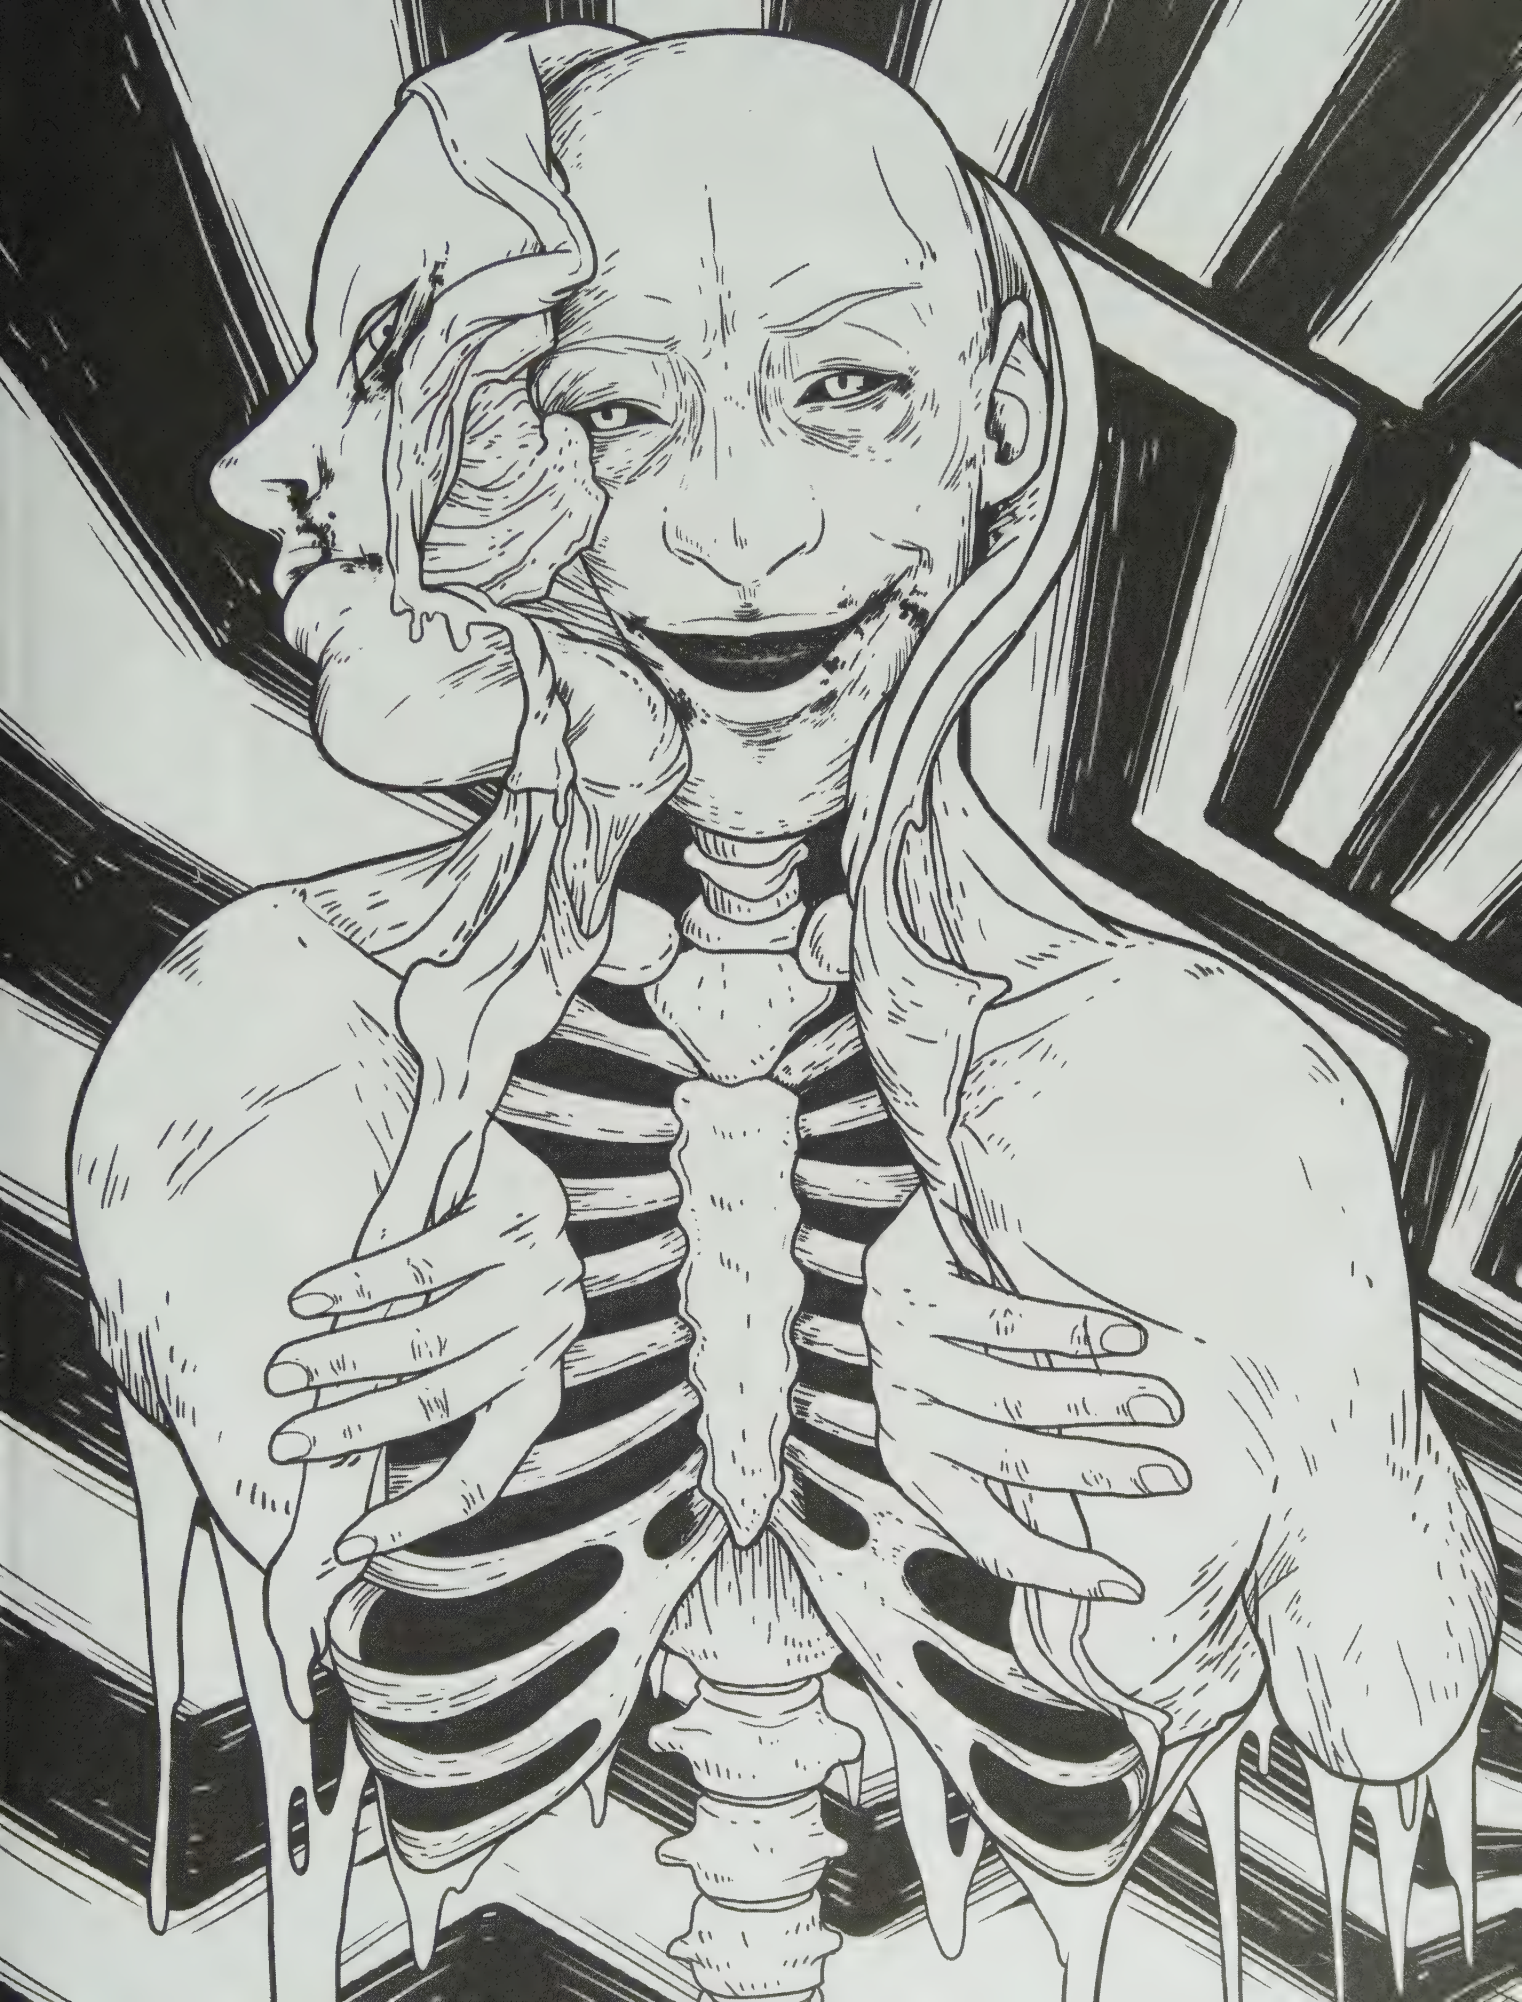

A circular frame made of a wooden branch with four snakes coiled around it. The snakes are positioned at the top-left, top-right, bottom-right, and bottom-left of the circle. They are drawn in a simple, sketchy style with visible scales and heads. The background is a solid dark color.

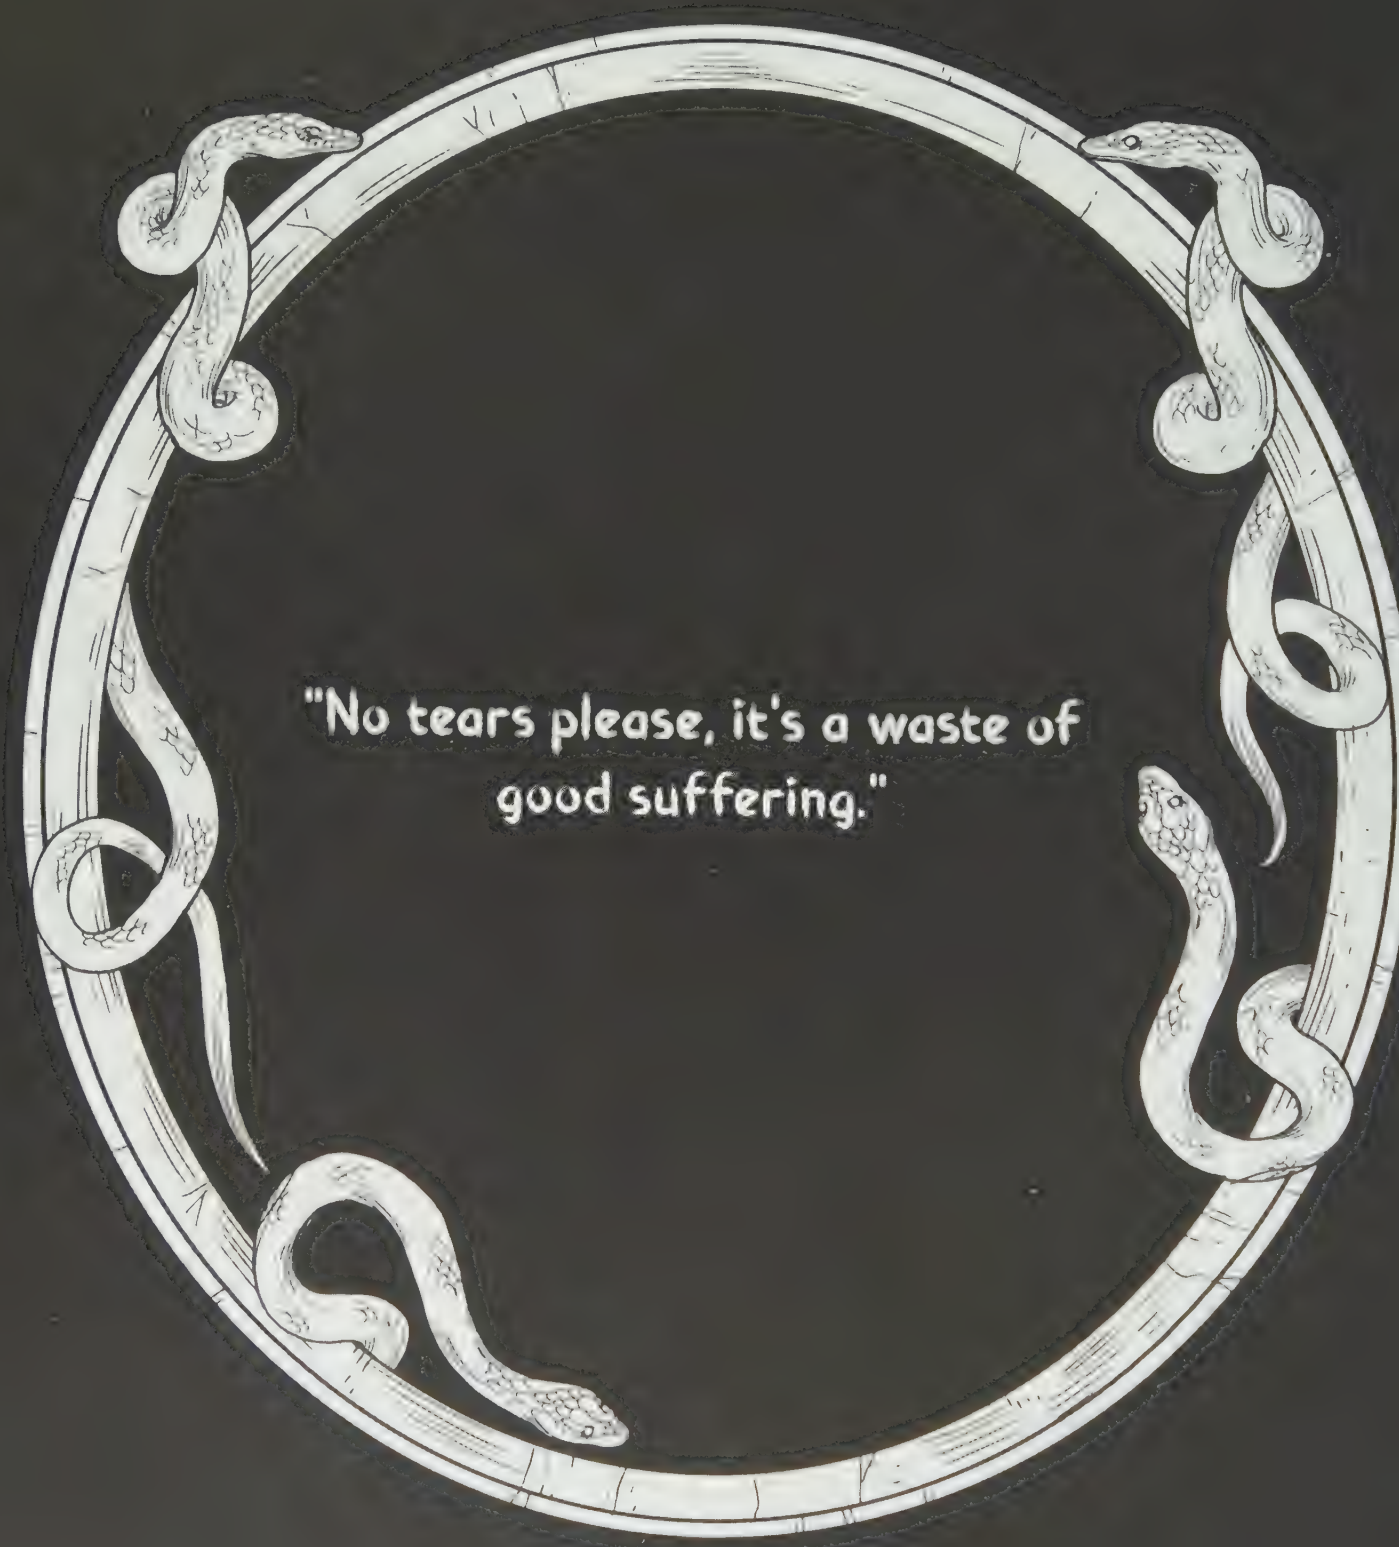

"That cold ain't the weather.
That's death approaching."

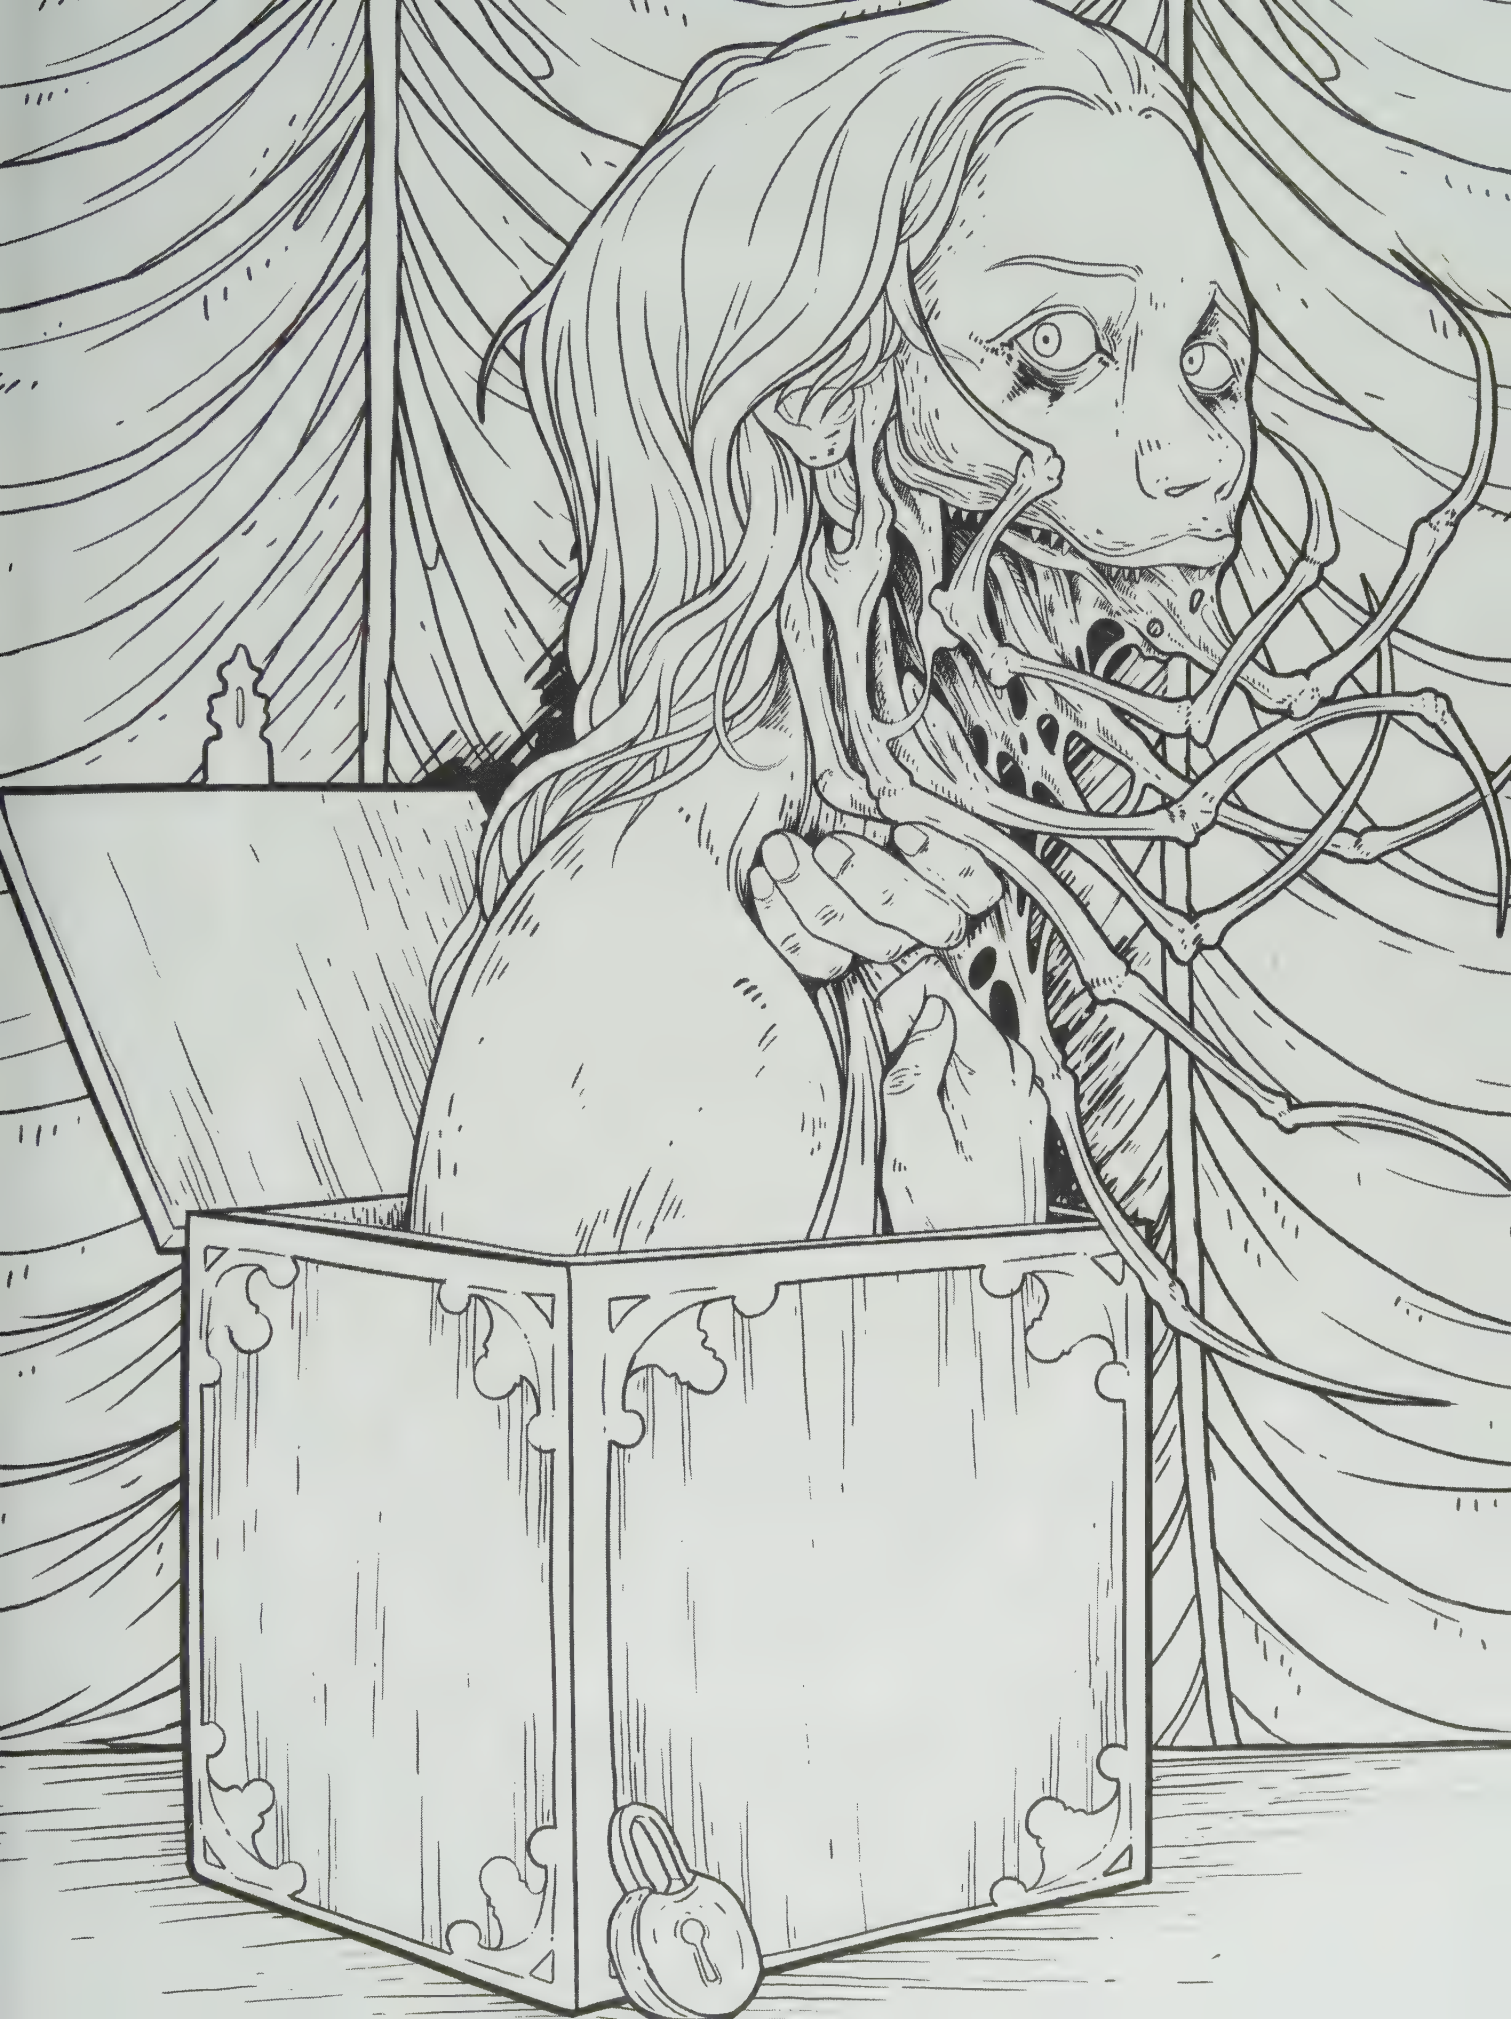

"Believe nothing you hear, and
only one half that you see."

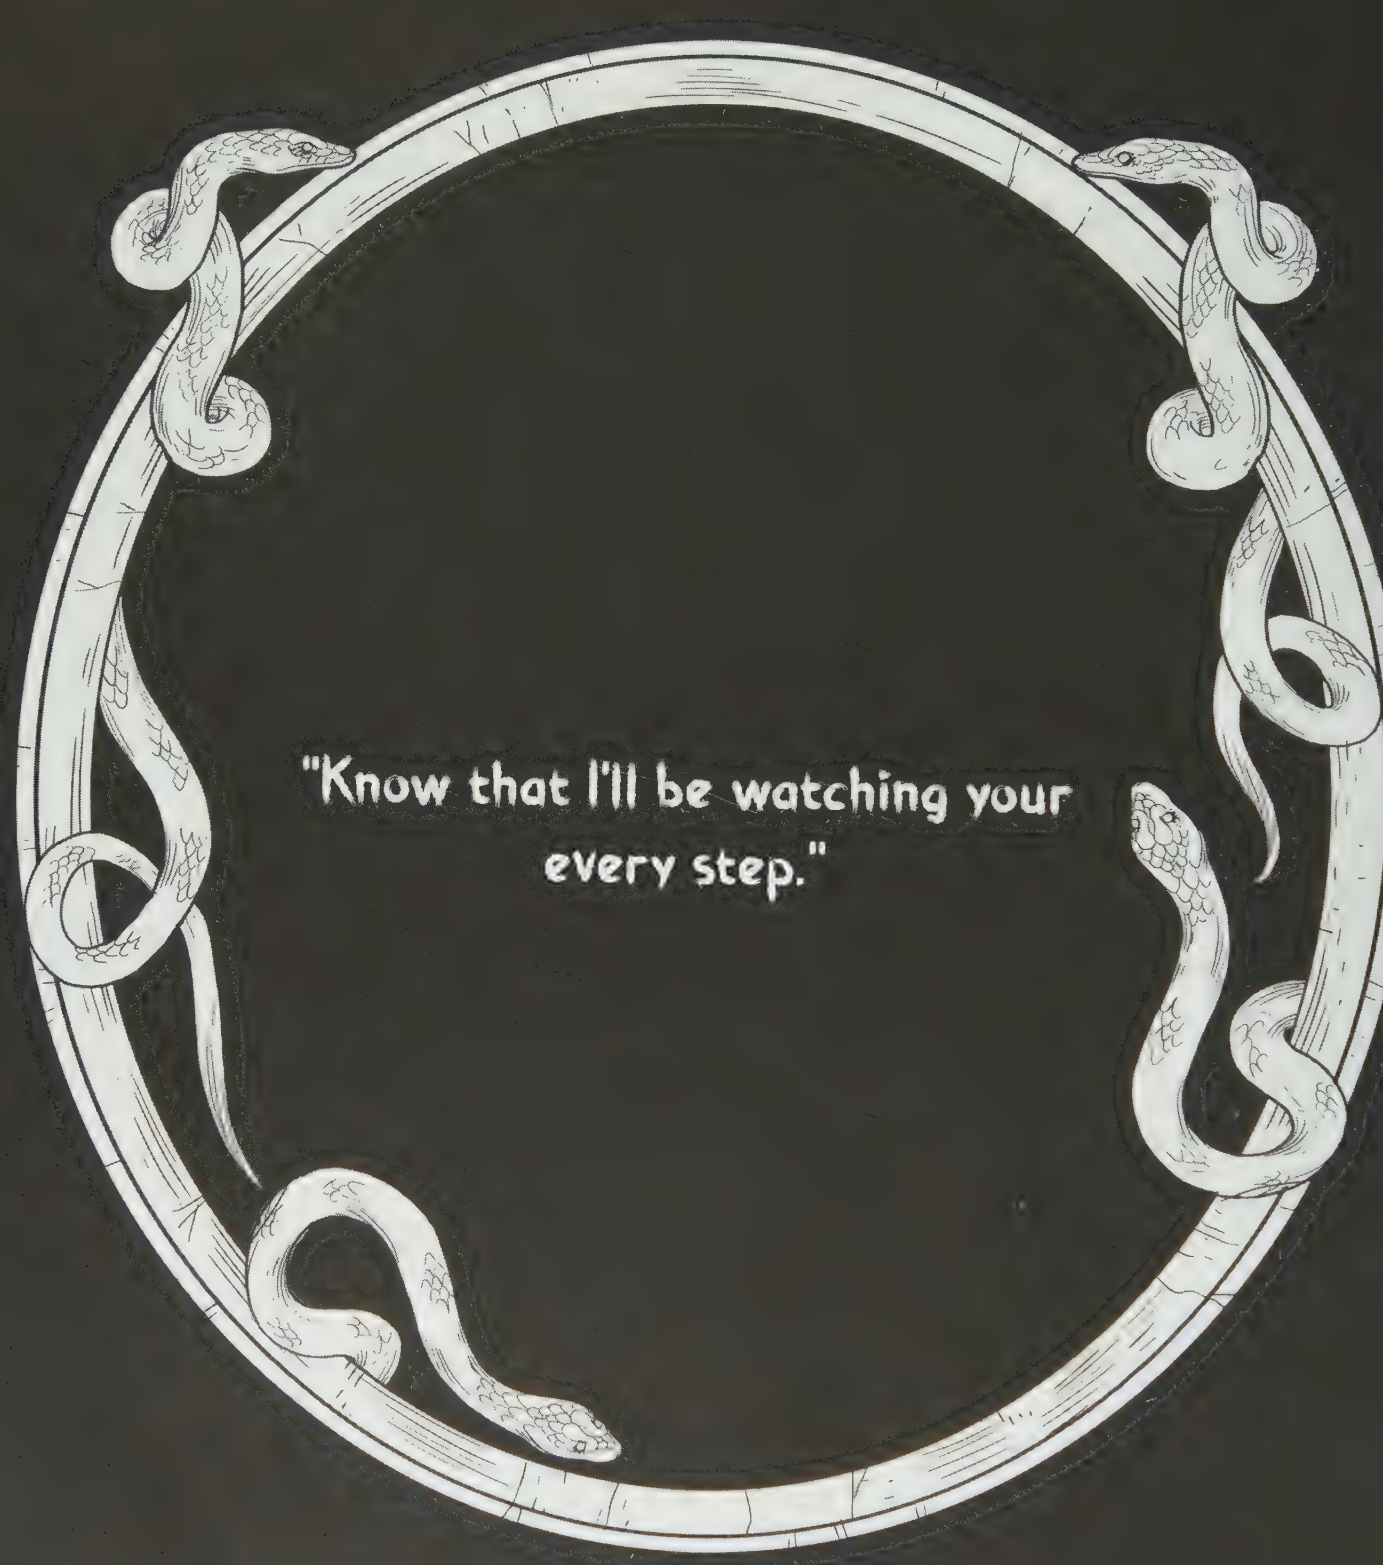

"No tears please, it's a waste of
good suffering."

"Death has come to your little
town, Sheriff."

"Know that I'll be watching your
every step."

"May you rest...in pieces"

"Come closer, if you dare."
